NOTICE OF OBSERVER OPPORTUNITIES FOR THE NOVEMBER 2, 2021, SPECIAL ELECTION

You and your representatives are invited to observe the November 2, 2021, Special Election. This is a special election for Berryessa Union School District and Los Gatos Union School District. Only voters registered in these districts are eligible to cast a ballot. The following is a partial list of the County of Santa Clara Registrar of Voters (ROV) election activities which will be held at 1555 Berger Drive, Building 2, San Jose, CA, 95112; the dates listed below are subject to change. The ROV's election activities are open to the public to observe at any time. Please call (408) 282-3005 one to two days before the date you wish to observe to confirm the date and time of the activity.

Touch Screen Ballot Marking Device & Vote Center Scanner/Tabulator Preparation and Testing

This is the loading of election data and comprehensive election logic and accuracy testing that ensures that each machine is securely programmed and prepared properly. Testing ensures the integrity of the vote-counting during the election. Testing is scheduled to begin on September 28, 2021, at approximately 9:00 a.m. The testing location will be held at 2730 Junction Ave, San Jose, CA, 95134.

Central Count Ballot Scanner/Tabulator (Pre-LAT Logic and Accuracy Testing)

The Central Count Ballot Scanner/Tabulator system is tested prior to each election by using a pre-marked set of test ballots. The preparation of the ballot test deck and testing of the tabulation equipment is scheduled to begin on October 22, 2021, at approximately 8:30 a.m. The testing location will be held at 1555 Berger Drive, Building 2, San Jose, CA, 95112.

Returned Vote by Mail Ballot Processing

In accordance with Chapter 2 of Division 15 of the California Elections Code, for the November 2, 2021, Special Election, the opening and processing of returned Vote by Mail (VBM) ballot envelopes is scheduled to begin on October 4, 2021. Ballot processing will continue through Election Day and the following weeks until complete.

For the November 2, 2021, Special Election, VBM ballots postmarked on Election Day and received by Tuesday, November 9, 2021 will be processed. The majority of ballots are expected to be processed within a week of Election Day. However, some VBM ballots will continue to be processed through the end of the canvass period.

Under state law, VBM ballots returned without the required voter signature on the return envelope can be corrected by the voter. An “Unsigned Ballot Statement” form is mailed to the voter to be completed and returned to the ROV by 5:00 p.m., by the twenty eighth day after Election Day, November 30, 2021.

If the signature on a VBM ballot return envelope does not match the voter’s registration records, a “Signature Update Statement” form is mailed to the voter. The voter must complete and return the form to the ROV by 5:00 p.m. by the twenty eighth day after Election Day, November 30, 2021.

Main Headquarters

The public may observe the operation at 1555 Berger Drive, Building 2, San Jose, CA, 95112, during hours of operation, including Election Day, from 7:00 am to 8:00 pm.

Election Night Ballot Receipt and Counting

The first “Semifinal Official Election Results” will be posted at approximately 8:05 p.m., Election Night, on the ROV website at www.sccvote.org. This first report released by the ROV will include the results of VBM ballots processed up to Election Day.

Updates of the semifinal official results issued throughout the canvass can be found on the ROV’s website until all steps of the canvass have been completed and results are certified.

Official Canvass

Pursuant to California Elections Code section 15301, the official canvass must start no later than the Thursday after the election. However, the ROV prefers to schedule the canvass to begin one day earlier, on Wednesday, November 3, 2021.

The official canvass process is open to the public and must continue for at least 6 hours a day (Saturdays, Sundays and Holidays excepted) until completed. The ROV will extend work hours, including weekends and holidays, as needed.

The canvass includes, but is not limited to, the inspection of all materials and supplies; processing and counting valid Vote by Mail and Provisional ballots; counting valid write-in votes; and conducting the post-election manual recounts. Please contact the ROV regarding the anticipated schedule of specific activities if you are interested in a particular aspect of the canvass process.

After completing this process, the election results are then certified and made public. According to California Elections Code section [15372](#), the Registrar of Voters must complete all steps of the canvass and certify the vote within 30 days of the election.

We thank you for your interest in the election process.

Sincerely,

Shannon Bushey
Registrar of Voters
