- NS-5.23.05 - ESA - Various Wage Increases
- Adoption of Salary Ordinance No. NS-5.23.11

Body

FISCAL IMPLICATIONS

There are no fiscal implications associated with the recommended action.

CONTRACT HISTORY

On July 1, 1945, the County entered into a contract with the California Public Employees' Retirement System (CalPERS) to provide defined benefit pension plans for the County's coded safety and miscellaneous employees. CalPERS is the largest public pension system in the U.S., managing more than \$470 billion in assets for more than 2,800 California employers.

In addition to providing defined benefit pension plans, the County contracts with CalPERS to invest in the California Employers' Retiree Benefit Trust (CERBT) Fund. The CERBT Fund is a Section 115 Trust set up for the purpose of receiving employer contributions that will prefund health and other post-employment benefit costs for retirees and their beneficiaries.

REASONS FOR RECOMMENDATION

CalPERS recommends the County adopt a unified pay schedule consistent with California Code of Regulations (CCR) section 570.5. Administration presented pay schedules to the Board of Supervisors for approval and adoption on August 15, 2023 and September 19, 2023. These pay schedules included compensation that was previously approved by the Board over the past five years. Moving forward, Administration will regularly present to the Board an updated County of Santa Clara Pay Schedule for approval and adoption based on Board-approved salary ordinance amendments.

Administration recommends the Board of Supervisors approve and adopt the attached pay schedule that includes the following salary ordinance amendments:

- Effective August 21, 2023, the Board approved Salary Ordinance NS-5.23.172 relating to the compensation of Park Maintenance Crew Chief, and
- Effective September 4, 2023, the Board approved Salary Ordinance NS-5.24.05 relating to the compensation changes for Santa Clara County Government Attorneys Association (GAA) including extra help employees working in classifications represented by GAA, and
- Effective September 4, 2023, the Board approved Salary Ordinance NS-5.24.11 relating to the compensation changes for SEIU Local 521, except for classifications which are tied to other County bargaining units and all employees in unrepresented clerical classifications.

If approved, this pay schedule will become available for public posting and will be kept publicly available for five years in compliance with CCR 570.5.

CHILD IMPACT

The recommended action will have no/neutral impact on children and youth.

SENIOR IMPACT

The recommended action will have no/neutral impact on seniors.

SUSTAINABILITY IMPLICATIONS

The recommended action will have no/neutral sustainability implications.

BACKGROUND

Administration responds to regular requests from CalPERS to validate employee compensation so they can accurately calculate a retiring employee's retirement benefit. The County documents employee compensation using the following methods:

- Master Salary Ordinance (MSO) that is approved by the Board of Supervisors once a year, and
- Salary tables included within the Memoranda of Agreement with the County's labor organizations, and
- Salary ordinance amendments that amend the MSO throughout the year, and
- Basic Salary Plan (BSP), which is an online document that pulls pay information from the County's payroll system.

Previously, CalPERS accepted the MSO or Memoranda of Agreement with the County's labor organizations as valid confirmation for employee pay rates.

In 2023, a review of final compensation rates conducted by CalPERS let CalPERS to request the County adopt a unified pay schedule consistent with CCR section 570.5.

While the MSO can be used to validate pay rates, it is only valid for those pay rates that are not changed during the year after the MSO was approved by the Board. CalPERS does not accept changes to salary approved through salary ordinance amendments that do not include the compensation rates for all County classifications, even though those amendments include the specific pay rates being adjusted.

CONSEQUENCES OF NEGATIVE ACTION

A negative action will result in failure to provide CalPERS with a compliant publicly available pay schedule and may result in an employee's retirement benefit being delayed or calculated based on a lower pay rate.

STEPS FOLLOWING APPROVAL

The Clerk of the Board of Supervisors will notify Rhonda Schmidt, Employee Benefits Department, Employee Services Agency.
