DATE: August 1, 2023

BHSD is excited to share a number of resource updates and process changes for all providers within the network **effective August 1, 2023**.

Provider Manual

The Provider Manual has been expanded to include additional topics of guidance related to quality management, provider beneficiary and appeals process, communicating with BHSD, DMC-ODS program requirements, court system requirements, compliance, and auditing. Clinical Practice Guidelines

The Clinical Practice Guidelines which replaces the former Mental Health Clinical Standards and the SUTS Clinical Documentation Manual is now posted. The intent of the clinical practice guide is to provide behavioral health practitioners for both mental health and DMC-ODS with guidance and recommendations for clinical practice that is evidence-based. The Clinical Practice Guidelines is posted on the BHSD website under CalAIM.

Network Change Request Form

As outlined in the Provider Manual, Chapter 6.3, a Network Change Request Form has been developed to centralize and standardize notifications of network changes. The form will facilitate notice of changes such as change in ownership, key contacts, program location or move, re-certification, modes of services, and report temporary and/or permanent closures. The form is a SurveyMonkey link
