## **Feb. 1 Deadline Approaching for Second Installment of 2023-24 Annual Secured Property Taxes**

**SANTA CLARA COUNTY, CALIF. – The deadline to pay the second installment of the 2023-24 annual secured property taxes is approaching. It’s important to pay property taxes on time to avoid penalties and ensure the ongoing funding of essential services such as public health and law enforcement.**

The second installment of the property tax is due Feb. 1 and becomes delinquent at 5 p.m. on Wednesday, April 10. The second installment may be paid separately only if the first installment has been paid.

(Property owners who have already paid the second installment of their property taxes may disregard this notice.)

The County of Santa Clara Department of Tax and Collections (DTAC) announced in October 2023 the availability of the annual secured Fiscal Year 2023-2024 property tax bills. These bills can be conveniently accessed, viewed, printed and paid online at [www.sccdta.org](http://www.sccdta.org). For taxpayers who have opted for electronic copies, bills were delivered to the email address on file as of October 2, 2023. For all other taxpayers, tax bills were delivered by the U.S. Postal Service.

Please note that California Revenue and Taxation Code Section 2610.5 does not relieve a property owner of the responsibility of making timely payments due to failure to receive a tax bill.

### **Paperless Billing**

Property owners are encouraged to consider going paperless. It is an environmentally friendly and secure way to access essential property tax-related information, including assessed property values, tax bills, and payment options. The USPS postmark MUST be April 10, 2024, or earlier to avoid penalties. Please retain proof of the postmark in case payment arrives after the due date, as the Postal Service may not postmark mail on the same day it's deposited.

## Drop Box Payments

DTAC offers a secure 24-hour drop box located to the right of the front entrance at its new location at **110 W. Tasman Drive in San José**.

## Partial Payments

Property owners may take advantage of the partial payment program and make multiple partial payments on this installment. Penalties will apply only to the unpaid portion of the tax after the payment deadline of April 10.
