PART II

PROJECT APPROVAL INFORMATION
SECTION A

Item 1.

Does this assistance request requires State, local, regional, or other priority rating?
_____ Yes X No

Name of Governing Body _____
Primary Rating _____

Item 2.

Does this assistance request require State, or local advisory, educational or health clearances?
_____ Yes X No

Name of Agency or Board _____
(Attach Documentation)

Item 3.

Does this assistance request require clearinghouse review in accordance with OMB Circular A-95?
X Yes _____ No

(Attach Comments)
No Comments Received

Item 4.

Does this assistance request require State, local, regional or other planning approval?
_____ Yes X No

Name of Approving Agency _____
Date _____

Item 5.

Is the proposal project covered by an approved Comprehensive plan? (Master Plan)
X Yes _____ No

Check one: State
Local
Regional
Location of Plan _____

Item 6.

Will the assistance requested serve a Federal installation?
_____ Yes X No

Name of Federal Installation _____
Federal Population benefiting from Project _____

Item 7.

Will the assistance requested be on Federal land or installation?
_____ Yes X No

Name of Federal Installation _____
Location of Federal Land _____
Percent of Project _____

Item 8.

Will the assistance requested have an impact or effect on the environment?
_____ Yes X No

See instruction for additional information to be Provided

Item 9.

Will the assistance requested cause the displacement of individuals families, businesses, or farms?
_____ Yes X No

Number of:
Individuals _____
Families _____
Businesses _____
Farms _____

Item 10.

Is there other related Federal assistance on this project previous, pending, or anticipated?
_____ Yes X No

See instructions for additional information to be provided.

PART II - SECTION C

The Sponsor hereby represents and certifies as follows:

1. Compatible Land Use. - The Sponsor has taken the following actions to assure compatible usage of land adjacent to or in the vicinity of the airport:

The County of Santa Clara has an approved comprehensive airport land use plan to assure compatible usage of land adjacent to or in the vicinity of the Reid-Hillview Airport.

2. Defaults. - The Sponsor is not in default on any obligation to the United States or any agency of the United States Government relative to the development, operation, or maintenance of any airport, except as stated herewith:

None

3. Possible Disabilities. - There are no facts or circumstances (including the existence of effective or proposed leases, use agreements or other legal instruments affecting use of the Airport or the existence of pending litigation or other legal proceedings) which in reasonable probability might make it impossible for the Sponsor to carry out and complete the Project or carry out the provisions of Part V of this Application, either by limiting its legal or financial ability or otherwise, except as follows:

None

4. Land. - (a) The Sponsor holds the following property interest in the following areas of land* which are to be developed or used as part of or in connection with the Airport, subject to the following exceptions, encumbrances, and adverse interests, all of which areas are identified on the aforementioned property map designated as Exhibit "A":

Title in fee, to all land outlined in red exhibit "A", property map, except for those encumbrances or other adverse interest listed in title opinions/certifications submitted in connection with prior projects. There has been no change in property interest since the last AIP Project No. 3-06-0225-04.

**State character of property interest in each area and list and identify for each all exceptions, encumbrances, and adverse interests of every kind and nature, including liens, easements, leases, etc. The separate areas of land need only be identified here by the area numbers shown on the property map.*

PART II - SECTION C (Continued)

The Sponsor further certifies that the above is based on a title examination by a qualified attorney or title company and that such attorney or title company has determined that the Sponsor holds the above interests.

(b) The Sponsor will acquire within a reasonable time, but in any event prior to the start of any construction work under the Project, the following property interest in the following areas of land* on which such construction work is to be performed, all of which areas are identified on the aforementioned property map designated as Exhibit "A":

Submitted and on file with previous AIP Project 3-06-0225-02.

(C) The Sponsor will acquire within a reasonable time, and if feasible prior to the completion of all construction work under the Project, the following property interest in the following areas of land* which are to be developed or used as part of or in connection with the Airport as it will be upon completion of the Project, all of which areas are identified on the aforementioned property map designated as Exhibit "A":

Exhibit "A" (submitted for AIP-02) represents the total airport property owned by the sponsor i.e., County of Santa Clara. The project will be fully contained on airport contiguous property within the boundary of exhibit "A" property map.

5. Exclusive Rights. - There is no grant of an exclusive right for the conduct of any aeronautical activity at any airport owned or controlled by the Sponsor except as follows:

None.

State character of property interest in each area and list and identify for each all exceptions, encumbrances, and adverse interests of every kind and nature, including liens, easements, leases, etc. The separate areas of land need only be identified here by the area numbers shown on the property map.

PART III - BUDGET INFORMATION - CONSTRUCTION**SECTION A - GENERAL**1. Federal Domestic Assistance Catalog No. 20.106

2. Functional or Other Breakout _____

SECTION B - CALCULATION OF FEDERAL GRANT

Cost Classification	Use only for revisions		Total Amount Required
	Latest Approved Amount	Adjustment + or (-)	
1. Administration expense	\$		\$ 15,000.00
2. Preliminary expense			4,000.00
3. Land, structures, right-of-way			.00
4. Architectural engineering basic fees			90,000.00
5. Other Architectural engineering fees			.00
6. Project inspection fees			100,000.00
7. Land development			.00
8. Relocation Expenses			.00
9. Relocation payments to Individuals and Businesses			.00
10. Demolition and removal			.00
11. Construction and project improvement			835,500.00
12. Equipment			.00
13. Miscellaneous			.00
14. Total (Lines 1 through 13)			1,044,500.00
15. Estimated Income (if applicable)			.00
16. Net Project Amount (Line 14 minus 15)			1,044,500.00
17. Less: Ineligible Exclusions			.00
18. Add: Contingencies			.00
19. Total Project Amt. (Excluding Rehabilitation Grants)			1,044,500.00
20. Federal Share requested of Line 19			940,050.00
21. Add Rehabilitation Grants Requested (100 Percent)			.00
22. Total Federal grant requested (lines 20 & 21)			940,050.00
23. Grantee share			57,448.00
24. Other shares (State)			47,002.00
25. Total Project (Lines 22, 23 & 24)			\$1,044,500.00

29. TOTAL	104,450.00

SECTION E -- REMARKS

- Part V Sponsor Assurances are incorporated in this Application.
- Title VI Assurances are incorporated in this Application.
- Exhibit "A: Property Map is incorporated in this project.

PART IV PROGRAM NARRATIVE (Attach - See Instructions)

**PART IV – PROGRAM NARRATIVE
APPLICATION FOR FEDERAL ASSISTANCE
SANTA CLARA COUNTY – REID-HILLVIEW AIRPORT
AIP 3-06-0225-07**

INTRODUCTION

The project funding requested in AIP Project No. 3-06-0225-07 is specifically designed to rehabilitate existing facilities at the Reid-Hillview Airport. The following is a detailed description of the projects requested by the County, listed in order of their priority.

PROJECT DESCRIPTION

Project 1 – Apron/Taxiway Drainage Improvements

Currently, aircraft taxilanes between the hangar buildings and adjacent to the aprons are experiencing drainage problems that threaten the pavements constructed under previous AIP projects. In many locations, water is ponding adjacent to the taxilanes and the pavement is beginning to show distress. Project 1 consists of the installation of trench drains and pipe to eliminate the ponding and preserve the existing pavement. The estimated cost for this project is as follows:

Trench Drain	2,400 L.F. @ \$75.00/L.F.	\$180,000
12-Inch Drain Pipe	150 L.F. @ \$40.00/L.F.	6,000
Catch Basin	3 Each @ \$2,500.00/Each	7,500
Pavement Removal	24,000 S.F. @ \$.50/S.F.	12,000
Asphalt Concrete	300 Tons @ \$50.00/Ton	<u>15,000</u>
		\$220,500
Total Construction		
Engineering and Inspection		<u>55,000</u>
		\$275,500
Project Total		

Project 2 – Apron Rehabilitation

Under the AIP-03 and AIP-04 projects, much of the existing apron areas were rehabilitated by overlay or reconstruction. Project 2 consists of the rehabilitation of the remaining apron areas. The total area of apron rehabilitation will be 144,000 square feet and, depending on the level of distress, rehabilitation shall consist of reconstruction or overlay. Existing tiedown anchors will be adjusted, fuel-resistant seal will be applied under parking positions, and existing taxiway markings and tiedown position markings will be reapplied. The estimated cost for this work is:

Pavement Reconstruction	40,000 S.F. @ \$2.00/S.F.	\$80,000
AC Overlay	2,000 Ton @ \$50.00/Tons	100,000
Paving Fabric	15,000 S.Y. @ \$1.00/S.Y.	15,000
Fuel-Resistant Seal	16,000 S.Y. @ \$1.50/S.Y.	24,000
Pavement Cold Milling	19,000 S.F. @ \$.50/S.F.	9,500
Tiedown Anchor Adjustment	150 Each @ \$50.00/Each	7,500
Marking	Lump Sum	<u>3,000</u>
		\$239,000
Construction Total		
Engineering and Inspection		<u>60,000</u>
		\$299,000

Project Total

Project 3 – Access Road Rehabilitation

The main access road serving the airport is badly deteriorated from the intersection with Capitol Expressway to the airport parking lot and the two main access gates to the airport. Project 2 consists of the reconstruction and overlay of the existing asphalt pavement and the improvement of drainage on the access road. Also included in the project is pavement marking. The estimated cost for this project is:

Pavement Reconstruction	16,000 S.F. @ \$3.00/S.F.	\$48,000
AC Overlay	600 Tons @ \$50.00/Tons	30,000
Paving Fabric	5,000 S.Y. @ \$1.00/S.Y.	5,000
Cold Milling	22,000 S.F. @ \$.50/S.F.	11,000
PCC Valley Gutter	200 L.F. @ \$25.00/L.F.	5,000
Catch Basin	1 Each @ \$2,000.00/Each	2,000
18-Inch Drain Pipe	200 L.F. @ \$50.00/L.F.	10,000
Pavement Marking	Lump Sum	<u>5,000</u>
		\$116,000
Construction Total		
Engineering and Inspection		<u>29,000</u>
		\$145,000

Project Total

Project 4 – Security Fencing and Gates

The existing security fencing along the west airport perimeter between Waverly and Cunningham Avenues is in poor condition and is incorrectly located inside of the existing airport property line. Additionally, all existing drive and walk gates are manually operated resulting in poor airport security. Project 4 consists of the replacement of approximately 1,000 lineal feet of 8-foot-high chain link fence, the installation of four automatic drive gates, and the installation of four walk gates with access control equipment. The estimated cost for this project is:

Fence Removal	Lump Sum	\$2,000
8-foot Chain Link Fence	1,000 L.F. @ \$25.00/L.F.	25,000
Automatic Drive Gate	4 Each @ \$15,000.00/Each	60,000
Walk Gate with Access Control	4 Each @ \$1,500.00/Each	<u>6,000</u>
		\$ 93,000
Construction Total		
Engineering and Inspection		<u>23,000</u>
		\$116,000
Project Total		

Project 5 – Wind Indicators and Segmented Circle

The existing wind cone and segmented circle are in poor condition and are not adequately visible from the air. Additionally, there are no wind indicators near the ends of the runways. Project 5 consists of the installation of a new primary wind cone and segmented circle and the installation of two supplemental wind socks near the end of each runway. The segmented circle will be painted on an asphalt pad constructed between the runways in the location of the existing primary wind cone. The existing wiring to the wind cone will be removed and replaced. The supplemental wind socks will be installed between the runways, near each runway end. Power to the supplemental wind socks will be extended from the existing runway light circuit. The estimated cost for this project is:

Primary Wind Cone	Lump Sum	\$10,000
Wind Cone Circuit	1,200 L.F. @ \$10.00/L.F.	12,000
Segmented Circle	Lump Sum	15,000
Supplemental Wind Sock	2 Each @ \$5,000.00/Each	<u>10,000</u>
		\$47,000
Construction Total		
Engineering and Inspection		<u>12,000</u>
		\$59,000
Project Total		

Project 6 – REIL Replacement

Currently, the REILs serving Runways 13L and 31R are in poor condition and frequently out of service. These are FAA owned and operated facilities and replacement is not programmed for the near future. This is a vital facility in this area and the County proposes to replace the existing REIL with new equipment, owned and maintained by the County. The existing REIL feeder circuit will also be replaced. The estimated cost for this project is:

REIL	2 Each @ \$12,000.00/Each	\$24,000
REIL Power Service	2,800 L.F. @ \$10.00/L.F.	<u>28,000</u>
		\$52,000
Construction Total		
Engineering and Inspection		<u>13,000</u>
		\$65,000
Project Total		

Project 7 – Pilot Controlled Lighting

Currently, the runway and taxiway light system remains on from dusk till dawn. With increased energy cost, some additional control of the lighting is required. Project 7 provides for the installation of pilot controlled lighting in the existing power building. The estimated cost for this project is:

Pilot Controlled Lighting	Lump Sum	\$8,000
Engineering and Inspection	Lump Sum	<u>2,000</u>
Project Total		\$10,000

Project 8 – Beacon Tower and Electrical Service Rehabilitation

Currently, the beacon tower is in need of paint to prevent deterioration. Additionally, the beacon power service is old and unreliable. Project 8 includes sandblasting and repainting the exiting beacon tower and replacement of the electrical service conduits. The estimated cost for this project is:

Conduit and Cable – Native	2,200 L.F. @ \$10.00/L.F.	\$22,000
Conduit and Cable – Pavement	1,200 L.F. @ \$15.00/L.F.	18,000
Beacon Tower Rehabilitation	Lump Sum	<u>20,000</u>
Construction Total		\$60,000
Engineering and Inspection		<u>15,000</u>
Project Total		\$75,000

Reid-Hillview Airport
Cost Estimate Summary
AIP 3-06-0225-07

Project	Description	Total Cost	Federal Share	State Share	County Share
1	Apron/Taxiway Drainage	\$275,500	\$247,950	\$12,397	\$15,153
2	Apron Rehabilitation	299,000	269,100	13,455	16,445

SHUTT MOEN
 ASSOCIATES

ASSURANCES
Airport Sponsors

A. General.

1. These assurances shall be complied with in the performance of grant agreements for airport development, airport planning, and noise compatibility program grants for airport sponsors.
2. These assurances are required to be submitted as part of the project application by sponsors requesting funds under the provisions of Title 49, U.S.C., subtitle VII, as amended. As used herein, the term "public agency sponsor" means a public agency with control of a public-use airport; the term "private sponsor" means a private owner of a public-use airport; and the term "sponsor" includes both public agency sponsors and private sponsors.
3. Upon acceptance of the grant offer by the sponsor, these assurances are incorporated in and become part of the grant agreement.

B. Duration and Applicability.

1. **Airport Development or Noise Compatibility Program Projects Undertaken by a Public Agency Sponsor.** The terms, conditions and assurances of the grant agreement shall remain in full force and effect throughout the useful life of the facilities developed or equipment acquired for an airport development or noise compatibility program project, or throughout the useful life of the project items installed within a facility under a noise compatibility program project, but in any event not to exceed twenty (20) years from the date of acceptance of a grant offer of Federal funds for the project. However, there shall be no limit on the duration of the assurances regarding Exclusive Rights and Airport Revenue so long as the airport is used as an airport. There shall be no limit on the duration of the terms, conditions, and assurances with respect to real property acquired with federal funds. Furthermore, the duration of the Civil Rights assurance shall be specified in the assurances.
2. **Airport Development or Noise Compatibility Projects Undertaken by a Private Sponsor.** The preceding paragraph 1 also applies to a private sponsor except that the useful life of project items installed within a facility or the useful life of the facilities developed or equipment acquired under an airport development or noise compatibility program project shall be no less than ten (10) years from the date of acceptance of Federal aid for the project.
3. **Airport Planning Undertaken by a Sponsor.** Unless otherwise specified in the grant agreement, only Assurances 1, 2, 3, 5, 6, 13, 18, 30, 32, 33, and 34 in section C apply to planning projects. The terms, conditions, and assurances of the grant agreement shall remain in full force and effect during the life of the project.

C. Sponsor Certification. The sponsor hereby assures and certifies, with respect to this grant that:

1. **General Federal Requirements.** It will comply with all applicable Federal laws, regulations, executive orders, policies, guidelines, and requirements as they relate to the application, acceptance and use of Federal funds for this project including but not limited to the following:

Federal Legislation

- a. Title 49, U.S.C., subtitle VII, as amended.
- b. Davis-Bacon Act - 40 U.S.C. 276(a), et seq.¹

Office of Management and Budget Circulars

- a. A-87 - Cost Principles Applicable to Grants and Contracts with State and Local Governments.
- b. A-133 - Audits of States, Local Governments, and Non-Profit Organizations.
 - 1 These laws do not apply to airport planning sponsors.
 - 2 These laws do not apply to private sponsors.
 - 3 49 CFR Part 18 and OMB Circular A-87 contain requirements for State and Local Governments receiving Federal assistance. Any requirement levied upon State and Local Governments by this regulation and circular shall also be applicable to private sponsors receiving Federal assistance under Title 49, United States Code.

Specific assurances required to be included in grant agreements by any of the above laws, regulations or circulars are incorporated by reference in the grant agreement.

2. Responsibility and Authority of the Sponsor.

- a. **Public Agency Sponsor:** It has legal authority to apply for the grant, and to finance and carry out the proposed project; that a resolution, motion or similar action has been duly adopted or passed as an official act of the applicant's governing body

authorizing the filing of application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.

b. Private Sponsor: It has legal authority to apply for the grant and to finance and carry out the proposed project and comply with all terms, conditions, and assurances of this grant agreement. It shall designate an official representative and shall in writing direct and authorize that person to file this application, including all understandings and assurances contained therein; to act in connection with this application; and to provide such additional information as may be required.

3. Sponsor Fund Availability. It has sufficient funds available for that portion of the project costs which are not to be paid by the United States. It has sufficient funds available to assure operation and maintenance of items funded under the grant agreement which it will own or control.

4. Good Title.

a. It, a public agency or the Federal government, holds good title, satisfactory to the Secretary, to the landing area of the airport or site thereof, or will give assurance satisfactory to the Secretary that good title will be acquired.

b. For noise compatibility program projects to be carried out on the property of the sponsor, it holds good title satisfactory to the Secretary to that portion of the property upon which Federal funds will be expended or will give assurance to the Secretary that good title will be obtained.

5. Preserving Rights and Powers.

a. It will not take or permit any action which would operate to deprive it of any of the rights and powers necessary to perform any or all of the terms, conditions, and assurances in the grant agreement without the written approval of the Secretary, and will act promptly to acquire, extinguish or modify any outstanding rights or claims of right of others which would interfere with such performance by the sponsor. This shall be done in a manner acceptable to the Secretary.

b. It will not sell, lease, encumber, or otherwise transfer or dispose of any part of its title or other interests in the property shown on Exhibit A to this application or, for a noise compatibility program project, that portion of the property upon which Federal funds have been expended, for the duration of the terms, conditions, and assurances in the grant agreement without approval by the Secretary. If the transferee is found by the Secretary to be eligible under Title 49, United States Code, to assume the obligations of the grant agreement and to have the power, authority, and financial resources to carry out all such obligations, the sponsor shall insert in the contract or document transferring or disposing of the sponsor's interest, and make binding upon the transferee all of the terms, conditions, and assurances contained in this grant agreement.

c. For all noise compatibility program projects which are to be carried out by another unit of local government or are on property owned by a unit of local government other than the sponsor, it will enter into an agreement with that government. Except as otherwise specified by the Secretary, that agreement shall obligate that government to the same terms, conditions, and assurances that would be applicable to it if it applied directly to the FAA for a grant to undertake the noise compatibility program project. That agreement and changes thereto must be satisfactory to the Secretary. It will take steps to enforce this agreement against the local government if there is substantial non-compliance with the terms of the agreement.

d. For noise compatibility program projects to be carried out on privately owned property, it will enter into an agreement with the owner of that property which includes provisions specified by the Secretary. It will take steps to enforce this agreement against the property owner whenever there is substantial non-compliance with the terms of the agreement.

e. If the sponsor is a private sponsor, it will take steps satisfactory to the Secretary to ensure that the airport will continue to function as a public-use airport in accordance with these assurances for the duration of these assurances.

f. If an arrangement is made for management and operation of the airport by any agency or person other than the sponsor or an employee of the sponsor, the sponsor will reserve sufficient rights and authority to insure that the airport will be operated and maintained in accordance Title 49, United States Code, the regulations and the terms, conditions and assurances in the grant agreement and shall insure that such arrangement also requires compliance therewith.

6. Consistency with Local Plans. The project is reasonably consistent with plans (existing at the time of submission of this application) of public agencies that are authorized by the State in which the project is located to plan for the development of the area surrounding the airport.

7. Consideration of Local Interest. It has given fair consideration to the interest of communities in or near where the project may be located.

8. **Consultation with Users.** In making a decision to undertake any airport development project under Title 49, United States Code, it has undertaken reasonable consultations with affected parties using the airport at which project is proposed.
9. **Public Hearings.** In projects involving the location of an airport, an airport runway, or a major runway extension, it has afforded the opportunity for public hearings for the purpose of considering the economic, social, and environmental effects of the airport or runway location and its consistency with goals and objectives of such planning as has been carried out by the community and it shall, when requested by the Secretary, submit a copy of the transcript of such hearings to the Secretary. Further, for such projects, it has on its management board either voting representation from the communities where the project is located or has advised the communities that they have the right to petition the Secretary concerning a proposed project.
10. **Air and Water Quality Standards.** In projects involving airport location, a major runway extension, or runway location it will provide for the Governor of the state in which the project is located to certify in writing to the Secretary that the project will be located, designed, constructed, and operated so as to comply with applicable air and water quality standards. In any case where such standards have not been approved and where applicable air and water quality standards have been promulgated by the Administrator of the Environmental Protection Agency, certification shall be obtained from such Administrator. Notice of certification or refusal to certify shall be provided within sixty days after the project application has been received by the Secretary.
11. **Pavement Preventive Maintenance.** With respect to a project approved after January 1, 1995, for the replacement or reconstruction of pavement at the airport, it assures or certifies that it has implemented an effective airport pavement maintenance-management program and it assures that it will use such program for the useful life of any pavement constructed, reconstructed or repaired with Federal financial assistance at the airport. It will provide such reports on pavement condition and pavement management programs as the Secretary determines may be useful.
12. **Terminal Development Prerequisites.** For projects which include terminal development at a public use airport, as defined in Title 49, it has, on the date of submittal of the project grant application, all the safety equipment required for certification of such airport under section 44706 of Title 49, United States Code, and all the security equipment required by rule or regulation, and has provided for access to the passenger enplaning and deplaning area of such airport to passengers enplaning and deplaning from aircraft other than air carrier aircraft.
13. **Accounting System, Audit, and Record Keeping Requirements.**
- a. It shall keep all project accounts and records which fully disclose the amount and disposition by the recipient of the proceeds of the grant, the total cost of the project in connection with which the grant is given or used, and the amount or nature of that portion of the cost of the project supplied by other sources, and such other financial records pertinent to the project. The accounts and records shall be kept in accordance with an accounting system that will facilitate an effective audit in accordance with the Single Audit Act of 1984.
 - b. It shall make available to the Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, for the purpose of audit and examination, any books, documents, papers, and records of the recipient that are pertinent to the grant. The Secretary may require that an appropriate audit be conducted by a recipient. In any case in which an independent audit is made of the accounts of a sponsor relating to the disposition of the proceeds of a grant or relating to the project in connection with which the grant was given or used, it shall file a certified copy of such audit with the Comptroller General of the United States not later than six (6) months following the close of the fiscal year for which the audit was made.
14. **Minimum Wage Rates.** It shall include, in all contracts in excess of \$2,000 for work on any projects funded under the grant agreement which involve labor, provisions establishing minimum rates of wages, to be predetermined by the Secretary of Labor, in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a-276a-5), which contractors shall pay to skilled and unskilled labor, and such minimum rates shall be stated in the invitation for bids and shall be included in proposals or bids for the work.
15. **Veteran's Preference.** It shall include in all contracts for work on any project funded under the grant agreement which involve labor, such provisions as are necessary to insure that, in the employment of labor (except in executive, administrative, and supervisory positions), preference shall be given to Veterans of the Vietnam era and disabled veterans as defined in Section 47112 of Title 49, United States Code. However, this preference shall apply only where the individuals are available and qualified to perform the work to which the employment relates.
16. **Conformity to Plans and Specifications.** It will execute the project subject to plans, specifications, and schedules approved by the Secretary. Such plans, specifications, and schedules shall be submitted to the Secretary prior to commencement of site preparation, construction, or other performance under this grant agreement, and, upon approval of the Secretary, shall be incorporated into this grant agreement. Any modification to the approved plans, specifications, and schedules shall also be subject to approval of the Secretary, and incorporated into the grant agreement.

17. Construction Inspection Approval. It will provide and maintain competent technical supervision at the construction site throughout the project to assure that the work conforms to the plans, specifications, and schedules approved by the Secretary for the project. It shall subject the construction work on any project contained in an approved project application to inspection and approval by the Secretary and such work shall be in accordance with regulations and procedures prescribed by the Secretary. Such regulations and procedures shall require such cost and progress reporting by the sponsor or sponsors of such project as the Secretary shall deem necessary.

18. Planning Projects. In carrying out planning projects:

- a. It will execute the project in accordance with the approved program narrative contained in the project application or with the modifications similarly approved.
- b. It will furnish the Secretary with such periodic reports as required pertaining to the planning project and planning work activities.
- c. It will include in all published material prepared in connection with the planning project a notice that the material was prepared under a grant provided by the United States.
- d. It will make such material available for examination by the public, and agrees that no material prepared with funds under this project shall be subject to copyright in the United States or any other country.
- e. It will give the Secretary unrestricted authority to publish, disclose, distribute, and otherwise use any of the material prepared in connection with this grant.
- f. It will grant the Secretary the right to disapprove the sponsor's employment of specific consultants and their subcontractors to do all or any part of this project as well as the right to disapprove the proposed scope and cost of professional services.
- g. It will grant the Secretary the right to disapprove the use of the sponsor's employees to do all or any part of the project.
- h. It understands and agrees that the Secretary's approval of this project grant or the Secretary's approval of any planning material developed as part of this grant does not constitute or imply any assurance or commitment on the part of the Secretary to approve any pending or future application for a Federal airport grant.

19. Operation and Maintenance.

- a. The airport and all facilities which are necessary to serve the aeronautical users of the airport, other than facilities owned or controlled by the United States, shall be operated at all times in a safe and serviceable condition and in accordance with the minimum standards as may be required or prescribed by applicable Federal, state and local agencies for maintenance and operation. It will not cause or permit any activity or action thereon which would interfere with its use for airport purposes. It will suitably operate and maintain the airport and all facilities thereon or connected therewith, with due regard to climatic and flood conditions. Any proposal to temporarily close the airport for non-aeronautical purposes must first be approved by the Secretary.

In furtherance of this assurance, the sponsor will have in effect arrangements for-

- (1) Operating the airport's aeronautical facilities whenever required;
- (2) Promptly marking and lighting hazards resulting from airport conditions, including temporary conditions; and
- (3) Promptly notifying airmen of any condition affecting aeronautical use of the airport. Nothing contained herein shall be construed to require that the airport be operated for aeronautical use during temporary periods when snow, flood or other climatic conditions interfere with such operation and maintenance. Further, nothing herein shall be construed as requiring the maintenance, repair, restoration, or replacement of any structure or facility which is substantially damaged or destroyed due to an act of God or other condition or circumstance beyond the control of the sponsor.

- b. It will suitably operate and maintain noise compatibility program items that it owns or controls upon which Federal funds have been expended.

20. Hazard Removal and Mitigation. It will take appropriate action to assure that such terminal airspace as is required to protect instrument and visual operations to the airport (including established minimum flight altitudes) will be adequately cleared and protected by removing, lowering, relocating, marking, or lighting or otherwise mitigating existing airport hazards and by preventing the establishment or creation of future airport hazards.

21. Compatible Land Use. It will take appropriate action, to the extent reasonable, including the adoption of zoning laws, to restrict the use of land adjacent to or in the immediate vicinity of the airport to activities and purposes compatible with normal airport operations, including landing and takeoff of aircraft. In addition, if the project is for noise compatibility program implementation, it will not cause or permit any change in land use, within its jurisdiction, that will reduce its compatibility, with respect to the airport, of the noise compatibility program measures upon which Federal funds have been expended.

22. Economic Nondiscrimination.

- a. It will make the airport available as an airport for public use on reasonable terms and without unjust discrimination to all types, kinds and classes of aeronautical activities, including commercial aeronautical activities offering services to the public at the airport.

b. In any agreement, contract, lease, or other arrangement under which a right or privilege at the airport is granted to any person, firm, or corporation to conduct or to engage in any aeronautical activity for furnishing services to the public at the airport, the sponsor will insert and enforce provisions requiring the contractor to-

(1) furnish said services on a reasonable, and not unjustly discriminatory, basis to all users thereof, and

(2) charge reasonable, and not unjustly discriminatory, prices for each unit or service, provided that the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

c. Each fixed-based operator at the airport shall be subject to the same rates, fees, rentals, and other charges as are uniformly applicable to all other fixed-based operators making the same or similar uses of such airport and utilizing the same or similar facilities.

d. Each air carrier using such airport shall have the right to service itself or to use any fixed-based operator that is authorized or permitted by the airport to serve any air carrier at such airport.

e. Each air carrier using such airport (whether as a tenant, nontenant, or subtenant of another air carrier tenant) shall be subject to such nondiscriminatory and substantially comparable rules, regulations, conditions, rates, fees, rentals, and other charges with respect to facilities directly and substantially related to providing air transportation as are applicable to all such air carriers which make similar use of such airport and utilize similar facilities, subject to reasonable classifications such as tenants or nontenants and signatory carriers and nonsignatory carriers. Classification or status as tenant or signatory shall not be unreasonably withheld by any airport provided an air carrier assumes obligations substantially similar to those already imposed on air carriers in such classification or status.

f. It will not exercise or grant any right or privilege which operates to prevent any person, firm, or corporation operating aircraft on the airport from performing any services on its own aircraft with its own employees [including, but not limited to maintenance, repair, and fueling] that it may choose to perform.

g. In the event the sponsor itself exercises any of the rights and privileges referred to in this assurance, the services involved will be provided on the same conditions as would apply to the furnishing of such services by commercial aeronautical service providers authorized by the sponsor under these provisions.

h. The sponsor may establish such reasonable, and not unjustly discriminatory, conditions to be met by all users of the airport as may be necessary for the safe and efficient operation of the airport.

i. The sponsor may prohibit or limit any given type, kind or class of aeronautical use of the airport if such action is necessary for the safe operation of the airport or necessary to serve the civil aviation needs of the public.

23. Exclusive Rights. It will permit no exclusive right for the use of the airport by any person providing, or intending to provide, aeronautical services to the public. For purposes of this paragraph, the providing of the services at an airport by a single fixed-based operator shall not be construed as an exclusive right if both of the following apply:

a. It would be unreasonably costly, burdensome, or impractical for more than one fixed-based operator to provide such services, and

b. If allowing more than one fixed-based operator to provide such services would require the reduction of space leased pursuant to an existing agreement between such single fixed-based operator and such airport.

It further agrees that it will not, either directly or indirectly, grant or permit any person, firm, or corporation, the exclusive right at the airport to conduct any aeronautical activities, including, but not limited to charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales and services, sale of aviation petroleum products whether or not conducted in conjunction with other aeronautical activity, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their direct relationship to the operation of aircraft can be regarded as an aeronautical activity, and that it will terminate any exclusive right to conduct an aeronautical activity now existing at such an airport before the grant of any assistance under Title 49, United States Code.

24. Fee and Rental Structure. It will maintain a fee and rental structure for the facilities and services at the airport which will make the airport as self-sustaining as possible under the circumstances existing at the particular airport, taking into account such factors as the volume of traffic and economy of collection. No part of the Federal share of an airport development, airport planning or noise compatibility project for which a grant is made under Title 49, United States Code, the Airport and Airway Improvement Act of 1982, the Federal Airport Act or the Airport and Airway Development Act of 1970 shall be included in the rate basis in establishing fees, rates, and charges for users of that airport.

25. Airport Revenues.

- a. All revenues generated by the airport and any local taxes on aviation fuel established after December 30, 1987, will be expended by it for the capital or operating costs of the airport; the local airport system; or other local facilities which are owned or operated by the owner or operator of the airport and which are directly and substantially related to the actual air transportation of passengers or property; or for noise mitigation purposes on or off the airport. Provided, however, that if covenants or assurances in debt obligations issued before September 3, 1982, by the owner or operator of the airport, or provisions enacted before September 3, 1982, in governing statutes controlling the owner or operator's financing, provide for the use of the revenues from any of the airport owner or operators facilities, including the airport, to support not only the airport but also the airport owner or operators general debt obligations or other facilities, then this limitation on the use of all revenues generated by the airport (and, in the case of a public airport, local taxes on aviation fuel) shall not apply.
- b. As part of the annual audit required under the Single Audit Act of 1984, the sponsor will direct that the audit will review, and the resulting audit report will provide an opinion concerning, the use of airport revenue and taxes in paragraph (a), and indicating whether funds paid or transferred to the owner or operator are paid or transferred in a manner consistent with Title 49, United States Code and any other applicable provision of law, including any regulation promulgated by the Secretary or Administrator.
- c. Any civil penalties or other sanctions will be imposed for violation of this assurance in accordance with the provisions of Section 47107 of Title 49, United States Code.

26. Reports and Inspections. It will:

- a. submit to the Secretary such annual or special financial and operations reports as the Secretary may reasonably request and make such reports available to the public; make available to the public at reasonable times and places a report of the airport budget in a format prescribed by the Secretary;
- b. for airport development projects, make the airport and all airport records and documents affecting the airport, including deeds, leases, operation and use agreements, regulations and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request;
- c. for noise compatibility program projects, make records and documents relating to the project and continued compliance with the terms, conditions, and assurances of the grant agreement including deeds, leases, agreements, regulations, and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request; and
- d. in a format and time prescribed by the Secretary, provide to the Secretary and make available to the public following each of its fiscal years, an annual report listing in detail:
 - (i) all amounts paid by the airport to any other unit of government and the purposes for which each such payment was made; and
 - (ii) all services and property provided by the airport to other units of government and the amount of compensation received for provision of each such service and property.

27. Use by Government Aircraft. It will make available all of the facilities of the airport developed with Federal financial assistance and all those usable for landing and takeoff of aircraft to the United States for use by Government aircraft in common with other aircraft at all times without charge, except, if the use by Government aircraft is substantial, charge may be made for a reasonable share, proportional to such use, for the cost of operating and maintaining the facilities used. Unless otherwise determined by the Secretary, or otherwise agreed to by the sponsor and the using agency, substantial use of an airport by Government aircraft will be considered to exist when operations of such aircraft are in excess of those which, in the opinion of the Secretary, would unduly interfere with use of the landing areas by other authorized aircraft, or during any calendar month that-

- a. Five (5) or more Government aircraft are regularly based at the airport or on land adjacent thereto; or
- b. The total number of movements (counting each landing as a movement) of Government aircraft is 300 or more, or the gross accumulative weight of Government aircraft using the airport (the total movement of Government aircraft multiplied by gross weights of such aircraft) is in excess of five million pounds.

28. Land for Federal Facilities. It will furnish without cost to the Federal Government for use in connection with any air traffic control or air navigation activities, or weather-reporting and communication activities related to air traffic control, any areas of land or water, or estate therein, or rights in buildings of the sponsor as the Secretary considers necessary or desirable for construction, operation, and maintenance at Federal expense of space or facilities for such purposes. Such areas or any portion thereof will be made available as provided herein within four months after receipt of a written request from the Secretary.

29. Airport Layout Plan.

a. It will keep up to date at all times an airport layout plan of the airport showing (1) boundaries of the airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the sponsor for airport purposes and proposed additions thereto; (2) the location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars and roads), including all proposed extensions and reductions of existing airport facilities; and (3) the location of all existing and proposed nonaviation areas and of all existing improvements thereon. Such airport layout plans and each amendment, revision, or modification thereof, shall be subject to the approval of the Secretary which approval shall be evidenced by the signature of a duly authorized representative of the Secretary on the face of the airport layout plan. The sponsor will not make or permit any changes or alterations in the airport or any of its facilities which are not in conformity with the airport layout plan as approved by the Secretary and which might, in the opinion of the Secretary, adversely affect the safety, utility or efficiency of the airport.

b. If a change or alteration in the airport or the facilities is made which the Secretary determines adversely affects the safety, utility, or efficiency of any federally owned, leased, or funded property on or off the airport and which is not in conformity with the airport layout plan as approved by the Secretary, the owner or operator will, if requested, by the Secretary (1) eliminate such adverse effect in a manner approved by the Secretary; or (2) bear all costs of relocating such property (or replacement thereof to a site acceptable to the Secretary and all costs of restoring such property (or replacement thereof to the level of safety, utility, efficiency, and cost of operation existing before the unapproved change in the airport or its facilities.

30. Civil Rights. It will comply with such rules as are promulgated to assure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or handicap be excluded from participating in any activity conducted with or benefiting from funds received from this grant. This assurance obligates the sponsor for the period during which Federal financial assistance is extended to the program, except where Federal financial assistance is to provide, or is in the form of personal property or real property or interest therein or structures or improvements thereon in which case the assurance obligates the sponsor or any transferee for the longer of the following periods: (a) the period during which the property is used for a purpose for which Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits, or (b) the period during which the sponsor retains ownership or possession of the property.

31. Disposal of Land.

a. For land purchased under a grant for airport noise compatibility purposes, it will dispose of the land, when the land is no longer needed for such purposes, at fair market value, at the earliest practicable time. That portion of the proceeds of such disposition which is proportionate to the United States' share of acquisition of such land will, at the discretion of the Secretary, 1) be paid to the Secretary for deposit in the Trust Fund, or 2) be reinvested in an approved noise compatibility project as prescribed by the Secretary.

b. (1) For land purchased under a grant for airport development purposes (other than noise compatibility), it will, when the land is no longer needed for airport purposes, dispose of such land at fair market value or make available to the Secretary an amount equal to the United States' proportionate share of the fair market value of the land. That portion of the proceeds of such disposition which is proportionate to the United States' share of the cost of acquisition of such land will, (a) upon application to the Secretary, be reinvested in another eligible airport improvement project or projects approved by the Secretary at that airport or within the national airport system, or (b) be paid to the Secretary for deposit in the Trust Fund if no eligible project exists.

(2) Land shall be considered to be needed for airport purposes under this assurance if (a) it may be needed for aeronautical purposes (including runway protection zones) or serve as noise buffer land, and (b) the revenue from interim uses of such land contributes to the financial self-sufficiency of the airport. Further, land purchased with a grant received by an airport operator or owner before December 31, 1987, will be considered to be needed for airport purposes if the Secretary or Federal agency making such grant before December 31, 1987, was notified by the operator or owner of the uses of such land, did not object to such use, and the land continues to be used for that purpose, such use having commenced no later than December 15, 1989.

c. Disposition of such land under (a) or (b) will be subject to the retention or reservation of any interest or right therein necessary to ensure that such land will only be used for purposes which are compatible with noise levels associated with operation of the airport.

32. Engineering and Design Services. It will award each contract, or sub-contract for program management, construction management, planning studies, feasibility studies, architectural services, preliminary engineering, design, engineering, surveying, mapping or related services with respect to the project in the same manner as a contract for architectural and engineering services is negotiated under Title IX of the Federal Property and Administrative Services Act of 1949 or an equivalent qualifications-based requirement prescribed for or by the sponsor of the airport.

33. Foreign Market Restriction. It will not allow funds provided under this grant to be used to fund any project which uses any product or service of a foreign country during the period in which such foreign country is listed by the United States Trade Representative as denying fair and equitable market opportunities for products and suppliers of the United States in procurement and construction.

34. Policies, Standards, and Specifications. It will carry out the project in accordance with policies, standards, and specifications approved by the Secretary including but not limited to the advisory circulars listed in the Current FAA Advisory Circulars for Airport projects, dated - and included in this grant, and in accordance with applicable state policies, standards, and specifications approved by the Secretary.

35. Relocation and Real Property Acquisition. (1) It will be guided in acquiring real property, to the greatest extent practicable under State law, by the land acquisition policies in Subpart B of 49 CFR Part 24 and will pay or reimburse property owners for necessary expenses as specified in Subpart B. (2) It will provide a relocation assistance program offering the services described in Subpart C and fair and reasonable relocation payments and assistance to displaced persons as required in Subpart D and E of 49 CFR Part 24. (3) It will make available within a reasonable period of time prior to displacement, comparable replacement dwellings to displaced persons in accordance with Subpart E of 49 CFR Part 24.

36. Access By Intercity Buses. The airport owner or operator will permit, to the maximum extent practicable, intercity buses or other modes of transportation to have access to the airport, however, it has no obligation to fund special facilities for intercity buses or for other modes of transportation.

37. Disadvantaged Business Enterprises. The recipient shall not discriminate on the basis of race, color, national origin or sex in the award and performance of any DOT-assisted contract or in the administration of its DBE program or the requirements of 49 CFR Part 26. The Recipient shall take all necessary and reasonable steps under 49 CFR Part 26 to ensure non discrimination in the award and administration of DOT-assisted contracts. The recipient's DBE program, as required by 49 CFR Part 26, and as approved by DOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the recipient of its failure to carry out its approved program, the Department may impose sanctions as provided for under Part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801).

STANDARD DOT TITLE VI ASSURANCE

County of Santa Clara, California (hereinafter referred to as the "Sponsor") hereby agrees that as a condition to receiving Federal financial assistance from the Department of Transportation (DOT), it will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d *et seq.*) and all requirements imposed by 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation -- Effectuation of Title VI of the Civil Rights Act of 1964 (hereinafter referred to as the "Regulations") to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance and will immediately take any measures necessary to effectuate this agreement. Without limiting the above general assurance, the Sponsor agrees concerning this grant that:

1. Each "program" and each "facility" (as defined in Sections 21.23[a] and 21.23[b]) will be conducted or operated in compliance with all requirements of the Regulations.
2. It will insert the clauses of Attachment 1 of this assurance in every contract subject to the Act and the Regulations.
3. Where Federal financial assistance is received to construct a facility, or part of a facility, the assurance shall extend to the entire facility and facilities operated in connection therewith.
4. Where Federal financial assistance is in the form of or for the acquisition of real property or an interest in real property, the assurance shall extend to rights to space on, over, or under such property.
5. It will include the appropriate clauses set forth in Attachment 2 of this assurance, as a covenant running with the land, in any future deeds, leases, permits, licenses, and similar agreements entered into by the Sponsor with other parties:
 - (a) for the subsequent transfer of real property acquired or improved with Federal financial assistance under this Project; and
 - (b) for the construction or use of or access to space on, over, or under real property acquired or improved with Federal financial assistance under this Project.
6. This assurance obligates the Sponsor for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of personal property or real property or interest therein or structures or improvements thereon, in which case the assurance obligates the Sponsor or any transferee for the longer of the following periods:
 - (a) the period during which the property is used for a purpose for which Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
 - (b) the period during which the Sponsor retains ownership or possession of the property.
7. It will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he delegates specific authority to give reasonable guarantee that it, other sponsors, subgrantees, contractors, subcontractors, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Act, the Regulations, and this assurance.

8. It agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Act, the Regulations, and this assurance.

THIS ASSURANCE is given in consideration of and for the purpose of obtaining Federal financial assistance for this Project and is binding on its contractors, the Sponsor, subcontractors, transferees, successors in interest and other participants in the Project. The person or persons whose signatures appear below are authorized to sign this assurance on behalf of the Sponsor.

TITLE VI

Page 2 of 2

CONTRACT CONTRACTUAL REQUIREMENTS

ATTACHMENT 1

During the performance of this contract, the contractor, for itself, its assignees and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

1. Compliance with Regulations. The contractor shall comply with the Regulations relative to nondiscrimination in federally assisted programs of the Department of Transportation (hereinafter, "DOT") Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this contract.
2. Nondiscrimination. The contractor, with regard to the work performed by it during the contract, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in appendix B of the Regulations.
3. Solicitations for Subcontracts, Including Procurements of Materials and Equipment. In all solicitations either by competitive bidding or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the contractor of the contractor's obligations under this contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.
4. Information and Reports. The contractor shall provide all information and reports required by the Regulations or directives issued pursuant thereto and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration (FAA) to be pertinent to ascertain compliance with such Regulations, orders, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information, the contractor shall so certify to the sponsor or the FAA, as appropriate, and shall set forth what efforts it has made to obtain the information.
5. Sanctions for Noncompliance. In the event of the contractor's noncompliance with the nondiscrimination provisions of this contract, the sponsor shall impose such contract sanctions as it or the FAA may determine to be appropriate, including, but not limited to:
 - a. Withholding of payments to the contractor under the contract until the contractor complies, and/or
 - b. Cancellation, termination, or suspension of the contract, in whole or in part.
6. Incorporation of Provisions. The contractor shall include the provisions of paragraphs 1 through 5 in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations or directives issued pursuant thereto. The contractor shall take such action with respect to any subcontract or procurement as the sponsor or the FAA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the contractor may request the sponsor to enter into such litigation to protect the interests of the sponsor and, in addition, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

ATTACHMENT 2

The following clauses shall be included in all deeds, licenses, leases, permits, or similar instruments entered into by the Sponsor pursuant to the provisions of Assurances 5(a) and 5(b).

1. The (grantee, licensee, lessee, permittee, etc., as appropriate) for himself, his heirs, personal representatives, successors in interest, and assigns, as part of the consideration hereof, does hereby covenant and agree (in the case of deeds and leases add "as a covenant running with the land") that in the event facilities are constructed, maintained, or otherwise operated on the said property described in this (deed, license, lease, permit, etc.) for a purpose for which a DOT program or activity is extended or for another purpose involving the provision of similar services or benefits, the (grantee, licensee, lessee, permittee, etc.) shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulations may be amended.
2. The (grantee, licensee, lessee, permittee, etc., as appropriate) for himself, his personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree (in the case of deeds and leases add "as a covenant running with the land") that: (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over or under such land and the furnishing of service thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that the (grantee, licensee, lessee, permittee, etc.) shall use the premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulations may be amended.

**CERTIFICATION FOR CONTRACTS, GRANTS, LOANS AND
COOPERATIVE AGREEMENTS**

The undersigned certifies, to the best of his or her knowledge and belief, that:

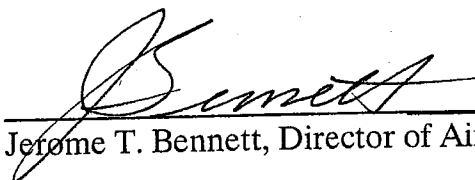

- (1) No Federal-appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- (2) If any funds other than Federal-appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or any employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure of Lobby Activities", in accordance with its instructions.
- (3) The undersigned shall require that the language of this certification be included in the award documents for all subawards that all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

CERTIFICATION REGARDING LOBBYING

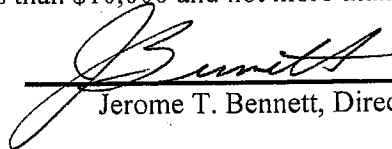

**CERTIFICATION FOR CONTRACTS, GRANTS, LOANS,
AND COOPERATIVE AGREEMENTS**

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal Grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form LLL "Disclosure of Lobby Activities", in accordance with its instructions.
3. The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Sponsor Certification for Selection of Consultants

County of Santa Clara	Reid-Hillview Airport	AIP 3-06-0225-07
Sponsor's Name	Airport	Project Number

Apron/Taxiway Drainage improvements, Apron rehabilitation(144,000S.F.), Access Road Rehabilitation (66,000 S.F.), Security Fence and Gates, Wind Indicators and Segmented Circle, REIL, Pilot Controlled Lighting, Beacon Tower and Electrical Service Rehabilitation.

Project Description

Section 509(d) of the Airport and Airway Improvement Act of 1982, as amended (herein called the Act), authorizes the Secretary to require certification from sponsors that they will comply with statutory and administrative requirements. The following list of certified items includes major requirements for this aspect of project implementation. However, the list is not comprehensive, nor does it relieve sponsors from fully complying with all applicable statutory and administrative standards. Every certified item must be marked. Each certified item with a "no" response must be fully explained in an attachment to this certification. If the item is not applicable to this project, mark the item "N/A". General procurement standards for consultant services within Federal grant programs are described in 49 CFR 18.36. Sponsors may use other qualifications-based procedures provided they are equivalent to specific standards in 49 CFR 18 and Advisory Circular 150/5100-14.

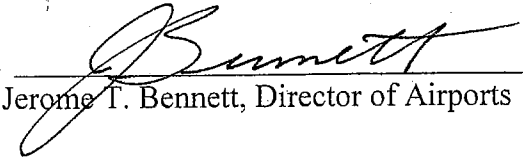

1. Advertisements (were) (will be) placed to ensure fair and open competition from a wide area of interest. Yes No N/A
2. For contracts over \$25,000, consultants (were) (will be) selected using competitive procedures based on qualifications, experience, and disadvantaged business enterprise requirements with the fee determined through negotiation. Yes No N/A
3. An independent cost analysis (was) (will be) performed, and a record of negotiations (has been) (will be) prepared reflecting the considerations involved in the establishment of fees. Yes No N/A
4. If engineering or other services are to be performed by sponsor force account personal, prior approval (was) (will be) obtained from FAA. Yes No N/A
5. The consultant services contracts clearly (establish) (will establish) the scope of work and delineate the division of responsibilities between all parties engaged in carrying out elements of the project. Yes No N/A
6. Costs associated with work ineligible for AIP funding (are) (will be) clearly identified and separated from eligible items. Yes No N/A
7. All mandatory contract provisions for grant -assisted contracts (have been) (will be) included in all consultant services contracts. Yes No N/A

8.If the contract is awarded without competition, pre-award review and approval (was) (will be) obtained from FAA. Yes No N/A

9.Cost-plus-percentage-of-cost methods of contracting prohibited under Federal standards (were not) (will not be) used. Yes No N/A

10.If the services being procured cover more than the single grant project referenced in this certification, the scope of work (was) (will be) specifically described in the advertisement, and future work will not be initiated beyond three years. Yes No N/A

I certify that, for the project identified herein, the responses to the forgoing items are correct as marked, and that the attachments, if any, are correct and complete.

Signed: 
Jerome T. Bennett, Director of Airports

Dated: 4-11-2001

Sponsor Certification for Project Plans and Specifications

County of Santa Clara	Reid-Hillview Airport	AIP 3-06-0225-07
Sponsor's Name	Airport	Project Number

Apron/Taxiway Drainage improvements, Apron rehabilitation(144,000S.F.), Access Road Rehabilitation (66,000 S.F.), Security Fence and Gates, Wind Indicators and Segmented Circle, REIL, Pilot Controlled Lighting, Beacon Tower and Electrical Service Rehabilitation.

Project Description

Section 509(d) of the Airport and Airway Improvement Act of 1982, as amended (herein called the Act), authorizes the Secretary to require certification from sponsors that they will comply with statutory and administrative requirements. The following list of certified items includes major requirements for this aspect of project implementation. However, the list is not comprehensive, nor does it relieve sponsors from fully complying with all applicable statutory and administrative standards. Every certified item must be marked. Each certified item with a "no" response must be fully explained in an attachment to this certification. If the item is not applicable to this project, mark the item "N/A". General AIP standards are described in Advisory Circulars 150/5100-6, 150/5100-15, and 150/5100-16. A list of current advisory circulars with specific standards for design or construction of airports and procurement or installation of airport equipment and facilities is referenced in the Grant Assurances.

1. The plans and specifications (were) (will be) developed in accordance with all applicable Federal standards and requirements, and no deviation from or modification to standards set forth in the advisory circulars (was) (will be) necessary other than those previously approved by FAA. Yes No N/A
2. Specifications for the procurement of equipment (are not) (will not be) proprietary or written so as to restrict competition. At least two manufacturers can meet the specification. Yes No N/A
3. The development (included) (to be included) on the plans is depicted on an Airport Layout Plan approved by FAA. Yes No N/A
4. Development which is ineligible for AIP funding (has been) (will be) omitted from the plans and specifications. Yes No N/A
5. Process control and acceptance tests required for the project by standards contained in Advisory Circular 150/5370-10 (are) (will be) included in the project specifications. Yes No N/A
6. If a value engineering clause is incorporated in to the contract, concurrence (was) (will be) obtained from FAA. Yes No N/A
7. The plans and specifications (incorporate) (will incorporate) applicable requirements and recommendations set forth in the Federally approved environmental finding. Yes No N/A

8. For construction activities within or near aircraft operational areas, the requirements contained in Advisory Circular 150/5370-2 (have been) (will be) discussed with FAA and incorporated into the specifications. A safety/ phasing plan (has been) (will be) prepared, and FAA concurrence (has been) (will be) obtained, if required. Yes No N/A
9. The project (was) (will be) physically completed without Federal participation in costs due to errors or omissions in the plans and specifications which were foreseeable at the time of project design. Yes No N/A

I certify that, for the project identified herein, the responses to the forgoing items are correct as marked, and that the attachments, if any, are correct and complete.

Signed: 
Jerome T. Bennett, Director of Airports

Dated: 4-11-2001

Sponsor Certification for Equipment/Construction Contracts

County of Santa Clara	Reid-Hillview Airport	AIP 3-06-0225-07
Sponsor's Name	Airport	Project Number

Apron/Taxiway Drainage improvements, Apron rehabilitation(144,000S.F.), Access Road Rehabilitation (66,000 S.F.), Security Fence and Gates, Wind Indicators and Segmented Circle, REIL, Pilot Controlled Lighting, Beacon Tower and Electrical Service Rehabilitation.

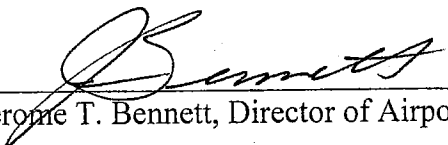

Project Description

Section 509(d) of the Airport and Airway Improvement Act of 1982, as amended (herein called the Act), authorizes the Secretary to require certification from sponsors that they will comply with statutory and administrative requirements. The following list of certified items includes major requirements for this aspect of project implementation. However, the list is not comprehensive, nor does it relieve sponsors from fully complying with all applicable statutory and administrative standards. Every certified item must be marked. Each certified item with a "no" response must be fully explained in an attachment to this certification. If the item is not applicable to this project, mark the item "N/A". Standards for advertising and awarding equipment and construction contracts within Federal grant programs are described in 49 CFR 18.36. Sponsors may use their procurement procedures reflecting State and local laws or regulations provided procurements conform to specific standards in 49 CFR 18 and Advisory Circulars 150/5100-6, 150/5100-15, and 150/5100-16.

1. A code or standard of conduct (is) (will be) in effect governing the performance of the sponsor's officers, employees, or agents in soliciting and awarding procurement contracts. Yes No N/A
2. Qualified personnel (are) (will be) engaged to perform contract administration, engineering supervision, and construction inspection and testing. Yes No N/A
3. The procurement (was) (will be) publicly advertised using the competitive sealed bid method of procurement. Yes No N/A
4. The request for bids clearly and accurately (describes) (will describe) all administrative and other requirements of the equipment and/or services to be provided. Yes No N/A
5. Concurrence (was) (will be) obtained from FAA prior to contract award under any of the following circumstances:
 - Only one qualified person/firm submits a responsive bid.
 - The contract is to be awarded to other than the lowest responsive and responsible bidder
 - Life cycle costing is a factor in selecting the lowest responsive bidder, and Proposed contract prices are more than 10% over the sponsor's cost estimate.
 Yes No N/A
6. All contracts exceeding \$100,000, (require) (will require) a bid guarantee of 5%, a performance bond of 100%, and a payment bond of 100%. Yes No N/A

7. Contracts exceeding \$100,000 (contain) (will contain) provisions or conditions specifying administrative, contractual, and legal remedies, including contract termination, for those instances in which contractors violate or breach contract terms. They also (contain) (will contain) provisions requiring compliance with applicable standards and requirements issued under Section 306 of the Clean Air Act (42 USC 1857(h)), Section 508 of the Clean Water Act (33 USC 1368), Executive Order 11738, and environmental protection regulations (40 CFR Part 15). Yes No N/A
8. All construction contracts involving-labor (contain) (will contain) provisions insuring that in the employment of labor honorably discharged Vietnam era veterans and disabled veterans will be given preference. Yes No N/A
9. All construction contracts exceeding \$2,000 (contain) (will contain) provisions requiring compliance with the Davis-Bacon Act and bid solicitations (contain) (will contain) a copy of the current Federal wage rate determination. Provisions requiring compliance with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 USC 327-330) and the Copeland "Anti-Kick Back" Act (are) (will be) included. Yes No N/A
10. All construction contracts exceeding \$10,000 contain (will contain) appropriate clauses from 41 CFR Part 60 for compliance with Equal Employment Opportunity Executive Order 11246. Yes No N/A
11. All contracts and subcontracts (contain) (will contain) clauses required from Title VI Civil Rights Assurances and 49 CFR 26 for Disadvantaged Business Enterprises. Yes No N/A
12. Appropriate checks (have been) (will be) made to assure that contracts or subcontracts are not awarded to those individuals or firms suspended, debarred, or voluntarily excluded from doing business with any DOT element and appearing on the DOT Unified List. Yes No N/A

I certify that, for the project identified herein, the responses to the forgoing items are correct as marked, and that the attachments, if any, are correct and complete.

Sponsor Certification for Real Property Acquisition

County of Santa Clara	Reid-Hillview Airport	AIP 3-06-0225-07
Sponsor's Name	Airport	Project Number

Apron/Taxiway Drainage improvements, Apron rehabilitation(144,000S.F.), Access Road Rehabilitation (66,000 S.F.), Security Fence and Gates, Wind Indicators and Segmented Circle, REIL, Pilot Controlled Lighting, Beacon Tower and Electrical Service Rehabilitation.

Project Description

Section 509 (d) of the Airport and Airway Improvement Act of 1982, as amended (herein called the Act), authorizes the Secretary to require certification from sponsors that they will comply with statutory and administrative requirements. The following list of certified items includes major requirements for this aspect of project implementation. However, the list is not comprehensive, nor does it relieve sponsors from fully complying with all applicable statutory and administrative standards. Every certified item must be marked. Each certified item with a "no" response must be fully explained in an attachment to this certification. If the item is not applicable to this project, mark the item "N/A" General requirements on real property acquisition and relocation assistance are in 49 CFR 24. The project Grant Agreement contains specific requirements and assurances on the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (Uniform Act).

1. Good and sufficient title (is) (will be) held on the property in the project. The sponsor's attorney or other official (has prepared) (will prepare) and (has) (will have) on file title evidence on the property.

Yes _____ No _____ N/A

2. If defects and/or encumbrances exist in the title which adversely impact the sponsor's intended use of property in the project, they (have been) (will be) extinguished, modified, or subordinated.

Yes _____ No _____ N/A

3. If property for airport development (is) (will be) leased, the term is for 20 years or the useful life of the project. The lessor is a public agency and the lease contains no provisions which prevent full compliance with the grant agreement.

Yes _____ No _____ N/A

4. Property in the project (is) (will be) in conformance with the current Exhibit "A" (property map). The property map is based on deeds, title opinions, land surveys, the approved Airport Layout Plan and project documentation.

Yes _____ No _____ N/A

5. For any acquisition of property interest in noise sensitive approach zones and related areas, property interest (was) (will be) obtained to ensure land is used for purposes compatible with noise levels associated with operation of the airport.

Yes _____ No _____ N/A

6. For any acquisition of property interest in runway protection zones and areas related to FAR Part 77 surfaces, property interest (was) (will be) obtained for the right of flight and right of ingress and egress to remove obstructions. Interest (was) (will be) obtained for the right to restrict the establishment of future obstructions.

Yes _____ No _____ N/A

7.Appraisals (include) (will include) valuation data to estimate the current market value for the property interest acquired on each parcel and (were) (will be) prepared by qualified real estate appraisers hired by the sponsor. An opportunity (was) (will be) provided the property owner or representative to accompany appraisers during inspections. Yes _____ No _____ N/A

8.Each appraisal (has been) (will be) reviewed by a qualified review appraiser to recommend an amount for the offer of just compensation. The written appraisals and review appraisal are available to FAA for review. Yes _____ No _____ N/A

9.A written offer to acquire each parcel (was) (will be) presented to the property owner for not less than the approved amount of just compensation. Yes _____ No _____ N/A

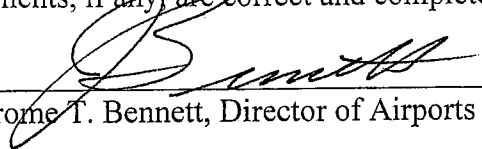

10.Effort (was) (will be) made to acquire each property through negotiation with no coercive action to induce agreement. If negotiation (was) (will be) successful, project files (contain) (will contain) supporting documents for settlements. Yes _____ No _____ N/A

11.If a negotiated settlement is not reached, condemnation (was) (will be) initiated and a court deposit not less than the just compensation (was) (will be) made prior to possession of the property. Project files (contain) (will contain) supporting documents for awards. Yes _____ No _____ N/A

12.If displacement of persons, businesses, farm operations, or nonprofit organizations is involved, a relocation assistance program (was) (will be) established. Displaced persons (received) (will receive) general information on the relocation program in writing, notice of relocation eligibility, and a 90- day notice to vacate. Yes _____ No _____ N/A

13.Relocation assistance services, comparable replacement housing, and payment of necessary relocation expenses (were) (will be) provided within a reasonable time period for each displaced occupant in accordance with the Uniform Act. Yes _____ No _____ N/A

I certify that, for the project identified herein, the responses to the forgoing items are correct as marked, and that the attachments, if any, are correct and complete.

Sponsor Certification for Construction Project Final Acceptance

County of Santa Clara	Reid-Hillview Airport	AIP 3-06-0225-07
Sponsor's Name	Airport	Project Number

Apron/Taxiway Drainage improvements, Apron rehabilitation(144,000S.F.), Access Road Rehabilitation (66,000 S.F.), Security Fence and Gates, Wind Indicators and Segmented Circle, REIL, Pilot Controlled Lighting, Beacon Tower and Electrical Service Rehabilitation.

Project Description:

Section 509(d) of the Airport and Airway Improvement Act of 1982, as amended (herein called the Act), authorizes the Secretary to require certification from sponsors that they will comply with statutory and administrative requirements. The following list of certified items includes major requirements for this aspect of project implementation. However, the list is not comprehensive, nor does it relieve sponsors from fully complying with all applicable statutory and administrative standards. Every certified item must be marked. Each certified item with a "no" response must be fully explained in an attachment to this certification. If the item is not applicable to this project, mark the item "N/A". General requirements for final acceptance and close-out of Federally funded construction projects are in 49 CFR 18.50. The sponsor shall determine that project costs are accurate and proper in accordance with specific requirements of the Grant Agreement and contract documents.

1. The personnel engaged in project administration, engineering supervision, and construction inspection and testing (were) (will be) determined to be qualified and competent to perform the work. Yes No N/A
2. Daily construction records (were) (will be) kept by the resident engineer/construction inspector. These records document work in progress, quality and quantity of materials delivered, test locations and results, instructions provided the contractor, weather, equipment use, labor requirements, safety problems, and changes required. Yes No N/A
3. Weekly payroll records and statements of compliance (were) (will be) submitted by the prime contractor and reviewed by the sponsor for Federal Labor And Civil Rights Requirements (Advisory Circulars 150/5100-6 and 150/5100-15). Yes No N/A
4. Complaints regarding the mandated Federal provisions set forth in the contract documents (have been) (will be) submitted to FAA. Yes No N/A
5. All tests specified in the plans and specifications (were)(will be) performed and the test results documented. A summary of test results (has been) (will be) available to FAA. Yes No N/A
6. For any test results outside allowable tolerances, appropriate corrective actions (were) (will be) taken. Yes No N/A
7. Payments to the contractor (were) (will be) made in compliance with contract provisions and verified by the sponsor's internal audit of contract records kept by the resident engineer. If appropriate, pay reduction factors required by the specifications (were) (will be) applied in computing final payments and a summary of pay reductions (has been) (will be) available to FAA. Yes No N/A
8. The project (was) (will be) accomplished with-out significant deviations, changes, or modifications from the approved plans and specifications, except where approval (was) (will be) obtained from FAA. Yes No N/A

9. A final project inspection (was) (will be) conducted with representatives of the sponsor and the contractor. Project files (contain) (will contain) documentation of the final inspection. Yes No N/A
10. Work in the Grant Agreement (was) (will be) physically completed and corrective actions required as a result of the final inspection (were) (will be) completed to the satisfaction of the sponsor. Yes No N/A
11. The as-built plans and an equipment inventory, if applicable, (have been) (will be) submitted to FAA. If requested, a revised airport layout plan (was) (will be) made available to FAA. Yes No N/A
12. Applicable close-out financial reports (have been) (will be) submitted to FAA. Yes No N/A

I certify that, for the project identified herein, the responses to the forgoing items are correct as marked, and that the attachments, if any, are correct and complete.

Signed: _____

Jerome T. Bennett, Director of Airports
