

5 Reasons to have Naloxone* on hand at your Business

*Naloxone is an opioid antidote that reverses an opioid overdose or poisoning

Folks often do not know when opioids (like Fentanyl) are cut into a drug they have

Naloxone is legal for anyone to carry and administer, and cannot harm anyone

Naloxone is easy to use and can save someone's life while waiting for an ambulance

Opioid poisonings can happen anywhere, at any time, and we must always be ready

Having naloxone on hand makes your business safer for everyone around
