(1) There is a question about your application. Please contact Airport Operations as soon as possible.

(2) Permitted of Record who has been assigned an aircraft storage location from their previous eligibility on this waiting list but has chosen to remain on this list to upgrade to a specific type of storage or relocate to a comparable type of storage.

(3) A wait-list applicant who has submitted a letter stating they are not currently interested in an aircraft storage location but would like to remain on list. These people will not be contacted about available storage locations until they provide a written request.

NOTE: A non-refundable annual waiting-list maintenance fee, and a refundable deposit must be paid to be placed on this waiting list. The refundable deposit may be applied towards your first months rent when you are assigned an aircraft storage location. For fee amounts, see our current Schedule of Fees and Charges at CountyAirports.org.
