Re: County's Initial Package Proposal

Dear Ms. Narvaez:

Please find enclosed the County's initial package proposal to SEIU for a successor Master Memorandum of Agreement (MOA).

In an effort to begin the free exchange of ideas, provide context, and focus on the issues most important to the parties, we wanted to highlight areas where the County is not proposing changes. Despite the very substantial, year-over-year increases in cost to the County for these benefits and the fact that the County's provided benefits in these areas are very significant when compared with other public entities:

- The County is not requesting an increase to employee CalPERS pension contribution rates.*
- The County is not requesting a decrease to the 7% Employer Paid Member Contributions (EPMC) for Classic CalPERS members.
- The County is not requesting changes to the employee medical, dental, or vision premiums cost-share formulas.
- The County is not requesting changes to retiree medical benefits.

This package proposal does include several proposals that collectively address important priorities in the Master Agreement for this round of negotiations, some of which are highlighted below:

- Clarification on the process for SEIU Worksite Organizers to request access to County facilities to ensure compliance with federal, state, and County policies as well as minimize disruption to service delivery, to the extent possible. (Please see Article 3, Section 3.4.)

- Change in the definition of a lateral transfer to better align with industry standards. (Please see Article 6.13.)
- General wage increases in each year of the three-year proposed term. In recognition of the value of SEIU-represented employees and the challenges faced by our staff in light of inflation and increased cost of living, the County is proposing general wage increases notwithstanding an increasingly bleak budget picture, the need to close a \$120M structural deficit in next fiscal year's budget, slower property tax growth, and anticipated state and federal budget deficits resulting in significantly reduced revenue for the County. The County is trying to balance each of these considerations, and the strong desire to negotiate a contract that does not create the need for future layoffs if the economic picture continues to worsen as many predict it will. (Please see Article 7.1.)
- Revisions to the timelines to correct paycheck shortage errors and when those timelines apply to more closely align with current practice, provide some relief to payroll staff so they may prioritize more urgent matters, and set realistic expectations for employees. (Please see Article 7.6 (b).)
- Revisions to overtime language to provide more flexibility to utilize paid overtime in lieu of compensatory time to help control overtime costs without reductions in services to the community, as well as utilize paid overtime in areas experiencing staffing shortages, for example, in County Communications where large compensatory time balances which provide for additional paid time off in lieu of additional compensation exacerbate coverage issues that thereby negatively impact other staff. (Please see Article 8, Section 8.2.)
- Clarification to the application of meal reimbursements during certain overtime assignments and excluding reimbursements during overtime performed while teleworking. These proposed changes ensure employee reimbursements occur when an employee is limited in their ability to physically leave their assigned worksite to obtain a meal. (Please see Article 8.4.)
- Modifications to non-contiguous overtime to better align with industry standards, control costs without reducing services to the community or base wages and benefits to employees. (Please see Article 8.8.)
- Additional language that clarifies when Hazard Duty Pay is applicable. (Please see Article 8.16 (b).)
- References to Countywide employment programs are removed so those programs can be addressed through universal County policies. Employment programs such as the

Voluntary Reduced Work Hours are applicable Countywide and as such are more appropriately communicated and accessed through a policy document that is centrally located. This proposed change will also allow changes to be made through the Meet and Confer process if and when changes become necessary to address employee or County concerns or to comply with new rules or regulations that could affect the program, while ensuring employees will have access to the most up to date program information and will eliminate conflicting or out of date information. (Please see Articles 8.13 and 8.18.)

- Modifications to the disbursement of uniform and clothing allowances to ensure compliance with applicable federal and state regulations and to align the provisions of the SEIU MOA with the provisions in other County MOAs. (Please see Article 9.)
- The addition of Juneteenth as a County holiday. (Please see Article 10, Section 10.1.)
- References to federal and/or state laws and regulations, including those related to parental and medical leave, are proposed to be removed from the MOA so those employee rights and benefits can be addressed through universal County policies that are easily updated as employees' rights change under state and federal law. This will ensure less protective, inconsistent, or outdated MOA provisions do not create confusion or in any way limit employees' rights in these areas. Through County policies that can be updated quickly to reflect changes in law, all employees will have access to the most up-to-date information regarding their rights and benefits and will eliminate conflicting or out of date information in the MOA. (Please see Articles 12.7 and 13.1.)
- Modifications to the grievance process to clarify the definition of a grievance and aid the parties in reaching resolutions more quickly at the lowest level possible, as well as reduce confusion as to which process should be followed to address concerns or to resolve a dispute. (Please see Article 19.)
- Clarification to the definition of a "reorganization" and associated timelines for notifications to allow the County to be nimbler in making necessary organizational changes to improve operations and service delivery to our community. (Please see Article 21.)
- Revised language regarding strikes and lockouts to clarify the rights of both employees and the County, consistent with other County MOAs. (Please see Article 26.)
- Addition of a management rights section similar to those contained in current MOAs between SEIU and other public agencies.

Please note, this initial package proposal only addresses the Master Agreement, and certain areas of the Master Agreement as noted are still under assessment. The County's proposals for

Appendices B through M will be provided at those individual negotiation sessions. These include significant, mutually beneficial changes to facilitate more quickly filling vacancies, creating improved pathways to promotion for SEIU-represented staff, and other important changes that will benefit the community, employees, and the County organization.

We look forward to a productive and collaborative negotiation process with you and your team members during which we will discuss these and all other interests and issues raised by both parties.

Sincerely,

Section 5.1 – Seniority Defined

Except as otherwise provided in Sections 5.2, 5.7, 6.9 of this agreement and the side letter agreement regarding Psychiatric Social Workers and Marriage Family Therapists, CCS Therapists and Psychologist classifications, seniority is defined as date of hire within a coded classification with the classified service of the County. For the purpose of computing total time in the worker's classification, the worker will be given credit for all time in any classification, at the same or higher salary level, in which permanent status had formerly been held. Original continuous coded unclassified service shall be counted if permanent status was subsequently attained in a classified classification. Date of hire shall be adjusted for all time on leave without pay which extends beyond one full pay period, but shall not be adjusted for all time on statutory family medical leave, statutory parental leave, worker's compensation leave, leave for Union business and statutory military leave.

Section 5.2 – Transfer of Prior Agency Service

If a function of another agency is transferred to the County, the seniority of workers who transfer with the function shall be computed, based upon application of the definition of Section 5.1, to each worker's prior service with the other agency.

Section 5.3 – Changes to Classes

The County and the Union agree that to the extent possible, workers should not lose their rights under this Article because classes have been revised, established, abolished or retitled.

Section 5.4 – Consideration of Layoff

When the County determines that a layoff is imminent within the bargaining unit, it shall give the Union such advance notice as is reasonable under the circumstances. Such notice shall describe the general areas which may be affected and the circumstances requiring the layoff. Upon request, the Union shall be afforded the opportunity to meet with the County to discuss these matters and any proposed alternatives.

The County shall provide a listing of unclassified positions represented by the Union and shall meet to review the purpose of the position and the feasibility of filling the position with a laid off worker in the same classification.

Section 5.5 – Order of Layoff

When one (1) or more workers performing in the same class in a County Department/Agency are to be laid off, the order of layoff in the affected Department/Agency shall be as follows:

- c) Permanent workers in inverse order of seniority.

Section 5.6 – Notice of Layoff

Workers subject to the provisions of this Article shall be given at least twenty (20) working days written notice prior to the effective date of layoff. The Union shall receive concurrent notice, and upon request, shall be afforded an opportunity to meet with the County to discuss any proposed alternatives. The procedures of Section 5.7 shall be applied prior to the effective date of the layoff.

Section 5.7 – Reassignment in Lieu of Layoff

a) Vacant Code in County

In the event of notice of layoff, any worker so affected will be allowed to transfer to a vacant position the County has determined to be filled in his/her current classification or any classification at the same or lower level in which permanent status had formerly been held. Workers will not be required to transfer to vacant positions formerly held if the level for such vacancy would be lower than the level of any classification to which a worker could exercise displacement rights.

The County shall provide a listing of appropriate vacancies and the affected worker(s) shall select a vacancy for which he/she qualifies under 5.7 (a). The worker(s), along with any workers remaining on re-employment list under Section 5.10 below, shall appear at a time and place designated by the County which shall be approximately ten days after the notice of layoff. The worker on a seniority basis shall be allowed ten minutes for the selection. If a currently employed worker does not appear or does not select a vacancy the County will make the designation; however, a worker shall be allowed to use a duly authorized proxy. Workers on the re-employment lists who do not bid in this process shall be considered to have declined one offer in their existing class.

All appropriate departmental bidding will be suspended during this process, or by mutual agreement, it may be accelerated to facilitate layoff placement for the laid off worker.

b) Displacement

In the event there are no vacancies as listed in (a) the worker shall have the right to be returned to the classification in the Department/Agency at the same or next lower level in which permanent status had formerly been held and the regular layoff procedure in that same or lower level shall apply.

Section 5.8 – Administrative Transfers

a) Administrative Transfer because of Layoff

A worker who is to be administratively transferred because of the layoff of other workers shall at his/her option be allowed to select on a seniority basis an available transfer in the same classification within the department. The County shall provide a listing of the work locations and shifts available for selection. The worker(s) shall appear at a time and place designated by the County. The worker, on a seniority basis, shall be allowed ten (10) minutes for the selection. If the worker does not appear or does not select a vacancy, the County will make the designation;

however, a worker shall be allowed to use a duly authorized proxy.

b) **Administrative Transfer Related to the Deletion of Filled Positions That Do Not Result in Layoffs**

Upon request by Union, where there are adequate vacancies to absorb the deletion of filled positions within a classification, the County will notify workers in the unit affected by the deletion and allow for volunteers to transfer by seniority into such vacancies. If there are volunteers, the County will select volunteers to transfer in order of most seniority. If there are no volunteers, the least senior person(s) in the unit(s) will be transferred outside of the unit(s) and into positions so designated by the County.

The County reserves the right to retain bilingual personnel and the County will provide justification to demonstrate the operational need for the bilingual services.

Upon request, the County will meet and confer with SEIU on the definition of a unit. Should the County and SEIU fail to reach agreement, the County reserves the right to take necessary action by Management direction.

Section 5.9 – Layoff

a) **Layoff**

In the event that a worker is not reassigned in lieu of layoff as in Section 5.7, or placed in another County position as in Section 5.9(b), the worker shall be laid off. If a worker elects not to exercise the rights in Section 5.7(b), or does not accept placement under Section 5.9(b), he/she may be deemed to have been offered and to have declined such work.

b) **Inplacement**

If a worker has been issued a layoff notice pursuant to Section 5.6 and has no reassignment in lieu of layoff rights pursuant to Section 5.7(a) or (b), then that worker shall be considered for inplacement. Only those workers who have achieved permanent status within any classification in the County are eligible for inplacement.

Inplacement is an offer of transfer (within specific wage bands) or demotion to a worker with a layoff notice into a vacant position which the County intends to fill during the layoff notice period.

The following conditions apply to the inplacement process:

1. A worker must be qualified to transfer or demote. The Personnel Director shall determine qualifications.
 - a. Testing requirements will be the same as if the worker had been reclassified.

- b. In determining qualifications and possible positions, transfers and demotions to both related and non-related classes may be considered.
2. Transfer will be deemed a "lateral transfer" if movement from one class to another does not exceed an upward salary change of 15% (fifteen percent).
3. Normal transfer (ordinance code) rules apply. Workers placed into new classifications shall be placed on probationary status. If a worker has underlying permanent status the probationary period following the transfer shall be considered a subsequent probation. Consistent with this status, the worker on a subsequent probation with underlying permanent status, has Personnel Board appeal rights.
4. The worker may express a preference for certain occupational fields, assignments or departments. However, the worker has no right to claim any position nor is the County required to offer placement.
5. A position shall not be considered "vacant" for inplacement purposes if the position has been identified as claimable under Section 5.7(a), or (b) by another worker who has been issued a layoff notice under Section 5.6 or by worker on a re-employment list established pursuant to Section 5.10.
6. A worker who is placed under Section 5.9(b) or laid off under Section 5.9(a) shall have his/her name placed on all re-employment lists pursuant to Section 5.10 for the appropriate classification.
7. In determining placement offers, the Union and the County, on a case by case basis, may by mutual agreement include as part of the placement offer:
 - a. basic skill competency training and/or;
 - b. literacy training and/or;
 - c. other methods (other than transfer or demotion) of filling vacant positions that do not violate Merit System principles or County Ordinance Code provisions.
8. All inplacement offers must be made and accepted or rejected prior to the effective date of the layoff notice. Time permitting, the Personnel Department may assist workers on the re-employment list in addition to those workers with layoff notices. Such workers shall be entitled to all provisions of this Agreement.

9. If a worker is not placed by the effective date of the layoff notice, he/she shall be laid off under the provisions of the layoff notice.

Section 5.10 – Re-employment List

- a) The names of such probationary workers with underlying permanent status and permanent workers reassigned or laid off in accordance with Sections 5.5, 5.7(b), or 5.9 of this Article shall be entered upon a re-employment list in inverse order as specified under Section 5.5 except as otherwise provided by this Section. Upon certification of the re-employment list to the appointing authority, the person standing highest on a re-employment list for a particular classification when a vacancy exists in that classification in any department/agency shall be offered the appointment. Workers on re-employment lists shall retain the right to take promotional exams and/or receive promotional preference on exams. The re-employment lists shall take precedence over all other methods of appointment.

Upon request by either party and with mutual agreement, vacancies may be filled by internal departmental bidding to allow workers to select a certain position within their classification (including shift), and the remaining vacancy will be filled by the re-employment list.

- b) When required by the needs of the department and approved by the Director of Personnel, selective certification may be utilized to re-employ workers with any of the following: 1) bilingual, 2) steno skill, 3) Rehabilitation Counselors who possess certification in one or more of the core areas of Health Realization or 4) particular abilities, knowledge or traits that were required, and for which a selective certification or recruitment process was utilized, when the position was last filled.

The County will provide available records to the union, of the particular abilities, knowledge, or traits that were used in the selective certification or recruitment process at the time the position was last filled. The County will provide justification to demonstrate the operational need for those particular abilities, knowledge or traits to be used in the selective re-employment process.

- c) **Seniority Accrued for Ranking on Re-employment List:** If a less senior worker is recalled due to a selective certification in accordance with Section 5.10(b) and if in that process a worker with more seniority is bypassed, then the more senior worker who remains on the re-employment list shall continue to accrue seniority for the purposes of rank on the re-employment list when subsequent layoff cause the merging of re-employment lists. Workers bypassed shall remain on the re-employment list and continue to accrue seniority until re-employed in the same classification provided the worker has not declined 2 offers of re-employment in accordance with Section 5.12.
- d) While active on a re-employment list, workers are eligible to transfer to positions from the classification the worker was laid off from and that such positions are within the transfer band.

Section 5.11 – Temporary Work for Laid Off Workers

Interested workers who are placed upon the re-employment list due to layoff and who elect to be available for temporary work shall be given preference for such work for any classification for which they qualify. The election to be available for temporary work may be made at the time of layoff, or in writing at any time. Workers may decline to be available for temporary work or may decline such work itself without affecting any rights under this Article.

Section 5.12 – Names Dropped from Re-employment List

- a) No name shall be carried on a re-employment list for a period longer than three (3) years, and the names of persons re-employed in a permanent position within the same classification shall, upon such re-employment, be dropped from the list. Refusal to accept one of two offers of re-employment within the same classification shall cause the name of the person to be dropped from that re-employment list.
- b) Workers who were laid off from part-time positions shall be offered full-time employment, and workers laid off from full-time positions shall be offered part-time positions. However, a worker's refusal to accept such an offer with more or fewer hours than the position they left will not be counted as a refusal of an offer of employment in Section 5.12(a) above.

Section 5.13 – Rights Restored

Upon re-employment of a worker from a re-employment list, all rights acquired by a worker prior to his/her placement on such list shall be restored, including the restoration of sick leave, if any, in accordance with Section 12.2 (e).

ARTICLE 6 – PERSONNEL ACTION

Section 6.1 – Initial and Subsequent Probationary Periods

- a) Each new worker shall serve a probationary period of nineteen (19) complete pay periods unless otherwise indicated in the appendices when it shall be twenty-five (25) complete pay periods or 12 months as denoted. Workers who have attained permanent status in a classification and have been appointed to a new classification by appointment from an eligible list or by means of transfer shall serve a subsequent probationary period of 6 months, as outlined in County ordinance, Section A25-191, which shall be counted as thirteen (13) complete pay periods, unless otherwise noted in the appendices. An incomplete pay period served on initial or subsequent probationary appointment shall not be counted as complete pay periods. Upon successful completion of the probationary period, the worker shall be deemed a permanent worker in the classification for which they served the probationary period. A leave of absence without pay shall not be credited toward completion of the worker's probationary period. The parties agree that probationary workers in a classification covered by this Agreement shall have all rights in this Agreement, unless otherwise specified, including full and complete access to the grievance procedure set forth in this Agreement. Consistent with County Charter Section 704(e), probationary workers serving an initial probationary period may not appeal to the Personnel Board, suspensions, demotions, or dismissals. Consistent with 19.1 (b) (2) of this Agreement, probationary workers may not grieve probationary release.
- b) Classified probationary workers and unclassified workers who have not completed a period equal to the probationary period for a comparable classified position shall have the right to request and receive Department/Agency administrative review of disciplinary action taken during the applicable probationary period. Such review must be requested in writing within ten (10) working days of the disciplinary action or it is waived. The department/agency head, or his/her designated representative, shall hear and make a decision in writing which he/she shall issue within sixty (60) business days. The sixty (60) business day period shall not commence until all investigations, administrative proceedings, and litigation related to the worker's employment, as well as discussions between the County and Union about potential resolutions, have concluded. Failure by the County to comply with the sixty (60) business day period shall not result in or serve as a basis for the County being required to reinstate the worker.

Notice of disciplinary action must be served on the worker in person or by certified mail prior to the disciplinary action becoming effective. Notice shall be included in worker's personnel file and a copy sent to the Union and designated Chief Steward, and shall include:

1. Statement of the nature of the disciplinary action.
2. Effective date of the action.
3. Statement of the cause thereof.

4. Statement in ordinary and concise language of the act or omissions upon which the causes are based.
5. Statement advising the worker of the right to an administrative review of such action and the right to Union representation.

Such worker shall be given five (5) days' notice of discharge, or demotion, or five (5) days pay, except where circumstances require immediate action.

- d) A worker with underlying permanent status, who is serving a subsequent probationary period, and who is released during the probationary period, shall retain the right to appeal such release to the Personnel Board and the right to return to his/her former class in accordance with Section 6.10. Such worker shall receive a ten (10) working day notice of release except where circumstances require immediate action.

Section 6.2 – Administrative Investigation

a) Employee's Rights During Administrative Investigation:

Upon request, an employee has a right to have a representative present at an investigatory meeting with the employer where it is reasonably likely that disciplinary action against that worker may result.

A worker has the right to know the purpose of a meeting with a supervisor, manager, and/or investigator. If asked, the supervisor, manager, and/or investigator must reveal any intent to conduct an investigatory meeting that might lead to discipline of the worker asking, and give that worker sufficient time to secure representation for such meeting. The worker may not unreasonably postpone the meeting to schedule a particular representative but may have to accept the presence of the steward, or union worksite organizer or other representative who can be available within a reasonable period of time.

Regarding any investigatory meeting with a worker that may lead to discipline of that worker, the County shall permit a steward, worksite organizer, or representative to be present to assist during such meeting. The representative and worker may confer during breaks, which the investigator shall not unreasonably deny.

Requesting and securing representation is the responsibility of the worker. Supervisors, ~~Managers~~, and/or ~~Investigators~~ shall not be involved in the selection of a steward, union worksite organizer or other representative.

b) **Employee Rights During Internal Affairs Investigations:**

1. Internal Affairs (IA) will include in its administrative admonishment to a non-peace officer employee who is the subject of the investigation the following, if applicable:
 - The interview will be recorded and the employee will have the right to bring his/her own recording device.
 - The employee will have access to the audio recording of his/her interview if any disciplinary action is contemplated or prior to any further questioning at a subsequent time.
2. When IA is directing the witness not to discuss the investigation directly or indirectly with any other person, the administrative admonishment will include the following:
 - After the witness has been interviewed and IA has concluded its interview of the witness, the witness may speak to the representative of the employee who is the subject of the investigation.

c) **Authority of Investigator**

In a County investigation, the County's supervisor, manager, and/or investigator has the authority to direct any worker to fully participate or cooperate in that investigation, including to provide complete and truthful responses to questions.

Section 6.3 – Philosophy on Discipline

The intent of progressive discipline is to be corrective in nature and allows for a worker to correct behavior. Ordinarily, the County will use progressive discipline in correcting the behavior of a worker. However, the circumstances of each case dictate the appropriate progressive disciplinary response, and the County reserves the right to skip one or all levels of progressive discipline in appropriate circumstances. The County and the Union agree that the level of discipline recommended for any instance of discipline should take into account the nature and seriousness of the offense as well as the employee's record.

Coaching, mentoring, verbal counseling or written counseling will identify the expectations of the worker, or identify the issue to be corrected, and give guidance on how to correct the issue and provide for a reasonable period for the worker to make the correction. Coaching and mentoring through the progressive discipline philosophy are not considered discipline nor are they grievable.

Job expectations and/or objectives will be provided to probationary workers. Work performance and behaviors will be evaluated during a worker's probationary period.

Philosophy on discipline shall be excluded from consideration under the grievance procedure outlined Section 19.1.

Section 6.4 – Counseling and Unfavorable Reports

a) **Counseling**

In the event that a worker's performance or conduct is unsatisfactory or needs improvement, informal verbal or written counseling shall be provided by the worker's lead or first-line supervisor. Counseling should normally be separate from on-going worksite dialogue and should address performance or conduct which, if not improved, may eventually result in further disciplinary action. Documentation of such counseling shall be given to the worker at the time of the counseling and will not be placed in the worker's personnel file. The County shall attempt to use counseling first, prior to any unfavorable reports being issued, when the situation warrants only a counseling. Counseling should normally take place between the worker and the lead or first-line supervisor only. Should the supervisor or lead be assisted during the counseling, the worker shall have the right to have his/her representative present.

No written counseling and or documentation of verbal counseling shall be used for discipline provided no related personnel action was taken within eighteen (18) months of date of issuance.

Personnel action constitutes any action taken under any one of the following Sections 6.1, 6.4, 6.5, 6.6, 6.7.

b) Unfavorable Reports on Performance or Conduct

If upon such counseling a worker's performance or conduct does not improve and disciplinary action could result, a written report shall be prepared by the supervisor including specific suggestions for corrective action, when the situation allows. A copy shall be given to the worker and a copy filed in his/her personnel file. No unfavorable reports shall be placed in a worker's file unless such report is made within fifteen (15) working days of the County's knowledge of the occurrence or incident which is the subject of this report. The counting of the fifteen (15) working days shall begin at the conclusion of an investigation. Workers shall have the right to grieve the factual content and timeliness of such reports and/or attach a written response to the report for inclusion in their personnel file.

Section 6.6 – Notice of Final Disciplinary Action - Permanent Classified

The County may take disciplinary action for cause against any permanent classified worker by suspension, demotion or discharge by notifying the worker in writing. Notice of final disciplinary action shall be served on the worker in person or by certified mail prior to the disciplinary action becoming effective. The notice shall be included in the worker's personnel file. Copies shall be delivered to the Union and the designated Chief Steward in person or by regular mail and shall include:

Such grievance shall comply in all respects with Article 19 of this contract.

In cases where this procedure is used by a person who has had a break in service of one (1) year or more from the former classification, the salary step in the new range shall be determined under the provisions of Article 7, Section 7.3.

Section 6.9 – Unclassified Appointment

No worker, while holding a position in the Unclassified Service, shall be assigned to or occupy any classified position covered by this Agreement except as provided for under County ordinance section A25-640. These include the right to participate in promotional examinations and the right to return to his/her former class if released while in such status. All such service shall count toward seniority credits in the worker's former class in the event the layoff procedure is involved.

Any permanent worker who receives a provisional promotion, or who is transferred or promoted to a position in the unclassified service, the duration of which is known to be for less than six (6) months, shall be considered to be on leave from his/her permanent

position and departments are authorized to make substitute appointments to such vacated positions.

Section 6.11 – Performance Appraisal Program

The County shall maintain a personnel file for each worker. The department may also maintain a personnel file for each worker. Workers shall have the right to review both of their personnel files or authorize review by their representative. No adverse material will be inserted into the worker's personnel files without prior notice to the worker. Workers may cause to be placed in their personnel files responses to adverse material inserted therein and a reasonable amount of correspondence originating from other sources directly related to their job performance.

Notices of Recommended Disciplinary Actions including any attachments or disciplinary actions overturned on appeal shall not be retained in a worker's personnel file.

If a worker was moved to a lower classification due to his/her prior class being eliminated, abolished or a worker is laid off from his/her position and was placed on a re-employment list, the transfer band shall be calculated step to step, e.g., step one of the prior classification to step one of the new classification or step five of the prior classification to step five of the new classification. When determining the difference between classifications by using equivalent step to step, the actual step used to calculate the transfer band shall be the step that provides the worker the most benefit. Transfers under this provision may be made for a period of eight years from date of movement to the lower classification.

Section 6.14 – Administrative Transfers County is reviewing and may propose changes

During the month of November, the Union may request an informal meeting with the Office of Labor Relations regarding requests for varying work hour schedules such as 4-10 or 9-80 which would be beneficial to the community or the program, as well as to the worker, and would be cost effective for the County. At such meeting, the parties shall exchange information and shift schedules. To the extent possible, they will jointly analyze the feasibility of the request. The County ~~shall~~ may maintain a teleworking program for workers in SEIU 521 represented classifications, consistent with the County's Telework policy. The County shall provide training for supervisors and workers who meet the criteria for participating in the program.

~~The Union shall have the right to meet and confer over any proposed changes to the telework program.~~

b) ~~Eligibility for telework~~

~~Eligibility is based on many criteria, and many job classifications and associated job responsibilities may not be conducive to teleworking. The following requirements are presented to help the employee and supervisor determine if teleworking is feasible. Additionally, a change in job duties and assignments, such~~

as being assigned to work out of class, being assigned to a new project, or covering for coworkers who are out on vacation or leave, may affect eligibility. For this reason, it is the supervisor's responsibility to periodically assess the teleworking arrangement with the employee to address any change in eligibility.

Meeting any eligibility requirement does not guarantee approval to telework. Approval is given on a case by case basis; however, for approval to be given, an employee must meet all requirements.

Criteria for an employee to telework include:

- Full or part time status
- Permanent status (no original probationary status); others on exception basis only, subject to approval by department head
- Classified or unclassified position
- Employee is in compliance with County merit system rules, regulations or policies, and/or department rules and policies
- Demonstrated job performance to be able to work independently as determined by the immediate supervisor
- Job performance meets or exceeds expectations
- Employee's telework consists of the employee's regular work responsibilities, including call back and on-call duties
- Employee's job duties allow him/her to be away from the County work site for a period of time during the work week
- Teleworking does not impede other workers from performing their job duties
- No reduction of service to internal and external customers and clients
- Employee and supervisor agree in writing on a teleworking arrangement, which is approved in writing by the department head or designee.
- Employee has access to required supplies and equipment to telework and has an acceptable workspace and environment to effectively work at home.

In addition to meeting these eligibility requirements, the following items are required before allowing an employee to telework:

- Telework Request and Approval Form is completed and approved

• ~~Telework Agreement/Assignment Form is completed and approved~~

- c) Teleworking is a management option, not an entitlement. Any telework agreement may be revoked or modified by the Department at any time for any reason. This section is not subject to the grievance procedure.

A final determination and shoe reimbursement shall be in accordance with Section 9.3(d) and within 120 days.

ARTICLE 11 - VACATIONS

Section 11.1 – Vacation Earnings

Each worker shall be entitled to annual paid vacation. Vacation is earned on an hourly basis. For purposes of this Article, a day is defined as eight (8) work hours. During the first year (261 days), vacation shall be computed at the rate of ten (10) working days per year. Beginning with the second year (262nd day) of continuous service, vacation shall be computed at the rate of twelve (12) working days per year. Beginning with the fifth year (1,045th day) of continuous service, vacation shall be computed at the rate of sixteen (16) working days per year. Beginning with the tenth year (2,350th day) of continuous service, vacation shall be computed at the rate of eighteen (18) working days per year. Beginning with the fifteenth year (3,655th day) of continuous service, vacation shall be computed at the rate of twenty (20) working days per year. Beginning with the twentieth year (4,960th day) of continuous service, vacation shall be computed at the rate of twenty-two (22) working days per year.

a) **Time for Vacations**

In the absence of a departmental seniority agreement, the time for vacation shall be determined by the appointing authority after due consideration of worker convenience and administrative requirements. Requests for time off shall be approved/denied within twenty (20) calendar days of initial request. Requests for time off shall not be unreasonably denied.

b) **Vacation Accrual**

Any vacation accrued during a one-year period (26 pay periods) should be taken by the worker during the following one-year period.

c) **Vacation Carry-over**

In the event the worker does not take all the vacation to which he/she is entitled in the succeeding twenty-six (26) pay periods, he/she shall be allowed to carry over the unused portion, provided that he/she shall not accumulate more than three (3) years' vacation earnings except:

1. When absent on full salary due to work-related compensation injury which prevents his/her reducing his/her credits to the maximum allowable amount, or
2. In the case of inability to take vacation because of extreme emergency such as fire, flood or other similar disaster, an additional accumulation may be approved by the County Executive and the Director of Personnel.

d) **Vacation Balance**

In the event the appointing authority does not provide vacation for a worker sufficient to reduce his/her accumulated vacation balance to the amount permitted (three years' earnings), the worker may take vacation as a matter of right immediately before the end of the pay period in which vacation could be lost, not to exceed one (1) year's earnings. The balance of the worker's accumulated vacation shall remain to his/her credit.

e) **Vacation Payoff**

A person who terminates employment shall be paid the monetary value of the earned vacation as of the actual date of termination of employment.

Section 11.2 – Birthday Holiday

There shall be an additional day of vacation credited to a worker's vacation leave bank at the same time as the annual crediting of personal business/belief days which will normally be taken on the worker's birthday. The parties agree that an alternate day may be determined by the appointing authority after due consideration of worker convenience and administrative requirements.

ARTICLE 12 – LEAVE PROVISIONS

Section 12.1 – Personal Business/Belief Day

a) **Scheduling**

Workers shall be credited with four (4) days personal leave on the first day of the fourteenth (14th) pay period of every payroll calendar year and must use such leave on or before the last day of the thirteenth (13th) pay period of the subsequent payroll calendar year. Such leave may be used by a worker for any lawful purpose he/she desires; provided such leave must be scheduled in advance with the appointing authority except in cases of bona fide emergency. This benefit shall be prorated for part-time workers and for workers hired after the date the personal leave has been credited.

In the absence of a departmental seniority agreement, the time for Personal Business/Belief Day shall be determined by the appointing authority after due consideration of worker convenience and administrative requirements. Requests for time off shall not be unreasonably denied.

b) **Use**

At the worker's reasonable advance request, up to one (1) of the worker's accrued but unused personal leave days shall be scheduled either before or after Christmas, or New Year's except where staffing needs require otherwise. If a worker is assigned and works on Thanksgiving Day or the Friday after Thanksgiving, the worker shall have first preference for use of accrued but unused personal leave on the day before or the day after either Christmas or New Year's. "Preference" and "staffing needs" as used in this paragraph relate to the worker's work assignment and/or area.

Section 12.2 – Sick Leave

a) **Rate of Accrual**

Each worker shall be entitled to sick leave accruals. Such leave shall be earned on an hourly basis and computed at the rate of ninety-six (96) hours per year. Such sick leave must be approved by the appointing authority when scheduled in advance.

b) **Doctors' Notes**

Request for sick leave with pay in excess of three (3) working days must be supported by a statement from a licensed medical practitioner who is eligible for third party reimbursement. The appointing authority may require such a supporting statement for absences less than three (3) days when there is reasonable cause of misuse.

If a doctor's note requirement is placed upon a worker for more than ninety (90) calendar days, a written notice shall be provided to the worker outlining the duration of the doctor's note requirement and any follow-up activities. Prior to this requirement there must be an established pattern of sick leave misuse.

c) **Sick Leave Accrual**

Unused sick leave time may be accrued without limitation.

d) **Sick Leave Used for Care of Immediate Family**

A worker will be entitled to use up to nine (9) days of his/her annual accrued leave in order that he/she may care for a sick or injured member of his/her immediate family requiring his/her care, or in order that he/she may obtain medical consultation to preserve his/her health. "Immediate family" shall mean the father, mother, grandmother, or grandfather of the worker or of the spouse or of the registered domestic partner of the worker and the spouse, son, son-in-law, daughter, daughter-in-law, brother or sister of the worker or any person living in the immediate household of the worker.

e) **Day Defined/Sick Leave Payoff**

For purposes of this paragraph, a day is defined as eight (8) work hours. Upon death or retirement, up to sixty (60) days of accrued sick leave shall be paid off at a rate of fifty percent (50%) of the equivalent cash value. All accrued balances beyond sixty (60) days shall be paid off at the rate of twelve and one-half percent (12 1/2%) of the accrued cash value (one hour's pay for one day of accrual). Upon resignation in good standing, workers with ten (10) or more years' service shall be paid up to sixty (60) days of accrued sick leave at the rate of twenty-five percent (25%) of the equivalent cash value. All accrued balances beyond sixty (60) days will be paid off at the rate of twelve and one-half percent (12 1/2%) of the accrued cash value. Workers terminated for cause shall not be entitled to sick leave pay off. All other rights to sick leave with pay of a worker shall be cancelled upon his/her separation from the County; provided, however, if a worker resigns or is separated on a layoff and is reinstated or re-employed within one (1) year from the date of resignation or two (2) years from the date of layoff, such worker's right, if any, to sick leave with pay shall be restored to him/her. At the worker's option, he/she may convert accrued but unused sick leave at retirement to credit one (1) month of worker's medical premium for each day of sick leave accrued.

f) **Reinstatement Pay Back**

Workers receiving a sick leave pay off in accordance with section (e) above may, if reinstated within one (1) year, repay the full amount of sick leave payoff received and have her/his former sick leave balances restored. Repayment in full must be made prior to reinstatement.

g) **Vacation Illness Conversion**

If a worker on vacation becomes ill, he/she may convert vacation time to sick leave with pay. The conversion must be supported by a statement from a healthcare provider.

h) **Exhaustion of Sick Leave**

When a worker has exhausted all accumulated sick leave and compensatory time, he/she shall have the option of using vacation time or leave without pay for absences due to illness. The worker must notify the department of worker's option

prior to payroll action, otherwise vacation time will be used. When requested by the worker, Management will restore vacation by making the appropriate payroll adjustment in the next payroll period. This option shall not be available to any County worker where Federal law prohibits leave without pay.

Section 12.3 – Fitness for Duty Examination

If any non-probationary worker is required by the appointing authority to take a fitness for duty examination not connected with pre-existing or existing industrial injury to determine if he/she is incapacitated for work, the following provisions will apply and will be given to the worker in writing:

- a) Before making a decision, the physician designated by the appointing authority will consult with the worker's identified health care providers, if any, and will advise him/her of this procedure.
- b) If the worker's identified health care provider(s) agrees with the decision of the physician designated by the appointing authority, the decision is final.
- c) If the health care providers disagree, and the worker so requests, they will select a health care provider to serve as a third party opinion whose determination will be final.

If a third-party health care provider is not chosen within six (6) months from the date upon which the County's Fitness for Duty assessment was issued, the County's assessment becomes final.

If a third-party Fitness for Duty assessment has not been completed within one (1) year from the date upon which the County's Fitness for Duty assessment is issued, the County's assessment becomes final.

Cost for such examination by the selected physician will be paid by the appointing authority.

- d) If the County requires the worker to leave work during this period, the worker will be placed on paid leave pending the result of the fitness for duty examination without the requirement to use any leave balances. The worker shall not be entitled to paid leave if he/she refuses to comply with the physician's examination requirements during the fitness for duty process or does not remain available to report to work during their normal scheduled shift. A worker may request to use leave banks if he/she is not available for duty during their normally scheduled shift.

Section 12.4 – Use of Paid Administrative Leave during an Administrative Investigation

Investigations that may lead to discipline shall be conducted in an efficient, timely fashion so as to not create undue hardship on workers or County. When such an investigation

involves placing a worker on Administrative Leave, the County shall provide an update on the status of the investigation to the Union no less than one (1) time per month while the worker remains on leave.

Section 12.5 – Military Leave

a) Governing Provision

The provisions of the Military and Veterans Code of the State of California and the County ordinance code shall govern the military leave of workers of the County of Santa Clara.

b) Physical Examination

Any regular or provisional worker shall be allowed time off with no loss in pay for the time required to receive a physical examination or re-examination as ordered by provisions of a national conscription act or by any branch of the National or State military services.

Section 12.6 – Leaves of Absences

a) Reasons Granted

Leaves of absence may be granted to workers for up to one (1) year. Extensions to leaves approved for less than one (1) year shall not unreasonably be denied provided adequate advance notice is given. If a worker wishes to return to work early from a leave of absence, he/she shall provide reasonable advance notice to the appointing authority. Leaves beyond one (1) year may be granted due to unusual or special circumstances. The following are approved reasons for such leave:

1. Illness beyond that covered by sick leave.
2. Education or training which will benefit the County.
3. Other personal reasons which do not cause inconvenience on the department.

b) Leave for Union Business

Upon thirty (30) days advance notice to the Office of Labor Relations and the appointing authority, the County shall grant workers leave pursuant to Government Code section 3558.8 to serve as stewards or officers of the Union for a period of up to one (1) year. The Union shall reimburse the County for all compensation and benefits paid to the worker on leave. Such payment shall be made to the County on or before thirty (30) days after receipt of the County's certification of payment of compensation to the worker.

No more than twelve (12) workers shall be granted a leave at any one time. A leave may only be denied if:

1. The notice requirement is not met.

2. The number of workers on leave has reached the maximum of twelve (12).
3. The worker has specialized skills and abilities which are necessary and could not be replaced.

Confirmation of denial or granting of the leave shall be provided to the Union.

With notice no less than thirty (30) days prior to the conclusion of the leave, such leave may be extended up to one (1) year upon approval of the appointing authority.

c) **Revocation**

A leave may be revoked by the Director of Personnel upon evidence that the cause for granting it was misrepresented or has ceased to exist.

d) **Vacation Leave Without Pay Option**

A worker must receive prior approval from his/her supervisor to use leave without pay for an authorized vacation absence. The department may assign leave without pay for an unauthorized absence. When the authorized absence is less than a pay period and when requested by the worker, management may restore vacation by making the appropriate payroll adjustment in the payroll period following worker's request. This option shall not be available to any County worker where Federal law prohibits leave without pay.

Section 12.7 – Other Family Leave

Paid and/or unpaid leaves of absence may be granted by the County as designated in the County Leave of Absence Policy. The Leave of Absence Policy provides information related to paid and/or unpaid leaves of absence, including leaves provided by Federal or State law, and provides eligibility requirements, guidelines and procedures for paid and/or unpaid leaves of absence. Leaves provided by Federal or State law are not subject to the grievance procedure of this agreement.

a) **Parental Leave**

1. **Length**

Upon request, parental leave without pay shall be granted to natural or adoptive parents by the appointing authority for a period of up to six (6) months. With notice no less than one (1) month prior to the conclusion of the leave, such leave may be extended up to one (1) year upon approval of the appointing authority. A request for extension can only be denied for good cause. A worker who is pregnant may continue to work as long as her physician approves. Adoptive parents shall not be covered by County medical benefits while on maternity leave except as otherwise provided by law.

2. **Sick Leave Use**

If, during the pregnancy leave or following the birth of a child, the worker's physician certifies that she is unable to perform the duties of her job, she may use her accumulated sick leave during the period certified by the physician.

b) **Other Family Leave**

- 1) Upon request, family leave, with or without pay shall be granted for the placement of a foster child or to attend to the serious illness of a family member in accordance with the Family and Medical Leave Act, and the County's Family and Medical Leave Policy, for the serious illness of a registered domestic partner, for a period of up to six (6) months.

Section 12.8 – Leaves to Perform Jury Duty or to Respond to a Subpoena

a) **Response to Summons**

A worker shall be allowed to take leave from his/her County duties without loss of wages, vacation time, sick leave or worker benefits for the purpose of responding to summons to jury selection or serving on a jury for which he/she has been selected, subject to the limitation that a worker shall receive paid leave to serve on a jury for which he/she has been selected not more than once during a calendar year and provided that he/she executes a written waiver of all compensation other than the mileage allowance, for which he/she would otherwise receive compensation by virtue of his/her performance of such jury duty. No worker shall be paid more than his/her regular shift pay or regular workweek pay as a result of jury duty service. The worker is required to notify his/her appointing authority when he/she has received a jury summons and when his/her jury service is completed.

b) **Jury Duty**

Nothing in this Section shall prevent any County worker from serving on a jury more than once per calendar year, provided, however, that such additional periods of absence from regular County duties as a result thereof shall be charged, at the option of such worker, to either accrued vacation time or leave without pay.

c) **Response to a Subpoena**

No worker shall suffer loss of wages or benefits in responding to a subpoena to testify in court if that worker is not a party to the litigation.

d) **Release Time**

In the event a night shift worker is called to court under the above provision, the following shall apply:

1. Swing or PM shift shall have release time the day of court attendance; time spent in court shall be deducted from the regular shift on that day with no loss of wages or benefits.
2. Night or Graveyard shall have release time on the shift prior to court attendance; and that worker shall suffer no loss of wages or benefits.

3. When a worker, whose regularly scheduled hours includes two (2) full shifts (16 hours) of scheduled duty between 11:00 p.m., Friday to 3:00 a.m., Monday, is selected for a jury and is required to be in Court during his/her regular days off, the department will make every effort to provide the following Saturday or Sunday as a regularly scheduled day off. The weekend cannot count as a weekend worked for Weekend off Provisions.

e) **Return to Work**

For the purpose of this Section, a worker who responds to a summons to jury duty and who is not selected as a juror shall not be deemed to have performed jury duty and shall return to work as soon as possible.

a) **Tuition Re-imbusement and Educational Leave**

The County shall maintain an educational leave and tuition reimbursement program for the term of this Agreement. The total monies in this program will be administered at the County level. The fund will consist of seven hundred fifty thousand dollars (\$750,000) per fiscal year for all Local 521 units in each fiscal year. One-half (1/2) of each year's fund will be available on July 1 and on January 1.

Funds not used for any period shall be carried over for use in the next period. No amount may be approved or expended beyond funds available for the term of the Agreement. Tuition reimbursement funds shall not be used for County, State, or Federal required licenses or certifications as outlined in Section 12.13.

b) **CountyWise Classes**

One hundred thousand dollars (\$100,000) is hereby allocated in each fiscal year from the Tuition Reimbursement Fund towards the costs of CountyWise classes. Workers are entitled to enroll in CountyWise classes subject to training slots being available but not subject to the requirements or conditions in c) through g) below. These funds will be used for Local 521 represented workers only.

Five (5) workers shall be selected by the Union to participate in the quarterly meetings of the Training Liaison Group.

c) **Eligibility**

Workers are eligible to participate in the educational leave and tuition reimbursement programs provided:

1. The worker is not receiving reimbursement from any other government agency or private source. (This applies to workers applying for tuition reimbursement only.)

3. The application was filed with the appointing authority or her/his designee prior to the commencement of the course. Applications requiring time off must be filed with and signed by the appointing authority at least ten (10) days prior to the commencement of the course.
4. Substitute courses may be approved when approved courses are found to be unavailable.
5. There are sufficient funds available in the program. (This applies to workers applying for tuition reimbursement only.)
6. The worker has not exhausted the annual maximum reimbursement limit. (This applies to worker's applying for tuition reimbursement only.)

d) **Disapproval**

1. Notice of disapproval is given to the worker within ten (10) working days after receipt of the application; and
2. The County alleges disapproval is necessary because any of the provisions above have not been met. When a worker disagrees with the disapproval and files a grievance, she/he shall be allowed to continue the course with time off as provided for in this Section, except for denial based on paragraph c(5) above. If a final determination is made against the worker, time off shall be made up by working, charging vacation time or comp time, or payroll deduction, and tuition reimbursement shall not be paid. If a final determination is made supporting the worker, she/he shall be fully reimbursed in accordance with this section.
3. The County and the Union agree to schedule an expedited grievance arbitration within 30 calendar days of Step II response.

e) **Reimbursement**

Total reimbursement for each worker participating in the program will not exceed two thousand dollars (\$2,000.00) in each fiscal year. Meals, lodging, and transportation costs will not be reimbursed pursuant to IRS regulations. Within the above limit, workers shall receive full immediate reimbursement for tuition and other required costs (including textbooks) upon presentation of proof of cost and proof of course completion.

f) **Deduction Authorization**

The worker shall sign a note which states that, upon receipt of reimbursement, he/she authorizes:

3. Deduction of the full amount of reimbursement if he/she leaves County employment before completion of the course (except if laid off).

g) Make-up Time

Workers taking a course only available during working hours must make up fifty percent (50%) of the time away from job. Make-up time may be deducted from the worker's accrued vacation, personal leave or compensatory time balance. Make-up time will not be allowed when it results in the payment of overtime. The department will make every effort to allow the worker time off except where the payment of overtime will result. A worker and the appropriate level of Management may mutually rearrange the duty shift beyond eight (8) hours but within the forty (40) hour workweek for purposes of participating in non-duty education and/or training deemed by the County to be to the benefit of the worker and the County and such arrangement will be considered a waiver of Section 8.2.

Workers who are granted educational leave only but not tuition assistance, shall reimburse the County through automatic leave reduction in the same manner that educational leave was taken or reduction of leave balances or cashout at separation, of fifty percent (50%) of the time away from the job under the following conditions:

1. Failure to successfully complete the course or obtain a passing grade of C or above;

For the term of this Agreement, the County shall continue a fund of two hundred thousand (\$200,000) per year, with rollover, to be administered at a County-wide level. 5. Total reimbursement for each worker participating in this program will not exceed the actual amount of the continuing education.

b) **State, Federal and/or County Mandated Continuing Education Reimbursement**

1. Workers who must complete State, Federal and/or County mandated continuing education requirements in order to maintain a State, Federal and/or County mandated license or certificate may apply for reimbursement under this provision.

Every worker shall be entitled to industrial injury leave when he/she is unable to perform services because of any injury as defined in the Workers' Compensation Act.

b) Compensation

A worker who is disabled as a result of an industrial injury shall be placed on leave, using as much of his/her accumulated compensatory time off, his/her accrued sick leave and vacation time as when added to any disability indemnity payable under the Workers' Compensation Act will result in a payment to him/her of not more than his/her full salary, unless the worker subsequently notifies his/her department payroll unit of his/her desire not to have integration occur. The change from integration to non-integration shall be implemented at the beginning of the next pay period after such request.

However, no mileage reimbursement shall be paid for miles traveled to the first field or work location of the day from the worker's place of residence or from the last field or work location of the day to the worker's place of residence, unless the miles traveled exceeds the distance normally traveled by the worker during his/her normal home-to-work commute. In that case, the worker may

claim reimbursement for only the added mileage which exceeds the normal home-to-work mileage.

Effective September 1, 2000, the rate of reimbursement shall be equal to the "standard mileage rate" for auto expenses established by the Federal Government as the maximum tax exempt mileage rate. ARTICLE 18 – SAFETY

Section 18.1 – Safety Standards

The County necessarily abides by safety standards established by the State Division of Industrial Safety and pursuant to the Occupational Safety and Health Act. Appendix M of this Agreement describes the agreed guidelines for Department Safety Committees. Upon request, departmental negotiations on the number of representatives to the Departmental Safety Committee (paragraph 3 of the Guidelines) shall be negotiated at the departmental level. Such negotiations shall be subject to the provisions of Article 8.15 of this Agreement and shall also be subject to review and approval of the County-wide Safety Committee pursuant to the Guidelines.

Section 18.2 – Ambience Guidelines

The County has promulgated guidelines with respect to variations in ambience (e.g., heat, light) in work locations within the County. The guidelines cover conditions encountered by workers who work both inside and/or outside. These guidelines are as follows:

Workers of the County work in a variety of physical locations, both indoors and out, where environmental factors such as temperature, humidity, solar radiation and air movement vary widely. Individual workers' tolerance levels for variations in those environmental factors vary from person to person based on physiological differences, general health, physical condition, the nature of the worker's work and other individual tolerance factors not otherwise definable.

Although Federal and State OSHA regulations do not deal specifically with variations in these environmental factors, nor can individual tolerance levels be controlled, these guidelines are issued and intended to assist departments/agencies in dealing with extremes of the environmental factors listed above.

"Extremes" in such factors are not specifically defined here; but should be determined by each department/agency in accordance with the season of the year or the work setting, based on commonly accepted standards for the nature of the work and the facilities or environment in which the work is performed. Distinctions should be kept in mind between comfort, efficiency and health considerations. Under these guidelines, each department/agency should determine acceptable limits of variation based on the factors described above, giving due regard to the work environment and its inherent characteristics and limitations. Department/agency determinations concerning extremes and acceptable limits of variation are subject to review by the County Executive's Office of Occupational Safety and Environmental Compliance (OSEC).

Procedures

Each department/agency shall designate representative(s) responsible for receiving, evaluating and reporting worker complaints of environmental extremes through channels in accordance with these procedures. Depending on whether the reported extreme is in a building or outside, it will be acted upon as described below.

Buildings

Buildings are defined as all indoor facilities and structures operated (owned or leased) by the County and occupied by County workers.

The Office of Occupational Safety and Environmental Compliance (OSEC) shall designate representative(s) for the purpose of receiving and responding to department/agency reports of environmental extremes in County facilities.

The Office of Occupational Safety and Environmental Compliance (OSEC) shall promptly investigate complaints received from designated department/agency representatives and take reasonable steps to make any needed corrections. OSEC will also promptly provide a status report for the complaining department/agency regarding the conditions. The report will note if the condition is extreme, the expected duration of the extreme and the cause. If requested, this report will be made available by the department/agency to the worker(s) who initiated the complaint.

Outside of Buildings

Environmental factors outside of buildings are not controllable. Reports received by designated representatives concerning outside environmental extremes will be evaluated and a decision made regarding alternative work procedures for work crews engaged in out of doors physical labor. If alternative work procedures are implemented, reasonable access to available shelter and water shall be provided consistent with the nature and locale of the work.

A distinction is to be made between those who perform physical labor in the outdoors versus those whose work requires temporary or regular presence in the outdoors or in vehicles necessary for completion of assigned work. In the latter instances, alternative work procedures should generally be required less frequently than in the case of work crews performing out of doors physical labor.

Alternatives When Environmental Extremes Exist

The decision to implement any variation in work activities shall be that of the appointing authority or his/her authorized representative. Careful consideration must be made regarding the department/agency's overall operation to meet required service needs. However, when in the department/agencies judgment extremes in environmental conditions will continue to exist for a significant period, the department/agency head may invoke any or all of the following possible alternative work procedures:

1. Reduce work productivity levels.
2. Authorize more frequent rest periods throughout the work cycle.
3. Where workers may be excused from duty and they request time off because of the extreme situation, excuse those who may be released and charge said time, at the worker's option, to his/her accrued but unused vacation, compensatory time off or personal leave days; or to leave without pay.

These alternatives are not intended to limit the appointing authority from approving other alternatives, such as temporary changing of hours of work, temporary changing of work assignments, etc.

Workers who become ill because of extreme conditions may use sick leave in accordance with regular County procedures.

The Union shall be provided copies of individual or group grievances and responses to same. Such grievances may not proceed beyond Step One without written concurrence of the Union.

The Union shall have the right to appear and be heard in all individual or group grievances at any step. Upon request by County, the Union shall appear and be heard in such grievances at any step.

Section 19.3 – Procedural Compliance

Union grievances shall comply with all foregoing provisions and procedures. The County shall not be required to reconsider a grievance previously settled with a worker if renewed by the Union, unless it is alleged that such grievance settlement is in violation of an existing rule, ordinance, memorandum of understanding, or memorandum of agreement.

Section 19.4 – Time Limits

Time limits may be extended or waived only by written agreement of the parties. If either party fails to comply with the grievance time limits, the grievance shall be settled in favor of the other party. If, as a result of such action the parties are unable to reach agreement or an appropriate remedy, the matter may be referred to an arbitrator as provided below and the arbitrator shall fashion an appropriate remedy.

Section 19.5 – Informal Grievance Step

It is agreed that workers will act promptly through an informal meeting with their immediate supervisor outside of the bargaining unit on any act, condition or circumstance which is causing worker dissatisfaction and to seek action to remove the cause of dissatisfaction before it serves as the basis for a formal grievance.

A meeting should take place whenever requested by either party to assist to clarify or resolve the grievance. The worker may be accompanied by his/her steward, Assistant Chief Steward or Chief Steward at the informal meeting.

Any resolution reached at the informal step must be in accordance with the provisions of this agreement, or other rule or ordinance and shall not set precedent.

Section 19.6 – Formal Grievance Procedure

a) **Step One** - Within twenty (20) working days of the occurrence or discovery of an alleged grievance, the grievance shall be presented in writing to the appointing authority. A copy of the grievance will be sent to Labor Relations and this copy shall dictate time limits. The grievance form shall contain information which identifies:

1. The aggrieved;
2. The specific nature of the grievance;
3. The time or place of its occurrence;

4. The rule, law, regulation, or policy alleged to have been violated, improperly interpreted, applied or misapplied;
5. The consideration given or steps taken to secure informal resolution;
6. The corrective action desired; and
7. The name of any person or representative chosen by the worker to enter the grievance.

A decision shall be made in writing within twenty (20) working days of receipt of the grievance. A copy of the decision shall be directed to the person identified in (7) above and grievant, or in the case of a group grievance, to the grievant listed first in (1) above. A copy shall be sent to the Union and this copy shall dictate time limits.

- b) **Step Two** – If the aggrieved is not satisfied with the Step One decision, they may, within fifteen (15) working days after receipt of the first step decision request to meet with the Director of Labor Relations or designee and present a written presentation to review. Unless mutually waived, the Director of Labor Relations or designee shall meet with the grievant/Union prior to issuing their decision. The Director of Labor Relations or designated representative shall provide a written decision within twenty (20) working days of the meeting or the date the meeting was mutually waived.
- c) **Mediation** - Prior to advancing to arbitration under “d) Step Three,” both parties shall jointly consider whether the type of case involved lends itself to immediate mediation. If both parties agree to do so, the parties shall jointly request that a mediator be assigned by the State Mediation and Conciliation Service. If the mediation process does not promptly result in an acceptable resolution to both parties, the case shall advance to subsection d) Step Three. The parties shall equally share any costs relating to mediation. If there is no agreement to proceed through the mediation step, then the case shall be determined under subsection d) Step Three.
- d) **Step Three** - If the aggrieved is not satisfied with the Step One/Two decision, he/she/they may, within fifteen (15) working days after receipt of the first step decision, present a written presentation to be directed to the County Executive's designated representative indicating the aggrieved wishes (1) the County Executive's designated representative to review and decide the merits of the case or whether (2) the aggrieved wishes the grievance to be referred to an impartial arbitrator. At this step, a meeting shall be held if requested by either party. The grievant may be accompanied by his/her Steward, or Assistant Chief Steward or Chief Steward. All parties meet and disclose the theory of the grievance and the theory of denial as well as the facts upon which these theories are based.

- e) **Pre-Arbitration Meeting (Stipulation and Arbitrator Selection)** – After a grievance has been moved to Step Two, the Union and County shall continue efforts at resolution. In addition, all parties will attempt to stipulate to all facts, disclose all pertinent information and agree on the question or questions to be submitted to an arbitrator.

Pre-Arbitration meetings shall be held monthly for each department/agency. By mutual agreement, pre-arbitration meetings may be scheduled more frequently. The Union shall be entitled to have released, for pre-arbitration meetings, the grievant, and in the case of a group grievance, no more than two (2) of the affected workers, and the appropriate Chief Steward, or Assistant Chief Steward in his/her absence, and the Steward.

Each grievance shall be specifically reviewed and discussed at a maximum of two pre-arbitration meetings. The parties may mutually agree to have additional meetings prior to arbitration. If a grievance remains unresolved after discussion, review, fact stipulations, information disclosure and determination of the questions or question to be submitted to the arbitrator, the parties will select an arbitrator from the panel in Section 19.6(d).

The parties will also decide if the grievance will be arbitrated on an expedited or regular arbitration basis.

- f) **Arbitration County is reviewing and may make a future proposal**
For the term of this agreement the County and the Union have agreed to the following panel:

John Kagel	David Weinberg
Paul Roose	Alexander Cohn
Katherine Thomson	Luella Nelson

No matter other than a grievance that is an alleged violation of a specific provision(s) as written and submitted in the formal grievance may be reviewed on the merits by an arbitrator. This memorandum of agreement shall be submitted as a joint exhibit. Nothing in this agreement shall be construed to empower any arbitrator to change, modify or amend any of its provisions.

Members of this arbitration panel shall be requested to agree to render their decision within fifteen (15) working days of the hearing, receipt of the transcription or the briefs.

The parties may mutually agree to use an arbitrator not on the list or to add to, or modify the list. The arbitrator's compensation and expenses shall be borne equally by the worker or the Union and the County. Decisions of the arbitrator shall be final and binding.

Section 19.7 – Expedited Arbitration

 2. Prior to the arbitration, the parties must mutually agree to the question to be placed before the arbitrator or the case will not proceed through this process.
 3. It is the intent of this expedited arbitration procedure to not record these proceedings. The other party shall not be entitled to a copy, unless the parties agree to share the costs.

If a study is accepted or approved on appeal, the completed study shall be posted to the Union no later than 12 months after the date of acceptance or favorable appeal determination, unless otherwise agreed to by both parties.

Management Rights Continue after Contract Expiration

The terms of this Article survive contract expiration and remain in force until the execution of a successor memorandum of agreement.

(The County views this proposal to be codifying in the MOA the County's existing management rights and not as a change to the status quo.)

ARTICLE 27 – FULL AGREEMENT

It is understood this Agreement represents a complete and final understanding on all negotiable issues between the County and its Departments and the Union. This Agreement supersedes all previous memoranda of understanding or memoranda of agreement between the County and its Departments and the Union except as specifically referred to in this Agreement. All ordinances or rules covering any practice, subject or matter not specifically referred to in this Agreement shall not be superseded, modified or repealed by implication or otherwise by the provisions hereof. The parties, for the term of this Agreement, voluntarily and unqualifiedly agree to waive the obligation to negotiate with respect to any practice subject or matter not specifically referred to or covered in this Agreement even though such practice, subject or matter may not have been within the knowledge of the parties at the time this Agreement was negotiated and signed. If the State of California notifies the County of Santa Clara that legislation has been implemented which assesses monetary penalties to local governments which settle wages and/or benefits with increases in excess of certain limits (an example of such legislation is AB 1040, introduced in Spring 1991), those benefits and/or wages shall not be implemented or continue to be paid. The parties shall immediately enter into negotiations for the sole purpose of arriving at a mutually agreed upon alternative.

The County reserves the right to cease payment or seek repayment of wages and/or benefits upon which the State of California is basing the monetary penalty. The Union reserves the right to contest the legality of the payment cessation or repayment.

It is understood that the purpose of this Section is to ensure that the County does not incur any liability or penalties on either the original agreement provisions, or the negotiated alternate provisions.

ARTICLE 29 – IMPLEMENTATION

It is understood by the County and the Union that to fully implement this Agreement it will be necessary for the County to amend several existing County ordinances, some of which require the approval of the County Personnel Board, so that such ordinances will not conflict with the provisions of this Agreement. The County and the Union agree to cooperate to secure the enactment of such ordinances.

TERM OF AGREEMENT

This Agreement shall become effective only upon approval by the Board of Supervisors and for the units listed in Article 1 upon ratification by the individual unit as listed, and shall remain in full force and effect from ~~March 9, 2020~~TBD to and including ~~June 25, 2023~~TBD and from year-to-year thereafter; provided, however, that either party may serve written notice on the other at least sixty (60) days prior to ~~June 25, 2023~~June TBD, or any subsequent ~~June 25~~June TBD, of its desire to terminate this Agreement or amend any provision thereof.
