ARTICLE 8 – HOURS OF WORK, OVERTIME, PREMIUM PAY

County Counter Proposal

Section 8.1 – Hours of Work -Union TA to Section 8.1 and 8.2 on June 26

Eight (8) hours' work shall constitute a full day's work and forty (40) hours work shall constitute a full week's work unless otherwise provided by law, code or other agreement. Workers assigned to an eight (8) hour shift which is shortened to seven (7) hours due to daylight savings time shall be paid for eight (8) hours.

Section 8.2 – Overtime Work

a) Overtime Defined - Workers Covered by the Fair Labor Standards Act (FLSA)

For hospital workers, overtime is defined as time worked beyond eighty (80) hours in any fourteen (14) consecutive day work period, or beyond eight (8) hours in any workday except as mutually agreed upon between the County and the Union. For workers, who do not meet FLSA criteria for different work periods, overtime is defined as time worked beyond forty (40) hours in any seven consecutive day work period or beyond eight (8) or ten (10) hours in any workday (depending on the number of hours in the duty shift to which the worker is assigned). Workers assigned under FLSA to work periods other than seven (7) or fourteen (14) consecutive day work periods, shall have work periods and daily overtime defined accordingly. Time for which pay is received but not worked such as vacation, sick leave, and authorized compensatory time off, will be counted towards the base period. Workers shall not be assigned irregular work hours to avoid the payment of overtime. The County Executive shall determine by administrative order those classes and positions which shall be eligible for overtime work and for cash payment.

The County and Union agree that in any arbitration involving an FLSA non-exempt employee and Section 8.2 the arbitrator shall be strictly bound by U.S. Department of Labor, Wage and Hour Division, Regulations, Bulletins, Regional Opinion Letters and provisions of the Fair Labor Standards Act in reviewing, deciding and rendering a decision. The arbitration award and remedy must be in strict compliance with said Regulations, Bulletins, Regional Opinion Letters and provisions of the FLSA and cannot exceed that which would have been ordered by the DOL, Wage and Hour Division if the dispute had been submitted for their review.

If the Fair Labor Standards Act is determined by the U.S. Supreme Court or Legislation to not apply to state and local government Section 8.2(a) will be deleted and Section 8.2(b) shall apply to all classifications, in addition, Section 8.2(c) will be deleted and Section 8.2(d) shall apply to all classifications.

b) Overtime Defined -Workers Exempt from the FLSA

For hospital workers, overtime is defined as time worked beyond eighty (80) hours in a biweekly pay period, or beyond eight (8) hours in any workday except as mutually

agreed upon between the County and the Union. For all other workers, overtime is defined as time worked beyond forty (40) hours in any workweek or beyond eight (8) or ten (10) hours in any workday (depending on the number of hours in the duty shift to which the worker is assigned). Time for which pay is received but not worked such as vacation, sick leave, and authorized compensatory time off, will be counted towards the base period. Workers shall not be assigned irregular work hours to avoid the payment of overtime. The County Executive shall determine by administrative order those classes and positions which shall be eligible for overtime work and for cash payment.

c) **Rate of Pay -Workers covered by the Fair Labor Standards Act (FLSA)**

When overtime work is assigned and is authorized by an appointing authority to be worked, compensation for such time worked shall be time off with pay computed at the rate of one and one-half (1-1/2) hours off for every hour of overtime worked, except that such overtime work shall be paid in cash at the rate of one and one-half (1-1/2) times the regular hourly rate when specifically authorized by administrative order of the County Executive.

FLSA compensatory time off accruals/balance shall be limited to a maximum of two hundred and forty (240) hours or four hundred and eighty (480) hours for Communication Dispatcher I, II, III, ~~Call Taker, and Complaint Center Dispatcher and Senior Communications Dispatcher.~~

All compensatory time off must be taken within twelve (12) months of the date the overtime was worked. Any balance remaining after twelve (12) months shall be paid in cash at the regular rate. Compensatory time balances shall be paid in cash on separation.

d) **Rate of Pay -Workers Exempt from the FLSA**

When overtime work is assigned and is authorized by an appointing authority to be worked, compensation for such time worked shall be time off with pay computed at the rate of one and one-half (1-1/2) hours off for every hour of overtime worked, except that such overtime work shall be paid in cash at the rate of one and one-half (1-1/2) times the hourly rate of pay when specifically authorized by administrative order of the County Executive.

All compensatory time off must be taken within twelve (12) months of the date the overtime was worked, and failure to take the compensatory time off shall be deemed a waiver of the compensatory time by the worker. In the event the appointing authority does not provide compensatory time off during the mandatory time period, the worker may take compensatory time off as a matter of right immediately before the end of the pay period in which the compensatory time would be lost. Compensatory time balances shall be paid in cash on separation. A worker may elect in advance to receive compensatory time off credit in lieu of cash compensation for overtime where compensatory time off is allowed, if the appointing authority agrees.

f) **Distribution of Overtime**

In the absence of a departmental agreement on the subject, overtime work assignments shall be distributed among workers in the same classification and applicable work unit as equally as practicable, where volunteers exist, volunteers will be utilized first, when possible. Workers shall be provided an additional reimbursement as above for every seven (7) hour period of overtime completed thereafter. If a worker is called into the worker's County worksite (excludes telework worksites) after three (3) hours of his/her scheduled quitting time and if less than two (2) hours prior notice is given and the worker then works four (4) or more hours of overtime, then the County will pay a meal reimbursement of up to fourteen (\$14.00) dollars. Workers authorized meals pursuant to Section 8.4(c) or otherwise provided meals at no cost, are not eligible for meal reimbursement as outlined in this section.
