

ORDINANCE NO. NS-20.16

**AN ORDINANCE RELATING TO THE COMPENSATION OF PERSONS IN
LEADERSHIP POSITIONS OF THE COUNTY OF SANTA CLARA UNREPRESENTED
BY RECOGNIZED EMPLOYEE ORGANIZATIONS**

SUMMARY

County Ordinance NS-20.16 provides for the compensation of persons in leadership positions of the County of Santa Clara, unrepresented by recognized employee organization, and includes members of the Board of Supervisors, Assessor, District Attorney, and Sheriff. The Board of Supervisors of the County of Santa Clara, State of California, does ordain as follows:

SECTION 1. PURPOSE

This ordinance establishes the compensation of those salaried executive leadership positions (referred to herein as "leadership positions") of the County of Santa Clara not represented by any recognized employee organization. Leadership positions are those employment positions set forth in Exhibit A, attached hereto. Leadership positions also include members of the Board of Supervisors, Class Code A01 and Assistant Public Health Officer, Class Code P04. To the extent that the provisions of this Ordinance are inconsistent with any other County ordinance, the provisions herein shall govern. Persons in leadership positions (referred to herein as "employees" or "executive leaders") perform their duties and responsibilities regardless of the hours required to accomplish such duties and responsibilities; and, therefore, the various premium pay and leave provisions applicable to other County employees, such as cash overtime, compensatory time off, night shift differential, holiday pay, on-call pay, work-out-of-class pay, voluntary reduced work hours, personal leave days, birthday leave days, career incentive pay, and uniform allowance are inapplicable. Employees in leadership positions who work in extra-help assignments are not entitled to additional pay. Section 6 herein is inapplicable to a person serving as an appointee in an acting leadership position, unless such person occupied another leadership position immediately prior to service in the acting position.

SECTION 2. POSITIONS, SALARY RANGES, TRANSFERS AND INPLACEMENT

The salary range for persons in leadership positions (except members of the Board of Supervisors and Assistant Public Health Officer) designated in Exhibit A, attached hereto, shall be as set forth in the schedule of bi-weekly salaries as stated in Exhibit A, as adopted, and as may be subsequently amended, by the Board of Supervisors. Elected County officials, other than members of the Board of Supervisors, and Assistant Public Health Officer, and persons appointed by the Board of Supervisors shall receive the salaries as listed in Exhibit A.

If employees in leadership positions designated in Exhibit A, and attached hereto, qualify for transfer or demotion and the only prohibition is the salary of the new class, it shall be deemed to be a lateral transfer if the entry salary of the new salary range is not more than ten percent (10%) above the top of the former salary range. In addition, the inplacement provisions that apply to other employees in the County shall also apply to the employees in leadership positions designated in Exhibit A.

SECTION 3. EMPLOYEES IN CLASS CODE A01

The base salary for persons in Class Code A01 (members of the Board of Supervisors) shall be: the annual rate of 80% of the annual salary of a Superior Court Judge of the State of California, County of Santa Clara.

Persons in Class Code A01 (members of the Board of Supervisors) or his/her designee shall be entitled to be reimbursed for actual and necessary expenses for meals and other reasonably related business expenses for the Board Member, or his/her designee, consistent with the County Non-Travel Business Meal Policy, County Travel Policy, and the Procurement Card (P-Card) Policy.

SECTION 4. EMPLOYEES IN CLASS CODE P04

The salary range adjustments for positions in Class Code P04 (Assistant Public Health Officer) shall be aligned with Executive Leadership positions listed in Exhibit A in the Santa Clara County Executive Leadership Salary Ordinance as adopted by the Board of Supervisors, or as may be amended or replaced.

SECTION 5. LEAVE PROVISIONS

Notwithstanding the provisions of any other ordinance of the County of Santa Clara, the following provisions relating to leaves shall be applicable to persons in leadership positions, excluding elective office positions:

A. Annual Leave

At the beginning of the first full pay period of each fiscal year (the pay period that contains July 14), thirty-six (36) days of annual leave shall be credited to each such employee for the fiscal year. During any such year, any unused portion of the thirty-six (36) days of annual leave shall be credited to each such employee for the fiscal year. During any such year, prior to the end of the fiscal year, any unused portion of the thirty-six (36) days of annual leave, at the option of the employee, shall be paid to the employee at the monetary value at the then current salary rate, up to a maximum of eighteen (18) days, and the balance carried forward into the subsequent fiscal year, but not to exceed the maximum accumulation authorized by this Ordinance. In the event an employee is on leave without pay, a proportionate reduction in the annual leave credit provided for in this section will be made for the period of such absence.

1. In no case shall more than one hundred and eight (108) days be accumulated in vacation leave bank during the term of employment of persons in leadership positions. Any balance in excess of one hundred and eight (108) days shall be used by the employee or paid in cash at the then current salary rate at the end on the final pay period of the fiscal year (the pay period that contains June 30).
2. Persons appointed to a leadership position after the effective date of this Ordinance shall receive, as of the date of appointment, a proportionate amount of the annual leave allotment prorated as of the date of appointment for the balance of the annual leave cycle.
3. Persons in leadership positions terminated from County employment shall be paid the monetary value of the proportionate amount of the unused annual leave days

credited for the fiscal year in which the termination occurs, prorated as of the date of termination, and the monetary value of earned and unused annual leave accrued from previous fiscal years.

4. Vacation or STO accrued prior to the effective date of this Ordinance or earned prior to the date of appointment to a leadership position shall be carried forward to the executive leadership position, consistent with other provisions of this Ordinance.

B. Sick Leave

1. Effective July 14, 1997, persons appointed to or occupying an executive leadership position shall not earn or accrue any sick leave. Instead, the annual leave provisions shall be used for vacation and sick leave purposes.
2. Persons occupying executive leadership positions on July 14, 1997, who have existing (accrued but not used) sick leave balances, shall retain those balances. The retained sick leave balance shall be charged for any successive days of sick absence, provided that for each period of absence the first day is charged to annual leave.
3. Unless otherwise required by the County Executive, absences of less than one full day are not charged to sick leave or annual leave.
4. Upon termination in good standing and ten (10) or more years of County employment, accrued and unused sick leave shall be paid at the rate of two percent (2%) for each full year of service, not to exceed fifty percent (50%), multiplied by the current salary rate.
5. Previously accrued and unused sick leave balances earned prior to the date of appointment to a leadership position shall be retained by an employee appointed to a leadership position. Section 5.B.2-3 shall apply to the use of the retained sick leave.

C. Administrative Leave

1. Because of the inapplicability of the various premium pay and leave provisions to executive leaders, persons in leadership positions shall be entitled to administrative leave. Administrative leave means any type of leave for which pay is received other than annual leave and sick leave, and includes personal leave, bereavement leave, limited education leave (seminars, workshops and conferences), and absences of less than one full day for medical or dental care for the employee or dependents.
2. The granting of such leave or any portion thereof may be denied at the County Executive's discretion in the event of abuse and charged against either the sick leave or annual leave balance.

D. Sabbatical Leave

The Deputy County Executive with responsibility for the Employee Services Agency shall make the final determination of disability benefits and may require such proof of disability, as she/he deems appropriate and in accordance with the California Family Rights Act and the County's Family and Medical Leave Policy.

Proof of continued disability must be provided upon request. The disability period due to a normal pregnancy is up to four (4) weeks before the expected delivery date and up to six (6) weeks after the actual delivery. - B. Such income shall consist of the salary for the position as designated in Section 2 herein, less applicable mandatory and voluntary deductions there from. During the period of such income, sick leave (if applicable) or annual leave shall not accrue or be charged. A proportionate reduction in the annual leave credit provided for in Section 3 will be made for the period of such absence.
- C. In the event of a recurrence of the disability from the same or related causes, the period of such disability shall be deemed a continuation of any prior period of disability unless during the intervening period such person has performed on a full-time basis each and every duty of the position for at least six (6) consecutive months, consisting of one hundred eighty-two (182) consecutive calendar days. Annual leave shall not be accrued for the period of such disability. A proportionate reduction in annual leave provided for in Section 3 will be made for the period of such absence.
- D. A long-term disability insurance plan may be provided for partial salary continuation after the one-year disability income protection period described above. The insurance plan shall be selected by the Deputy County Executive with responsibility for the Employee Services Agency and may provide coverage not to exceed two-thirds of the base salary or \$6,800 per month with index for inflation (whichever is less) for a period of up to 65 years of age, if totally disabled.
- E. The provisions of this section shall be administered by the Deputy County Executive with responsibility for the Employee Services Agency and shall be subject to the

reasonable discretion of the Deputy County Executive as deemed necessary for the administration thereof.

- F. For persons in Class Codes A4A, A4B, A4D, A1D, A1H, A1Y, A4M, A4N, A4Q, and A4P, long-term disability insurance shall be provided consistent with the coverage provisions provided to Class Code P41 (Physician-VMC) represented by Valley Physician's Group.
