Section 7.3 - Effect of Promotion, Demotion or Transfer on Salaries

a) Promotion

Upon promotion, a nurse's salary shall be adjusted as follows:

1. For a promotion of less than ~~ten~~ **fifteen** percent (~~10~~ **15**%) the salary shall be adjusted to the step in the new range which provides for a corresponding percentage increase in salary.
2. For a promotion of ~~ten~~ **fifteen** percent (~~10~~ **15**%) or more the salary shall be adjusted to the step in the new range which provides for ~~ten~~ **fifteen** percent (~~10~~**15**%) increase in salary or to the first step in the new range, whichever is greater.

Any other promotion will be in accordance with regular County procedure.

b) Demotion

Notwithstanding the provisions of Section 7.2, upon demotion of a nurse with permanent status in the nurse's current class, the nurse's salary shall be adjusted to the highest step in the new class not exceeding the salary received in the former class.

c) Transfer

Upon transfer, the salary shall remain unchanged.

d) No Loss of Time-In-Step

Notwithstanding the provisions of Section 7.2, no salary adjustment upon promotion, demotion, or transfer shall effect a loss of time acquired in the former salary step, and such time as was acquired in the former salary step shall be included in computing the accumulation of the required months of service for eligibility of the employee for further salary increases.

e) Voluntary Demotion

In the event of a voluntary demotion required by a work-connected illness or injury and a resulting disability, the salary of the nurse shall be placed at the step in the salary range which corresponds most closely to the salary received by the nurse as of the time of injury. In the event that such voluntary demotion would result in a salary loss of more than ten percent (10%), the nurse's new salary shall be set at the rate closest to, but not less than ten percent (10%) below the nurse's salary as of the time of injury.

f) Lateral Transfers

When making a lateral transfer or demotion to another class, an application review by the Personnel Director shall be deemed as an appropriate qualifying examination for nurses in instances where a qualifying examination is required. If otherwise qualified under this provision, and the only prohibition to lateral transfer is the salary of the new class, it shall be deemed to be a lateral

transfer if the move from one classification to another does not exceed twelve percent (12%) upward range movement.
