Body

FISCAL IMPLICATIONS

There are no fiscal implications associated with the recommended action.

CONTRACT HISTORY

On July 1, 1945, the County entered into a contract with the California Public Employees' Retirement System (CalPERS) to provide defined benefit pension plans for the County's coded safety and miscellaneous employees. CalPERS is the largest public pension system in the U.S., managing more than \$470 billion in assets for more than 2,800 California employers.

In addition to providing defined benefit pension plans, the County contracts with CalPERS to invest in the California Employers' Retiree Benefit Trust (CERBT) Fund. The CERBT Fund is a Section 115 Trust set up for the purpose of receiving employer contributions that will prefund health and other post-employment benefit costs for retirees and their beneficiaries.

REASONS FOR RECOMMENDATION

The County currently documents employee compensation using the following methods:

- Master Salary Ordinance (MSO) that is approved by the Board of Supervisors once a year, and
- Salary tables included within the Memoranda of Agreement with the County's labor organizations, and
- Salary ordinance amendments that amend the MSO throughout the year, and
- Basic Salary Plan (BSP), which is an online document that pulls pay information from the County's payroll system.

A recent review of final compensation rates conducted by CalPERS led CalPERS to request the County adopt a unified pay schedule consistent with California Code of Regulations section 570.5.

While the MSO can be used to validate pay rates, it is only valid for those pay rates that are not changed during the year after the MSO was approved by the Board. CalPERS does not accept changes to salary approved through salary ordinance amendments that do not include the compensation rates for all County classifications, even though those amendments include the specific pay rates being adjusted.

Pursuant to the recommendations provided by CalPERS, Administration recommends the Board of Supervisors approve and adopt two initial reports 1) County of Santa Clara Pay Schedule Run 7.11.23, which includes specific compensation approved by the Board in December 2022, and 2) County of Santa Clara Pay Schedule Run 7.24.23, which includes all compensation approved by the Board and implemented in July 2023. If approved, these pay schedules will become available for public posting and will be kept publicly available for five years in compliance with CCR 570.5.

Moving forward, Administration will regularly present to the Board an updated County of Santa Clara Pay Schedule for approval and adoption based on Board approved salary ordinance amendments.

CHILD IMPACT

The recommended action will have no/neutral impact on children and youth.

SENIOR IMPACT

The recommended action will have no/neutral impact on seniors.

SUSTAINABILITY IMPLICATIONS

The recommended action will have no/neutral sustainability implications.

BACKGROUND

Administration responds to regular requests from CalPERS to validate employee compensation so they can accurately calculate a retiring employee's retirement benefit. Previously, CalPERS

accepted the Master Salary Ordinance or Memoranda of Agreement with the County’s labor organizations as valid confirmation for employee pay rates. Recently, CalPERS requested the adoption of unified pay schedules instead.

CONSEQUENCES OF NEGATIVE ACTION

A negative action will result in failure to provide CalPERS with a compliant publicly available pay schedule and may result in an employee’s retirement benefit being delayed or calculated based on a lower pay rate.

STEPS FOLLOWING APPROVAL

The Clerk of the Board of Supervisors will notify Rhonda Schmidt, Employee Benefits Department, Employee Services Agency.
