RNPA Proposal 5, December 7, 2023 (revised)

Section 18.5 - Staff Meetings

a. The date, time and location of regularly scheduled staff meetings will be posted seven calendar days in advance. Nurses assigned attendance at meetings, lectures, or in service courses while off shift will be subject to all overtime provisions. Nurses on shift will be compensated at the regular rate. A virtual option may be made available for staff meetings at the discretion of management.

b. Management shall have five (5) days to distribute meeting minutes to nurses. Nurses who were unable to attend the meeting shall be given time on duty to read meeting minutes and ask questions.

c. If an nurse who is off-schedule is required to attend a staff meeting, the nurse shall receive a minimum four (4) hour shift.
