PURPOSE OF THE REPORT

The **BHSD 4538 CCP Clients by Adm Pgm by Date** report displays the client's admission/discharge date from the admission program, primary diagnosis, as well as the client's first and most recent service date within a service program. If claims have not been approved in MSO, the client's first and most recent service date may not be represented.

This report pulls all clients from the Admission Program within a specified date range including discharge clients.

Enter the date range that needs to be pulled in the report in **Start Date** and **End Date**.

Enter the County Contracted Provider in **Provider** and select the Admission Program in the **Program** field.

Select Admission and/or Discharge in **Admission/Discharge** field to view admission and/or discharge specific data
