RNPA Proposal 62, October 12, 2023

Residency Program:

The County hospital administration and RNPA will meet to develop an Advanced Nurse Practitioner Primary Care Residency for in-patient (acute) and out-patient (chronic) care by January 2028.

Clinical Nurses accepted in accredited Nurse Practitioner program:

1. Increased tuition reimbursement for Clinical Nurses seeking NP degree and certification.
2. Establish a bank of Educational Leave strictly for clinical placement/assignment.
3. RNs employed by the County (in an NP program) seeking clinical placement, shall be given priority for clinical placement opportunities within the County health and hospital system.
