## OFFICIAL RESULTS CERTIFIED FOR THE NOVEMBER 8, 2022 GENERAL ELECTION

**SANTA CLARA COUNTY, CALIF** – The County of Santa Clara Registrar of Voters' Office certified the official results of the November 8, 2022 General Election today.

“Our staff and volunteers went above and beyond to provide the best voting experience for our voters,” said Registrar of Voters Shannon Bushey. “I am honored to work with such a dedicated and resilient team.”

The final turnout for this General Election totaled 550,602 ballots cast, representing 54.55% of the 1,009,422 registered voters. This makes the County's turnout higher than the statewide voter turnout at 50.7%.

The official canvass was conducted by the Registrar of Voters' Office to complete the official counting of all qualified ballots. The process included Provisional and Conditional Voter Registration ballots and signature verification updates. A manual tally of 1% of the total number of precincts in these contests were also conducted as part of the official canvass.

The contest for Sunnyvale District 3 Councilmember required an automatic recount, where the margin of victory for the candidates was less than 0.25% of the total number of ballots cast, or less than 25 votes. The manual recount confirmed the same winner as the machine count. The recount was completed prior to certification and results are included in the official election results.

The official election results and detailed reports focusing on turnout by precinct, referred to as the Statement of Votes Cast, can be found on the Registrar of Voters' website at [www.sccvote.org](http://www.sccvote.org). This includes the results of the 19 local measures that were on this ballot for voter approval.
