Health Mobile Office  
c/o Mike Reeza  
1659 Scott Blvd. #4  
Santa Clara County, 95050

Health Mobile delivers professional, quality health care to uninsured children from low-income families. Our services have been successful in reaching youth, previously neglected, by utilizing a health unit on wheels. We travel throughout California to schools, community centers, rural and urban areas, migrant camps and health fairs to respond to these children's health needs. Our mobile unit operates out of a tailor-made, forty-foot motor home and consists of one exam room, two dental chairs, x-ray equipment and a lab-all the equipment necessary to deliver comprehensive care.
