Dear Candidate:

Now that you have filed as a candidate, I want to encourage you to participate in Vote411.org, a non-partisan online voter guide by the League of Women Voters of California (League) Education Fund, and is a widely-used tool for voter education. Vote411.org provides a free platform for candidates who will appear on the ballot.

The Office of the Registrar of Voters is an active Vote411.org partner and urges you to take advantage of this valuable opportunity to get your message out to your voting audience. Informed citizens are more likely to vote.

The Vote411.org provides an opportunity for you to let voters know who you are and where you stand on the issues. This non-partisan tool was developed by the League to utilize Internet technology to inform voters about candidates and issues, and to provide an easy personal ballot lookup. Participation is free and open to all candidates. Voters can then see information about your race using their personal computers, smartphones, or any other source of access to the Internet.

Sometime after the close of the nomination filing period, you will receive an email message or letter from your local League of Women Voters in Santa Clara County providing information and instructions on how to get started. If you do not receive an invitation from your local League within three weeks after the close of filing, feel free to send an inquiry to info@cavote411.org or visit join.cavote411.org.

I encourage you to participate in Vote411.org.

Sincerely,

A handwritten signature in cursive script that reads "Shannon Bushey".
