**Notes:**

1. The tables above reflect the most common plan options for coverage combinations available. If you do not see an option or combination that you are currently enrolled in, please contact Employee Benefits for information on any premium contribution requirements or changes that you may be responsible for.
2. Premium contribution requirements are different if you retired prior to December 5, 1983. Please contact Employee Benefits for information on premium contributions for your particular enrollment scenario.
3. Premium contribution requirements may be subject to future changes depending on the outcome of labor contract negotiations.
4. Retirees who retired before December 5, 1983 receive reimbursement for the actual amount paid for Medicare Part B.
