

Public Notice

**County of Santa Clara Department of Environmental Health
Proposed Amendment of the Transfer/Processing Report
Sunnyvale Material Recovery and Transfer Station
SWIS No. 43-AA-0009**

The Department of Environmental Health (DEH) Local Enforcement Agency (LEA), which regulates the **Sunnyvale Material Recovery and Transfer (SMaRT) Station, SWIS No. 43-AA-0009, located at 301 Carl Road, Sunnyvale, CA 94088**, received an application on August 2, 2024, to amend the Transfer/Processing Report (TPR) to reflect current operations. The application has been deemed complete and correct pursuant to Title 27, California Code of Regulations Section 21665(c) on August 20, 2024, and will be submitted to the California Department of Resources Recycling and Recovery (CalRecycle) for filing.

The scope of the amendment contains the following changes:

- Amend the TPR to include the food processing description, the absorption of the Registration Permit into the full SWFP, and updated site maps into the TPR.
- Submit an Alternative Measurement Protocol (AMP) and a revised SB1383 sampling protocol for review and approval.

Pursuant to Public Resources Code (PRC) section 44307, if any person files a petition or appeal challenging this approval and alleges that this Agency has failed to act as required by law or regulation during the approval process of the amendment application, the Agency shall hold a hearing. The hearing will be conducted in accordance with the procedures specified in PRC Section 44310.

Additional information about this approved application is available at the Department of Environmental Health and the **SMaRT Station** as listed below. Copies of the current TPR, Solid Waste Facility Permit, AMP, and the proposed amendment documents can be viewed at the DEH during business hours and by appointment by calling (408) 918-3492. The document viewing locations are ADA compliant facilities. Written comments or verbal comments may be submitted to the LEA until September 7, 2024.
