

**ORDINANCE NO. NS-20.22**

**AN ORDINANCE RELATING TO THE COMPENSATION OF PERSONS IN LEADERSHIP POSITIONS OF THE COUNTY OF SANTA CLARA UNREPRESENTED BY RECOGNIZED EMPLOYEE ORGANIZATIONS**

Summary

This Ordinance provides for the compensation of persons in leadership positions of the County of Santa Clara, unrepresented by any recognized employee organization, and includes members of the Board of Supervisors, the Assessor, the District Attorney, and the Sheriff.

**THE BOARD OF SUPERVISORS OF THE COUNTY OF SANTA CLARA, STATE OF CALIFORNIA, ORDAINS AS FOLLOWS:**

**SECTION 1. PURPOSE**

This Ordinance establishes the compensation of those salaried executive leadership positions (referred to herein as “leadership positions”) of the County of Santa Clara not represented by any recognized employee organization. Leadership positions are those employment positions set forth in Exhibit A, attached hereto. Leadership positions also include members of the Board of Supervisors (Class Code A01). To the extent that the provisions of this Ordinance are inconsistent with any other County Ordinance, the provisions herein shall govern. Persons in leadership positions (also referred to herein as “employees” or “executive leaders”) perform their duties and responsibilities regardless of the hours required to accomplish such duties and responsibilities; therefore, the various premium pay and leave provisions applicable to other County employees, such as cash overtime, compensatory time off, night shift differential, holiday pay, on-call pay, voluntary reduced work hours, personal leave days, birthday leave days, career incentive pay, and uniform allowance are inapplicable. Employees in leadership positions who work in extra-help assignments are not entitled to additional pay. Section 6 herein is inapplicable to a person serving as an appointee in an acting leadership position unless such person occupied another leadership position immediately prior to service in the acting position.

**SECTION 2. POSITIONS, SALARY RANGES, TRANSFERS AND INPLACEMENT**

- (a) The salary range for persons in leadership positions (except members of the Board of Supervisors) designated in Exhibit A shall be as set forth in the schedule of bi-weekly salaries as stated in Exhibit A, as adopted, and as may be subsequently amended, by the Board of Supervisors.
- (b) If employees in leadership positions designated in Exhibit A qualify for transfer or demotion and the only prohibition is the salary of the new class, it shall be deemed to be a lateral transfer if the entry salary of the new salary range is not more than ten percent (10%) above the top of the former salary range.
- (c) For promotion into leadership positions, employees shall have their pay adjusted within the new range which provides for a ten (10%) percent increase in salary. In addition, the in-placement provisions that apply to other employees in the County shall also apply to the employees in leadership positions.

Adopted: 06/28/2022

- (d) Employees appointed to an acting leadership position shall have their pay adjusted within the new range that provides for an increase up to 10% in salary. Acting salary shall not exceed the maximum pay of the salary range. The duration of work out of class or acting assignments is at the discretion of the County Executive and pursuant to CalPERS guidelines and limits.
- (e) Persons appointed to leadership positions are required to satisfactorily complete an eighteen (18) month probationary period. This does not apply to unclassified executive leadership positions as these are at-will.

### **SECTION 3. EMPLOYEES IN ELECTED POSITIONS**

- (a) The base salary for persons in Class Code A01 (members of the Board of Supervisors) shall be the annual rate of 80% of the annual salary of a Superior Court Judge of the State of California, County of Santa Clara.
- (b) The flat rate salary adjustments for persons in Class Codes A28 (Assessor), A59 (District Attorney), and A65 (Sheriff) shall be aligned with the annual judicial salary increases for justices and judges as noticed by the Judicial Council of California; provided, however, that the Board, in its discretion, shall first adopt such adjustments by amending Exhibit A.
- (c) Persons in Class Codes A01, A28, A59, and A65 shall be entitled to be reimbursed for actual and necessary expenses for meals and other reasonably related business expenses for the elected official, or his/her designee, consistent with the County Meal Policy (Non-Travel), County Travel Policy, and the Procurement Card (P-Card) Policy.

### **SECTION 4. (RESERVED)**

### **SECTION 5. LEAVE PROVISIONS**

Notwithstanding the provisions of any other Ordinance, the following provisions relating to leaves shall be applicable to persons in leadership positions, excluding elective office positions:

#### **(a) Annual Leave**

- (1) Effective at the beginning of the first full pay period of January of each calendar year, two hundred eighty-eight (288) hours of annual leave shall be credited to each employee for the calendar year. If an employee has made an irrevocable election prior to the beginning of the calendar year pursuant to an administrative process provided by the Director, Employee Services Agency and Finance Agency Director, during any such year but prior to the end of the calendar year, any unused portion of the two hundred eighty-eight (288) hours of annual leave shall be paid to the employee at the monetary value at the then current salary rate, up to a maximum of one hundred forty-four (144) hours. The balance of any unused annual leave shall be credited to the employee's vacation leave bank, consistent with Paragraph (2) below. In the event an employee is on leave without pay, a proportionate reduction in the annual leave credit provided for in this section will be made for the period of such absence.

- (2) In no case shall more than eight hundred sixty-four (864) hours be accumulated in an employee's vacation leave bank during the term of employment of persons in leadership positions. Any balance in excess of eight hundred sixty-four (864) hours shall be used by the employee or paid in cash at the then-current salary rate in the pay period that contains December 31.
- (3) Persons appointed to a leadership position after the effective date of this Ordinance shall receive, as of the date of appointment, a proportionate amount of the annual leave allotment prorated as of the date of appointment for the balance of the annual leave cycle. Such persons shall not be eligible for a monetary pay out of unused annual leave until the beginning of the calendar year following their appointment, and only after first making the irrevocable election required in Paragraph (1).
- (4) Persons in leadership positions terminated from County employment shall be paid the monetary value of the proportionate amount of the unused annual leave days credited for the calendar year in which the termination occurs, prorated as of the date of termination, and the monetary value of earned and unused annual or vacation leave accrued from previous years. Although annual leave is credited at the beginning of the calendar year, it is earned proportionately over the course of the year and the value of unearned but used leave shall be deducted from final payment to a terminated employee or otherwise repaid to the County.
- (5) Vacation or STO accrued prior to the effective date of this Ordinance or earned prior to the date of appointment to a leadership position shall be carried forward to the executive leadership position, consistent with other provisions of this Ordinance.

(b) Sick Leave

- (1) Effective July 14, 1997, persons appointed to or occupying a leadership position shall not earn or accrue any sick leave. Instead, the annual leave provisions shall be used for vacation and sick leave purposes.
- (2) Persons occupying leadership positions on July 14, 1997, who have existing (accrued but not used) sick leave balances, shall retain those balances. The retained sick leave balance shall be charged for any sick absence.
- (3) Upon termination in good standing and ten (10) or more years of County employment, accrued and unused sick leave shall be paid at the rate of two percent (2%) for each full year of service, not to exceed fifty percent (50%), multiplied by the current salary rate.
- (4) Previously accrued and unused sick leave balances earned prior to the date of appointment to a leadership position shall be retained by an employee appointed to a leadership position and may be used consistent with this subsection.

//

//

(c) Administrative Leave

- (1) Because of the inapplicability of the various premium pay and leave provisions to executive leaders, persons in leadership positions shall be entitled to administrative leave. Administrative leave means any type of leave for which pay is received other than annual leave and sick leave, and includes personal leave, bereavement leave, approved leave under Subsection (e), limited education leave (e.g., seminars, workshops, and conferences), and absences of less than one full day for medical or dental care for the employee or dependents.
- (2) The granting of such leave or any portion thereof may be denied at the County Executive's discretion in the event of abuse and charged against either the sick leave, annual leave, or vacation leave balance.
- (3) Unless otherwise required by the County Executive, absences of less than one full day are not charged to sick leave or annual leave.

(d) Sabbatical Leave

Employees in positions that are required to be filled by physicians, surgeons, or dentists and designated in Exhibit A (except employees in Class Codes P04, P05, and P06) are eligible for sabbatical leave after six (6) years of service subject to Santa Clara Valley Health and Hospital System (SCVHHS) guidelines.

(e) Maternity and Paternity Leave

Notwithstanding any other provision of this Ordinance, persons in leadership positions shall be entitled to parental leave as provided by Ordinance Code section A25-686. In addition, employee benefits shall be continued consistent with the treatment of County mid-management employees. Furthermore, following the receipt of pregnancy disability leave, if applicable, the County shall pay an amount equivalent to that provided by the California Paid Family Leave Program (PFL) for the same duration and subject to the same payment caps as provided by PFL. Such payments may be integrated with an employee's other leave banks.

## **SECTION 6. DISABILITY INCOME**

As used herein, "disability" shall include all qualifying disabilities under the California State Disability Insurance Program, and shall for example include total disability from disease, pregnancy, or accidental bodily injury that wholly prevents the engaging in the performance of each duty of the position. The Director, Employee Services Agency shall make the final determination of disability benefits and may require such proof of disability, as she/he deems appropriate and in accordance with the California Family Rights Act and the County's Family and Medical Leave Policy.

- (a) If the person in a leadership position, other than an elected office and a position that is required to be filled by a physician, surgeon, or dentist and designated in Exhibit A (excluding Class Codes P04, P05, and P06), becomes subject to a disability which continues uninterrupted for eight (8) calendar days, the County may, with the approval of the Director, Employee Services Agency, pay disability income and benefits to such person for the

remaining period, following the initial eight (8) days, during which the disability continues uninterrupted for a maximum of twelve (12) calendar months, excluding the initial eight (8) days, or until the disability ceases, whichever occurs first. Proof of continued disability must be provided upon request.

- (b) Such income shall consist of the salary continuation for the position as designated in Section 2 herein, less applicable mandatory and voluntary deductions therefrom.
- (c) In the event of a recurrence of the disability from the same or related causes, the period of such disability shall be deemed a continuation of any prior period of disability unless during the intervening period such person has performed on a full-time basis each and every duty of the position for at least six (6) consecutive months, consisting of one hundred eighty-two (182) consecutive calendar days. Annual leave shall not be accrued for the period of such disability. A proportionate reduction in annual leave provided for in Section 5 will be made for the period of such absence.
- (d) A long-term disability insurance plan shall be provided for partial salary continuation after the one-year disability income and benefits protection period described above. The insurance plan shall be selected by the Director, Employee Services Agency and shall, at minimum provide, specific to occupation and specialty, coverage of two-thirds of base salary up to at least \$25,000 per month, or as may be adjusted to reflect updated salary coverage, for a period of up to 65 years of age, if totally disabled.
- (e) The provisions of this Section shall be administered by the Director, Employee Services Agency and shall be subject to the reasonable discretion of the Director, Employee Services Agency as deemed necessary for the administration thereof.
- (f) For persons in positions that are required to be filled by physicians, surgeons, or dentists and designated in Exhibit A (except for employees in Class Codes P04, P05, and P06), long-term disability insurance shall be provided consistent with the coverage provisions provided to Class Code P41 (Physician-VMC) represented by Valley Physicians Group. Such long-term disability benefit pays seventy percent (70%) of the base salary or \$25,000 per month, whichever is less and with a 90-day waiting period and is specific to occupation and specialty. Coverage is prorated for part-time physicians.

## **SECTION 7. OTHER BENEFITS**

- (a) Persons in positions covered by this Ordinance shall receive the same benefits, and under the same terms, as available countywide to all other County employees, except as otherwise provided by this Ordinance. This shall also include the payment/reimbursement of Bar Association dues and mandated State license fees. In addition, this Section provides tuition reimbursement and professional development benefits consistent with those applicable to County mid-management employees.
- (b) Persons in Class Codes A02 (County Executive), A05 (Clerk of the Board of Supervisors), A62 (County Counsel), A2X (Chief of Correction), A93 (Public Defender), Q24 (Director, Department of Child Support Services) or his/her designee shall be entitled to be reimbursed for actual and necessary expenses for meals and other reasonably related business expenses for the employee, or his/her designee, consistent with the County Meal Policy (Non-Travel), County Travel Policy, and the Procurement Card (P-Card) Policy.

(c) Persons in positions that are required to be filled by physicians, surgeons, or dentists and designated in Exhibit A (excluding employees in Class Codes P04, P05, and P06) shall be entitled to receive the following:

- (1) DEA License, California Medical License/X-Ray License fees, Professional liability insurance fees, and Medical Staff/Society Dues not to exceed \$1,200 each fiscal year. Such fund is prorated based on start and termination date.
- (2) Tuition reimbursement and professional development benefits not to exceed \$4,500 per fiscal year, prorated by number of months employed and the unused balance carried forward into the subsequent fiscal year, but not to exceed one year's allocation. The maximum amount at any given time cannot exceed \$9,000.

## **SECTION 7.5. HEALTH INSURANCE**

The County shall provide health, dental, and vision insurance coverage to executive leaders consistent with its offerings to other County employees. Effective December 23, 2013, executive leaders shall contribute to the cost of medical premiums for their selected medical plan on all tiers as follows and based on the premium in effect on December 20, 2013, and as may be revised for subsequent plan years.

- Health Net: 6% (Employee and Family Coverage)

The County shall contribute the remaining amounts to be paid toward employee health insurance. In addition, the County shall fully pay for the premiums for dental and vision insurance for single-employee or family coverage for whichever available plan is selected by the employee.

(a) Domestic Partners:

1. Registered Domestic Partners

County employees who have filed a Declaration of Registered Domestic Partnership in accordance with the provisions of Family Code sections 297-297.5 shall have the same rights, and shall be subject to the same responsibilities and obligations as are granted to and imposed upon spouses. 2. Tax Liability

Employees are solely responsible for paying any tax liability resulting from benefits provided as a result of their Registered Domestic Partnership.
