You are invited to attend a public meeting to learn about the business plan update for Reid-Hillview and San Martin airports. The final of three public meetings will be held at the Donald Meyer Elementary School on March 1, starting at 6:30 P.M. and ending at 8:30 P.M.

The County has previously held two additional meetings to discuss the business plan update. The first was held on January 23rd and the second was held on January 25th. Notes from those meetings along with the slides are available on our website, www.countyairports.org.

If you have any questions about the business plan update or are unable to attend the meeting, feel free to contact the Airports Director, Eric Peterson at 408-918-7700 x27722 or Eric@CountyAirports.org.
