## **POLLS ARE NOW CLOSED IN THE NOVEMBER 7, 2023 SPECIAL ELECTION**

**SANTA CLARA COUNTY, CALIF** – All Vote Centers are now closed for the November 7, 2023 Special Election. Vote Centers in Santa Clara County will accommodate voters who are on-site and were in line to vote by 8:00 p.m.; lines are now capped and no additional persons will be allowed to enter.

As soon as the Vote Centers closed at 8:00 p.m., 13,070 ballots were cast, which included Vote by Mail and Official Drop Box ballots that arrived before Election Day. The initial results have been posted on [sccvote.org](http://sccvote.org). They will be updated regularly through the night as results from our Vote Centers arrive and are added to the tally.

After Vote Center ballot tallying is completed, the Registrar of Voters' Office will continue to process Vote by Mail ballots that are received by November 14 and are post-marked by Election Day, until all such ballots have been counted.

The Registrar of Voters' Office will post updated results on its website at 5:00 p.m. throughout the week. After the week of the election, results will be updated every other day at 5:00 p.m. Included in the updates are ballots such as provisionals, damaged, or unreadable ballots.

There were 83,792 registered voters eligible to vote in the Special Election.

Media outlets that want to capture footage of the ballot-counting process at the Registrar of Voters' Office should contact the ROV Media line at (408) 282-3008.
