

Intern & Earn Newsletter

FOR INTERNS, BY INTERNS

Created by: Emily Valenzuela, Viridiana Galvez, Sarah Stickell, and Alicia Cordova

LET'S TALK ABOUT IT

In our last newsletter we highlighted a few Santa Clara County worksites. This time around, we are showcasing non-profit worksites. Explore job opportunities and find your career of interest while making money and gaining valuable experience that will last a lifetime. Reach out to an Employment Counselor if you are interested in exploring different jobs. Our team of counselors ensure that you have as much support as you can to be successful! And remember to mention or refer the Intern & Earn program to others!
