b) Condition of Employment

Each person employed during the term of this Agreement shall at the time of employment and as a condition of employment execute an authorization for the payroll deduction of Association dues or of a service fee equivalent to Association dues on a form provided by the Association and shall continue said authorization in effect, except that such nurses may terminate such dues deductions pursuant to paragraph (c) of this Section.

ARTICLE 5 - LAYOFF

Section 5.1 - Seniority Defined

Except as otherwise provided in Sections 5.2, 5.6 and 6.8 of this Agreement, seniority for purposes of layoff is defined as length of continuous paid employment within a coded classification with the classified service of the County. Seniority shall be retained, but shall not accrue, during any period of leave without pay.

Section 5.2 - Transfer of Prior Agency Service

If a function of another agency is transferred to the County, the seniority of nurses who transfer with the function shall be computed, based upon application of the definition of Section 5.1, to each nurse's prior service with the other agency.

Section 5.3 - Changes to Classes

The County and the Association agree that to the extent possible, nurses should not lose their rights under this Article because classes have been revised, established, abolished or retitled.

Section 5.4 - Order of Layoff

When one (1) or more nurses performing in the same class in a County Department/Agency are to be laid off, the order of layoff in the affected Department/Agency shall be as follows:

- a) Provisional nurses in inverse order of seniority.
- b) Probationary nurses in inverse order of seniority.
- c) Permanent nurses in inverse order of seniority.

Section 5.5 - Notice of Layoff

Nurses subject to the provisions of this Article shall be given at least twenty (20) working days' written notice prior to the effective date of layoff. The Association shall receive concurrent notice, and upon request, shall be afforded an opportunity to meet with the County to discuss the circumstances requiring the layoff and any proposed alternatives. The procedures of Section 5.6 shall be applied prior to the effective date of the layoff.

Section 5.6 - Reassignment in Lieu of Layoff

a) Vacant Code in County

In the event of notice of layoff, any nurse so affected will be allowed to transfer to a vacant position in the same classification in any County Department/Agency.

b) Former Classification

In the event there are no vacant codes in the same classification in any Department/Agency, a nurse will be offered a vacant position in any classification at the same or lower level in which permanent status had formerly been held, first in the affected Department/Agency and then County-wide. Upon entry into such vacancy, total service shall be computed as in Section 5.6(c).

c) Displacement

In the event there are no vacancies as listed in (a) or (b), the nurse shall have the right, upon request, to be returned to any classification in the Department/Agency at the same or lower level in which permanent status had formerly been held and the regular layoff procedure in that same or lower level shall apply. For the purpose of computing total service in the new class, the nurse shall be given credit for all time served in the class which the nurse is leaving, plus any time previously served in the class to which the nurse is being returned.

Section 5.7 - Layoff

In the event that a nurse is not reassigned in lieu of layoff as in Section 5.6, the nurse shall be laid off. If a nurse elects not to exercise the rights in Section 5.6(c), the nurse may be deemed to have been offered and to have declined such work.

Section 5.8 - Re-employment List

The names of such probationary and permanent nurses reassigned or laid off in accordance with Sections 5.6(b), 5.6(c) or 5.7 of this Article shall be entered upon a re-employment list in inverse order as specified under Section 5.4. The person standing highest on a re-employment list for a particular classification when a vacancy exists in that classification in any Department/Agency shall be offered the appointment. Nurses on re-employment lists shall retain the right to take promotional exams and/or receive promotional preference on exams.

Section 5.9 - Temporary Work for Laid Off Nurses

Interested nurses who are placed upon the re-employment list due to layoff and who elect to be available for temporary work shall be given preference for such work in their former Department/Agency in the classification from which they were laid off. The election to be available for temporary work must be made at the time of layoff. Employees may decline to be available for temporary work or may decline such work itself without affecting any rights under this Article.

Section 5.10 - Names Dropped from Re-employment List

No name shall be carried on a re-employment list for a period longer than two (2) years, and the names of persons re-employed in a permanent position within the same classification shall, upon such re-employment be dropped from the list. Refusal to accept one of two offers of re-employment within the same classification, shall cause the name of the person to be dropped from the re-employment list.

Section 5.11 - Rights Restored

Upon re-employment of a nurse from a re-employment list, all rights acquired by a nurse prior to the nurse's placement on such list shall be restored.

Section 5.12 - Temporary Layoff

In the event of a decrease in census of any unit requiring a temporary reassignment of work areas or layoff of Registered Nurses for less than thirty (30) calendar days, the appointing authority shall:

- a) Attempt to float any affected nurse to any unit which the nurse has been oriented.
- b) As an educational opportunity, a nurse may be allowed an orientation to an unfamiliar unit.
- c) Volunteers shall be requested to take time-off by using PTO, comp. time or leave without pay.
- d) If there are insufficient volunteers, however, layoffs shall be by inverse seniority.

It is agreed that this provision shall be applied by unit and shift. It is also understood that the hospital will not assign extra help or registry, RN to the unit on that shift when this section is implemented.

ARTICLE 6 - PERSONNEL ACTIONS

Section 6.1 - Probation

- a) Each new nurse shall serve a probationary period of six (6) months. Upon successful completion of such probationary period, the nurse shall be deemed a permanent employee. A leave of absence without pay shall not be credited toward completion of the nurse's probationary period. The parties agree that probationary nurses shall have all rights in this Agreement, unless otherwise specified, including full and complete access to the grievance procedure. Any nurse released during the probationary period shall, upon request, be provided with a statement of the reasons for the release. Consistent with County Charter Section 704(e), probationary nurses may not grieve suspensions, demotions, or dismissals.
- b) Probationary nurses shall have the right to request and receive Department/Agency administrative review of disciplinary action taken during probation. Such review must be requested in writing within ten (10) working days of the disciplinary action or it is waived. The review process shall consist of two (2) steps, the first step (where possible) being at a level above the immediate supervisor; and the second step being at the Department/Agency level. The review process shall proceed promptly after a request is received. The first step decision shall be in writing within fifteen (15) days of the hearing. If the nurse wishes to pursue second step review, a written request shall be made within ten (10) working days of the first step decision or it is waived. The Department/Agency Head, or designated representative, shall hear and make a decision in writing within fifteen days of the hearing at the second step.

Section 6.2 - Disciplinary Action - Unclassified Nurses

Unclassified nurses who have completed six (6) or twelve (12) months' service (the period being equal to the probationary period for a comparable classified position) may grieve disciplinary action on the grounds that such discipline was not for cause. Such grievance shall comply in all respects with Article 15 of this Agreement

Notice of disciplinary action must be served on the nurse in person or by certified mail prior to the disciplinary action becoming effective. Notice shall be included in the nurse's personnel file and a copy sent to the Association and shall include:

- a) Statement of the nature of the disciplinary action.
- b) Effective date of the action.
- c) Statement of the cause thereof.
- d) Statement in ordinary and concise language of the act or omissions upon which the causes are based.
- e) Statement advising the nurse of the right to appeal from such action and the right to Association representation.

Section 6.3 - Personnel Files

The County shall maintain a personnel file for each nurse. The Department may also maintain a personnel file for each nurse. Nurses shall have the right to review their personnel file(s) or authorize review by their representative. No material will be inserted into the nurse's personnel file(s) without prior notice to the nurse. Nurses may cause to be placed in their personnel file(s) responses to adverse material inserted therein and a reasonable amount of correspondence originating from other sources directly related to their job performance.

Section 6.4 - Disciplinary Action - Permanent Classified

The County may take disciplinary action for cause against any permanent classified nurse by suspension, demotion or discharge by notifying the nurse in writing. Notice of disciplinary action must be served on the nurse in person or by certified mail prior to the disciplinary action becoming effective. The notice shall be included in the nurse's personnel file(s) and a copy sent to the Association, and the Personnel Board, and shall include:

- a) Statement of the nature of the disciplinary action.
- b) Effective date of the action.
- c) Statement of the cause thereof.
- d) Statement in ordinary and concise language of the act or omissions upon which the causes are based.
- e) Statement advising the nurse of the right to appeal to the Personnel Board from such action and the right to Association representation.

Such nurse shall be given either five (5) days' notice of discharge, or demotion, or five (5) days' pay, except where circumstances require immediate action.

In cases of questionable gross negligence or incompetence as defined in the Nurse Practice Act, the nurse, at the sole election of the appointing authority or their designee, may be placed on administrative leave with pay, not to exceed fifteen (15) working days, pending an investigation.

Section 6.5 - Counseling and Unfavorable Reports

a) Counseling

In the event that a nurse's performance or conduct is unsatisfactory or needs improvement, informal counseling shall be provided by the nurse's first level supervisor. Documentation of such counseling shall be given to the nurse as it is developed. Such documentation shall not be placed in a nurse's personnel file(s) and when the situation allows counseling, counseling shall be used prior to any unfavorable reports being issued.

b) Unfavorable Reports on Performance or Conduct

If upon such counseling a nurse's performance or conduct does not improve and disciplinary action could result, a written report shall be prepared by the supervisor including specific suggestions for corrective action, if appropriate. A copy shall be given to the nurse and a copy filed in the nurse's personnel file(s). No unfavorable reports shall be placed in a nurse's file(s) unless such report is made within ten (10) working days of the County's knowledge of the occurrence or incident which is the subject of this report. Provided no additional report has been issued during the intervening period, each report shall be removed from the nurse's file(s) at the end of one (1) year. Upon resignation, any such reports shall be removed from the nurse's file(s). Nurses shall have the right to grieve the factual content of such reports or attach a written response to the report for inclusion in their personnel file(s).

Section 6.6 - Return to Former Class

As an alternative to appointment from any employment list, any current regular nurse, upon recommendation of the appointing authority and approval by the Director of Personnel, may be appointed without further examination to a position in any class in which regular status had formerly been acquired, or to any related class on a comparable level with the former class.

Section 6.7 - Unclassified Appointment

No nurse, while holding a position in the unclassified service, shall be assigned to or occupy any classified position.

Section 6.8 - Rights Upon Promotion to Classified or Unclassified Service or Transfer to Unclassified Service

Any permanent nurse who receives a provisional or probationary promotion, or who is transferred or promoted to a position in the unclassified service shall retain all rights and benefits as a permanent nurse of the nurse's former class while in such provisional, probationary, or unclassified status. These include the right to participate in promotional examinations and the right to return to the nurse's former class if released while in such status. All such service shall count toward seniority credits in the nurse's former class in the event the layoff procedure is involved.

Any permanent nurse who receives a provisional promotion, or who is transferred or promoted to a position in the unclassified service, the duration of which is known to be for less than six (6) months, shall be considered to be on leave from the nurse's permanent position and departments are authorized to make substitute appointments to such vacated positions.

Section 6.9 - Transfers and Job Opportunities

Valley Medical Center and the Health Department shall establish a system to facilitate transfers and career mobility of Registered Nurses. A list of all transfer opportunities and all special assignment positions created within the existing job specifications for Registered Nurses within the Valley Medical Center will be posted on a

bulletin board outside the Nursing Office and the Cafeteria on a biweekly basis. The Health Department shall institute a transfer request care system whereby nurses will be notified of vacancies in which they have indicated interest. Nurses may arrange for interviews during work time with prior notification to their direct supervisor. Supervisors shall interview all interested candidates. Candidates from the Health Department must respond within the time limits listed on the transfer card. Nurses on leave or vacation may make prior arrangements to receive notification of specific openings by mail.

Section 6.10 - Classification Directory

A classification directory will be made available for use at central Personnel Department, Valley Medical Center Personnel Department and the Health Personnel Department listing minimum qualifications and salary ranges for all county positions.

ARTICLE 7 - PAY PRACTICES

Section 7.1 - Salaries

Effective on the dates listed all salaries shall be as listed in Appendices A and B attached hereto and made a part hereof. The parties agree that the rates of pay established by this Agreement are commensurate with those prevailing throughout the County for comparable work as required by the Charter for the County of Santa Clara.

Section 7.2 - Basic Pay Plan

The Basic Pay Plan consists of the salary ranges and the assignment of classes to such ranges as provided in this Section. Each nurse shall be paid within the range for the nurse's class according to the following provisions.

a) Step One

The first step in each range is the minimum rate and shall normally be the hiring rate for the class. In cases where it is difficult to secure qualified personnel or a person of unusual qualifications is engaged, the Director, with the approval of the County Executive, may approve appointment at the second or third step, and with the approval of the Board of Supervisors at the fourth or fifth step. If a nurse is hired under the difficult-to-secure-qualified-personnel clause, the County will move those nurses within that same class to the same salary step as that being received by the new nurse. The Association will receive a monthly listing of positions by class and department which lists positions hired above the first salary step.

b) Step Two

The second step shall be paid after the accumulation of six (6) months of competent service at the first step.

c) Step Three

The third step shall be paid after the accumulation of twelve (12) months of competent service at the second step.

d) Step Four

The fourth step shall be paid after the accumulation of twelve (12) months of competent service at the third step.

e) Step Five

The fifth step shall be paid after the accumulation of twelve (12) months of competent service at the fourth step.

f) Time for Salary Adjustments

Salary adjustments shall be made on the first day of the pay period in which the required accumulation of months of competent service occurs.

Section 7.3 - Effect of Promotion, Demotion or Transfer on Salaries

a) Promotion

Upon promotion, a nurse's salary shall be adjusted as follows:

1. For a promotion of less than five percent (5%) the salary shall be adjusted to the step in the new range which provides for a corresponding percentage increase in salary.
2. For a promotion of five percent (5%) or more the salary shall be adjusted to the step in the new range which provides for five percent (5%) increase in salary or to the first step in the new range, whichever is greater.

Any other promotion will be in accordance with regular County procedure.

b) Demotion

Notwithstanding the provisions of Section 7.2, upon demotion of a nurse with permanent status in the nurse's current class, the nurse's salary shall be adjusted to the highest step in the new class not exceeding the salary received in the former class.

c) Transfer

Upon transfer, the salary shall remain unchanged.

d) No Loss of Time-In-Step

Notwithstanding the provisions of Section 7.2, no salary adjustment upon promotion, demotion, or transfer shall effect a loss of time acquired in the former salary step, and such time as was acquired in the former salary step shall be included in computing the accumulation of the required months of service for eligibility of the employee for further salary increases.

e) Voluntary Demotion

In the event of a voluntary demotion required by a work-connected illness or injury and a resulting disability, the salary of the nurse shall be placed at the step in the salary range which corresponds most closely to the salary received by the nurse as of the time of injury. In the event that such voluntary demotion would result in a salary loss of more than ten percent (10%), the nurse's new salary shall be set at the rate closest to, but not less than ten percent (10%) below the nurse's salary as of the time of injury.

Section 7.4 - Part-Time Salaries

a) Salary Ranges

The salary ranges provided in the attached Appendix are for full-time service in full-time positions, and are expressed in dollars per the number of working days in a bi-weekly pay period. Nurses assigned to an eight (8) hour shift which is shortened to seven (7) hours due to daylight savings time shall be paid for eight (8) hours, and nurses assigned to an eight (8) hour shift which is lengthened to nine (9) hours due to daylight savings time, shall be paid overtime one (1) hour as defined in Section 8.2(b).

Section 8.2 - Overtime Work

Time for which pay is received but not worked such as vacation, sick leave, and authorized compensatory time off, will be counted towards the base period. The County Executive shall determine by administrative order those classes and positions which shall be eligible for overtime work and for cash payment.

b) Rate of Pay

When overtime work is assigned and is authorized by the appointing authority to be worked, compensation for such time worked shall be time off with pay computed as noted in 1. and 2. below, except that such overtime work shall be paid in cash for nurses where required by State or Federal law or when specifically authorized by administrative order of the County Executive.

2. Continuous Shift - one and one-half (1 1/2) hours for the first four (4) hours of overtime contiguous to their regular shift of a minimum of eight (8) hours and two (2) hours for any additional hours worked.

All compensatory time off must be taken within twelve (12) months of the date the overtime was worked, and failure to take the compensatory time off shall be deemed a waiver of the compensatory time by the nurse. In the event the appointing authority does not provide compensatory time off during the mandatory time period, the nurse may take compensatory time off as a matter of right immediately before the end of the pay period in which the compensatory time would be lost. Compensatory time balances shall be paid in cash on separation. A nurse may elect in advance to receive compensatory time-off credit in lieu of cash compensation for overtime where compensatory time off is allowed, if the appointing authority agrees.

c) Distribution of Overtime

Overtime work assignments shall be distributed among nurses in the same classification and applicable work unit as equally as practicable. Overtime work required beyond the regular eight (8) hour, ten (10) hour or twelve (12) hour duty shift shall be offered first to the regular nurses who normally work such assignments.

Section 8.3 - Meal Periods

a) Length

Nurses shall be granted a meal period not less than thirty (30) minutes nor more than one (1) hour, scheduled at approximately the mid-point of the work day. Nurses required to be at work stations for eight (8) or more consecutive work hours shall have their meal during work hours.

b) Overtime Meals

If a nurse is assigned two (2) or more hours of overtime work contiguous to the nurse's regular work shift or is called in within three (3) hours of the nurse's scheduled quitting time, the County will provide a meal and time to eat same or reimburse the cost of the meal actually purchased and consumed by the nurse on the nurse's own time to a maximum amount of nine dollars (\$9.00). Nurses shall be provided additional meals as above for every four (4) hour period of overtime completed thereafter. Nurses must present their claim (with receipt) for the reimbursement during their next regular work shift or the meal reimbursement is waived.

c) County Facilities

Whenever the duties or responsibilities of any County nurse require the nurses to be present and on duty during the serving of meals in a County facility and where such duty or responsibility occupies that nurse's meal period, such individual shall be entitled to that meal without charge.

d) Meal Rates

In each County dining facility where meals are served to nurses at the nurse's expense, the Department Head in charge of the operation of that facility shall prescribe the rates to be charged. The rates so prescribed shall, as a minimum, be sufficient to defray the costs of the food served.

Section 8.4 - Rest Periods

All nurses shall be granted and take a rest period of fifteen (15) minutes during each half shift of four (4) hours of work. Rest periods shall be considered as time worked for pay purposes.

Section 8.6 - On-Call Pay

a) Definition

On-call is defined as the requirement to remain immediately available to report for duty to perform an essential service when assigned by the appointing authority, subject to approval by the County Executive. This Section is only applicable to those situations where nurses are recalled to work when previously placed on an on-call status.

Each Department Head, subject to approval by the County Executive, shall designate which class(es) of nurse(s) shall be subject to on-call duty.
- c) Rates of Pay
Nurses assigned to on-call duty shall receive, in addition to their regular salary, one half (1/2) of their regular base rate of pay for each hour of assigned call duty. Shift differentials shall be paid in accordance with Section 8.8.
- d) Beepers
Beepers shall be provided to all nurses when placed on on-call status.

Section 8.7 - Call-Back Pay

If overtime work does not immediately follow or precede the regular work shift, a minimum of four (4) hours call-back time shall be credited the nurse. Call-back pay is subject to all provisions of Article 8, Section 2, Overtime Work.

The O.R. Nurse or Recovery Room Nurse may elect to receive compensatory time off credit in lieu of cash compensation for call-back time worked.

An O.R. Nurse or Recovery Room Nurse shall be granted a day charged to Paid Time Off, leave without pay, or compensatory time, on the O. R. or Recovery Room Nurse's normal work day following five (5) or more hours of call-back time.

Nurses will be credited for each call-back during a scheduled shift.

3. For shifts which fall across both the evening and night shifts as defined above, the differential will be paid according to which shift contains the majority of hours worked. If the split is half and half, the night shift differential will be paid.

c) Pay Rates:

1. The hourly rate for evening shift differential is \$2.00.
2. The base hourly rate for night shift differential is \$3.50.
3. The above differentials are paid on productive hours worked only.

Section 8.9 - Split Shift Pay

Nurses working in other units of the Health Department will not be required to work more than twenty-eight (28) weekends per year. If the County requires a nurse to work more than two (2) consecutive weekends, or more than twenty-six (26) or twenty-eight (28) required above, the nurse will receive time and one-half for work in excess of that required. These penalties shall not be duplicated for the same weekend worked. Work as used in this section shall mean productive time. Weekend work required shall be prorated for newly coded nurses and for any nurse who is off the payroll due to an authorized leave of absence.

The above weekend off provisions may be waived on the written request of the individual nurse.

- b) Current nurses who retire prior to October 1, 1985 may select either the above payoff or the payoff as was in effect in the 1979-80 Agreement as noted below.

For purposes of this paragraph, a day is defined as eight (8) work hours. Upon death or retirement, up to sixty (60) days of accrued sick leave shall be paid off at at rate of fifty percent (50%) of the equivalent cash value. All accrued balances beyond sixty (60) days shall be paid off at the rate of twelve and one-half percent (12 1/2%) of the accrued cash value (one hour's pay for one day of accrual). Upon resignation in good standing, nurses with ten (10) or more years' service shall be paid up to sixty (60) days of accrued sick leave at the rate of twenty-five percent (25%) of the equivalent cash value. All accrued balances beyond sixty (60) days will be paid off at the rate of twelve and one-half percent (12 1/2%) of the accrued cash value. All other rights to sick leave with pay of a nurse shall be cancelled upon the nurse's separation from the County; provided, however, if a nurse resigns or is separated on a layoff and is reinstated or re-employed within one (1) year from the date of resignation or layoff, such nurse's right, if any, to sick leave with pay shall be restored to the nurse. At the nurse's option, the nurse may convert accrued but unused sick leave at retirement to credit one (1) month of nurse's medical premium for each day of sick leave accrued.

Section 10.6 - Reinstatement Pay Back

Nurses receiving a sick leave bank payoff in accordance with Section 10.5 may, if reinstated within one (1) year, repay the full amount of sick leave bank payoff received and have the former sick leave bank balance restored. Repayment in full must be made prior to reinstatement.

ARTICLE 11 - LEAVE PROVISIONS

Section 11.1 - Leave Without Pay

a) Reasons Granted

Leaves of absence without pay may be granted to nurses for up to one (1) year. Extensions to leaves approved for less than one (1) year shall not unreasonably be denied provided adequate advance notice is given. If a nurse wishes to return to work early from a leave of absence, the nurse shall provide reasonable advance notice to the appointing authority. Leaves beyond one (1) year may be granted due to unusual or special circumstances. The following are approved reasons for such leaves:

1. Illness beyond that covered by sick leave.
2. Education or training which will benefit the County, including advancement in nursing.
3. Other personal reasons which do not cause inconvenience on the department.
4. To accept other government agency employment.
5. Paternity leave, not to exceed six (6) months.

b) Leave for Association Business

Upon thirty (30) days' advance notice, a long term leave without pay to accept employment with the Association shall be granted by the appointing authority for a period of up to one (1) year. No more than three (3) nurses shall be granted a leave at any one time. A leave may only be denied if:

1. The notice requirement is not met.
2. The number of nurses on leave has reached the maximum of three (3).
3. The nurse has specialized skills and abilities which are necessary and could not be replaced.

With notice no less than thirty (30) days prior to the conclusion of the leave, such leave may be extended up to one (1) year upon approval of the appointing authority.

c) Revocation

A leave may be revoked by the Director of Personnel upon evidence that the cause for granting it was misrepresented or has ceased to exist.

d) Seniority Rights

Maternity leaves of more than thirteen (13) pay periods; leaves of absence of more than two (2) pay periods; and suspensions shall not be counted as time spent in a salary step in computing eligibility of the nurse for further salary increases. All time spent on industrial injury leave shall be counted.

Section 11.2 - Maternity Leave

a) Length

Upon request, maternity leave without pay shall be granted to natural or adoptive parents by the appointing authority for a period of up to six (6) months. With notice no less than one (1) month prior to the conclusion of the leave, such leave may be extended up to one (1) year upon approval of the appointing authority. A request for extension can only be denied for good cause. A nurse who is pregnant may continue to work as long as her physician approves with concurrence from the Department.

Adoptive parents shall not be covered by County medical benefits while on maternity leave.

b) Sick Leave Use

If, during the pregnancy leave or following the birth of a child, the nurse's physician certifies that she is unable to perform the duties of her job, she may use her PTO or accumulated sick leave during the period certified by the physician. The authorized PTO or sick leave shall be charged either prior to or at the termination of the leave.

Section 11.3 - Leaves to Perform Jury Duty or to Respond to a Subpoena

a) Response to Summons

A nurse shall be allowed to take leave from the nurse's County duties without loss of wages, PTO, sick leave or nurse benefits for the purpose of responding to summons to jury selection or serving on a jury for which the nurse has been selected, subject to the limitation that a nurse shall receive paid leave to serve on a jury for which the nurse has been selected not more than once during a calendar year and provided that the nurse executes a written waiver of all compensation other than the mileage allowance, for which the nurse would otherwise receive compensation by virtue of the nurse's performance of such jury duty. No nurse shall be paid more than the nurse's regular shift pay or regular work week pay as a result of jury duty service. The nurse is required to notify the nurse's appointing authority when the nurse has received a jury summons and when the nurse's jury service is completed.

b) Jury Duty

Nothing in this Section shall prevent any County nurse from serving on a jury more than once per calendar year, provided, however, that such additional periods of absence from regular County duties as a result thereof shall be charged, at the option of such nurse, to either accrued Paid Time Off (PTO) or leave without pay.

c) Response to a Subpoena

No nurse shall suffer loss of wages or benefits in responding to a subpoena to testify in court if that nurse is not a party to the litigation.

d) Release Time

In the event a night shift nurse is called to court under the above provision, the following shall apply:

1. Swing or PM shift shall have release time the day of court attendance; time spent in court shall be deducted from the regular shift on that day with no loss of wages or benefits.
2. Night or graveyard shift shall have their choice of release time on the shift prior to or the shift preceeding court attendance; and that nurse shall suffer no loss of wages or benefits.

e) Return to Work

For the purpose of this Section, a nurse who responds to a summons to jury duty and who is not selected as a juror shall not be deemed to have performed jury duty and shall return to work as soon as possible.

Section 11.4 - Compulsory Leave

a) Physical Examination

If any non-probationary nurse is required by the appointing authority to take a physical examination not connected with pre-existing or existing industrial injury to determine if the nurse is incapacitated for work, the following provisions will apply and will be given to the nurse in writing:

1. Before making a decision, the physician designated by the appointing authority will consult with the nurse's personal physician and will advise the nurse of this procedure.
2. If the nurse's personal physician agrees with the decision of the physician designated by the appointing authority, the decision is final.
3. If the physicians disagree, and the nurse so requests, they will select a third physician whose determination will be final. Cost for such examination by the selected physician will be equally shared by the nurse and the appointing authority.

b) Court Related

The appointing authority may require a nurse who has been formally charged in a court of competent jurisdiction with the commission of any felony or of a misdemeanor involving moral turpitude, provided said crime is related to the nurse's employment status, to take a compulsory leave of absence without pay pending determination by way of a plea, finding or verdict at the trial court level as to the guilt or innocence of such nurse.

1. Determination of Innocence

If there is a determination of innocence or the charges are dropped, the nurse shall be reinstated to the nurse's position with return of all benefits, including salary, that were due for the period of compulsory leave if the nurse was available for work during this period. Despite reinstatement, the nurse remains subject to appropriate disciplinary action if warranted under the circumstances. Any such disciplinary action may be imposed effective as of the commencement date of the compulsory leave imposed under this Section.

2. Determination of Guilt

If there is a determination of guilt, the appointing authority may take appropriate disciplinary action. If the action is a suspension and the suspension is for a shorter duration than the compulsory leave, the nurse shall receive the difference between the compulsory leave and the suspension in salary and all benefits.

Section 11.5 - Military Leave

a) Governing Provision

The provisions of the Military and Veterans Code of the State of California shall govern the military leave of nurses of the County of Santa Clara.

b) Physical Examination

Any regular or provisional nurse shall be allowed time off with no loss in pay for the time required to receive a physical examination or re-examination as ordered by provisions of a national conscription act or by any branch of the National or State military services.

Section 11.6 - Professional Development Fund

a) General

1. The County will fund, on a matching basis, up to fifteen thousand dollars (\$15,000) per fiscal year for group and individual professional development and for education, as described in sections "b" and "c". This funding is over and above the County-wide tuition reimbursement program and departmental programs as presently funded/budgeted. Programs which begin or must be committed to on or before May 19, 1985, when approved, will encumber the fund and such amounts can be expended after that date.

2. The Professional Development Fund will be administered and requests reviewed/approved by a County/Association Committee consisting of two (2) persons having equal status: one designated by the County, one designated by the Association. A third party agreeable to both the County and the Association will cast the deciding vote, in case of disagreement. They will meet at least weekly, if required, on a regularly scheduled basis. They will jointly develop the procedures and forms necessary for operation of the program as described herein, and revise them as necessary.

b) Individual

1. Funded on a matching basis: fifty percent (50%) by the nurse and fifty percent (50%) by the County, up to a maximum County contribution of three hundred dollars (\$300) for any individual per fiscal year and subject to the other limitations set forth herein.

2. The requested expenditure must relate to the nurse's job or one to which the nurse could reasonably aspire within County service.

3. Requests will be processed on a "first come, first served" basis, but priority will be given to first requests by an individual for the current year.
4. At least five (5) working days must be allowed for prior approval and ten (10) working days for a cash advance (if appropriate) in the amount of the estimated County contribution.
5. Allowable expenses shall include but not be limited to: conference and seminar registration fees; tuition not reimbursed under the tuition reimbursement program; books and materials required for a conference, seminar or course; expenses for travel out of the county to attend a conference, seminar or course, including transportation, meals, lodging, car rental, etc., per County reimbursement policy, procedures and schedules. An itemized statement of expenses shall be submitted by the nurse for reimbursement or accounting as the case may be.
6. Substitute courses may be approved when approved courses are found to be unavailable.

c) Group

1. Funded on a matching basis: twenty-five percent (25%) by the participating nurses and/or the Association, and seventy-five percent (75%) by the County.
2. The Association will plan and budget group programs for review and approval by the County/Association Committee. Each proposed program will be considered separately on its own merits.
3. The Association will administer the approved programs, making all the necessary arrangements, etc.

d) Quarterly Financial Statement

A quarterly financial statement shall be forwarded to the Association on the status of the fund no later than two (2) weeks after the end of each quarter.

Section 11.7 - Tuition Reimbursement

a) Fund

The County shall maintain a tuition reimbursement program for the term of this Agreement. The total monies in this program will be administered at the County level. The fund will consist of thirty thousand dollars (\$30,000) per fiscal year.

b) Eligibility

Nurses are eligible to participate in the program provided:

1. The nurse is not receiving reimbursement from any other government agency or private source. (This applies to reimbursement only.)
2. The training undertaken is related to the nurse occupational area or has demonstrated value to the County.

3. The application was filed with the appointing authority or their designee prior to the commencement of the course. Applications requiring time off must be filed with the appointing authority at least ten (10) days prior to the commencement of the course.
4. Substitute courses may be approved when approved courses are found to be unavailable.
5. There are sufficient funds available in the program.

c) Disapproval

Management may disapprove an application for tuition reimbursement provided:

1. Notice of disapproval is given to the nurse within ten (10) working days after receipt of the application.
2. The County alleges disapproval is necessary because any of the provisions above have not been met. When a nurse disagrees with the disapproval and files a grievance, they shall be allowed to continue the course with time off as provided for in this Section, except for denial based on paragraph b(5) above. If a final determination is made against the nurse, time off shall be made up by working, charging Paid Time Off (PTO) or comp time, or payroll deduction, and tuition reimbursement shall be not paid. If a final determination is made supporting the nurse, they shall be fully reimbursed in accordance with this Section.

d) Reimbursement

Total reimbursement for each nurse participating in the program will not exceed two hundred dollars (\$200) per fiscal year. Mileage and subsistence will not be authorized unless the training is required of the nurse. Within the above limit, nurses shall receive full immediate reimbursement for tuition and other required costs (including textbooks) upon presentation of a receipt showing such payment has been made.

e) Deduction Authorization

The nurse shall sign a note which states that, upon receipt of reimbursement, they authorize:

1. Deduction from their wages in the event they do not receive a passing grade of C or better,
2. Deduction of fifty percent (50%) of the amount of reimbursement if they leave County employment within one (1) year after satisfactory completion of the course.
3. Deduction of the full amount of reimbursement if they leave County employment before completion of the course.
4. Any monies deducted from nurses under this Section will be redeposited into the Tuition Reimbursement Fund.

f) Make-up Time

Nurses taking a course only available during working hours must make up fifty percent (50%) of the time away from job. Make-up time may be deducted from the nurse's accrued educational leave, Paid Time Off (PTO) or compensatory time balance. Make-up time will not be allowed when it results in the payment of overtime. The department will make every effort to allow the nurse time off except where the payment of overtime will result. A nurse and the appropriate level of management may mutually rearrange the duty shift beyond eight (8) hours but within the eighty (80) hour pay period for purposes of participating in non-duty education and/or training deemed by the County to be to the benefit of the nurse and the County and such arrangement will be considered a waiver of Section 8.2.

g) Semi-annual Financial Statement

A semi-annual financial statement shall be forwarded to the Association on the status of the fund no later than two (2) weeks after the end of each period.

Section 11.8 - Educational Leave for Registered Nurses

- a) Each July 1 a credit of forty (40) hours per year shall be granted for educational leave for all full-time nurses. Educational leave will be accumulative to a maximum of eighty (80) hours. Educational leave for part-time nurses will be prorated. There shall be a three (3) month waiting period for all nurses hired after the execution of this contract. However, each nurse that uses any time earned between three (3) and six (6) months must sign a note which states that the nurse will authorize a deduction from the nurse's last paycheck or the time used if the nurse leaves County employment within one (1) year of the date of hire.
- b) The individual nurse shall decide the educational program in which they shall participate. It is understood that all use of educational leave shall be principally related to nursing practices within the County.
- c) Details in the written application for educational leave shall include but not be limited to the course, institute, workshops or classes, subjects, hours, faculty and purpose of taking the course, seminar, etc. The application shall be received by the Administration no less than ten (10) working days prior to the requested date of leave of absence. At least five (5) working days prior to the commencement of the leave of absence date, the Administration shall respond in writing to the nurse. When notification of a course is received less than ten (10) working days prior to the course date, Administration may consider approval.
- d) In all instances set forth above, the leave request shall be subject to approval by the Department. Such leaves shall not unduly interfere with staffing requirements for patients' care or duplicate comparable training offered by the Department. The Department agrees that it shall not unreasonably withhold approval.

- e) Proof of attendance may be requested by the Department. The nurse may be requested by the Department to report such activity in writing.
- f) Every effort shall be made to arrange scheduling for the individual nurse's use of educational leave time.
- g) If the educational leave falls on the nurse's day off, the nurse shall select one of the following:
 - 1. The day will be charged to educational leave and the nurse will have a day added to the nurse's Paid Time Off balance, or
 - 2. The day will be charged to educational leave and the nurse will be given another day off during the pay period, or
 - 3. The day will not be charged to educational leave.

This choice shall be binding for the entire period of each disability unless the employee later requests in writing that the Workers' Compensation Division begin integration. In such case, integration shall be implemented at the beginning of the next pay period.

If integration occurs, the first day shall be charged to the nurse's accrued but unused PTO, the second and third to be charged to the nurse's accrued but unused sick leave. - b) The clothing, uniform or equipment has been damaged or destroyed in the course of making an arrest, or in the issuance of a citation, or in the legal restraint of persons being placed in custody or already in custody, or in the service of legal documents as part of the nurse's duties or in the saving of a human life; and

5. Items requiring capital expenditure.
6. Items within the scope of representation and subject to the meet and confer process.

Section 15.2 - Grievance Presentation

Nurses shall have the right to present their own grievance or do so through a representative of their own choice. Grievances may also be presented by a group of nurses, by the Association, or by the County. No grievance settlement may be made in violation of an existing rule, ordinance, memorandum of agreement or memorandum of understanding, nor shall any settlement be made which affects the rights or conditions of other nurses represented by the Association without notification to and consultation with the Association.

The Association shall be provided copies of individual or group grievances and responses to same. Such grievances may not proceed beyond Step One without written concurrence of the Association at each step.

The Association shall have the right to appear and be heard in all individual or group grievances at any step. Upon request by County, the Association shall appear and be heard in such grievances at any step.

Section 15.3 - Procedural Compliance

Association grievances shall comply with all foregoing provisions and procedures. The County shall not be required to reconsider a grievance previously settled with a nurse if renewed by the Association, unless it is alleged that such grievance settlement is in violation of an existing rule, ordinance, memorandum of understanding, or memorandum of agreement.

Section 15.4 - Informal Resolution/Time Limits

It is agreed that nurses will be encouraged to act promptly through informal discussion with their immediate supervisor on any act, condition or circumstance which is causing nurse dissatisfaction and to seek action to remove the cause of dissatisfaction before it serves as the basis for a formal grievance. Time limits may be extended or waived only by written agreement of the parties.

If either party fails to comply with the grievance time limits, and the matter proceeds to arbitration, the party who missed the time limits, as determined by the arbitrator, shall pay the full cost of the arbitrator.

Section 15.5 - Formal Grievance

a) Step One

Within fifteen (15) working days of the occurrence or discovery of an alleged grievance, the grievance shall be presented in writing to the person designated by the appointing authority. The Association shall send a copy of the grievance to Employee Relations and this copy shall dictate time limits. The grievance form shall contain information which identifies:

1. The aggrieved;
2. The specific nature of the grievance;
3. The time or place of its occurrence;
4. The rule, law, regulation, or policy alleged to have been violated, improperly interpreted, applied or misapplied;
5. The consideration given or steps taken to secure informal resolution;
6. The corrective action desired; and,
7. The name of any person or representative chosen by the nurse to enter the grievance.

A decision shall be made in writing within fifteen (15) working days of receipt of the grievance. A copy of the decision shall be directed to the person identified in (7) above. A copy shall be sent to the Association and this copy shall dictate time limits.

b) Step Two

If the aggrieved continues to be dissatisfied, the aggrieved may, within fifteen (15) working days after receipt of the second step decision, present a written presentation to be directed to the County Executive's designated representative indicating the aggrieved wishes the grievance to be referred to an impartial arbitrator. The County and the Association agree to mutually agree upon or jointly select a panel of seven (7) arbitrators from names provided by the State Conciliation Service. Members of this arbitration panel shall be advised of and agree to the following provisions:

1. Within ten (10) working days of receipt of the grievance at step three, one (1) arbitrator shall be selected from the panel and a hearing scheduled within thirty (30) calendar days.
2. Arbitration proceedings shall be recorded but not transcribed except at the request of either party or the arbitrator. Upon mutual agreement, the County and the Association may submit written briefs to the arbitrator for decision in lieu of a hearing.
3. The arbitrator's decision shall be rendered within fifteen (15) days of the hearing, receipt of the transcript or the briefs.

The parties may mutually agree to use an arbitrator not on the list or to add to, or modify the list. The arbitrator's compensation and expenses shall be borne equally by the nurse or the Association and the County. Decisions of the arbitrator shall be final and binding.

Section 15.6 - Arbitration Release Time

The following statement on nurse participation in grievance arbitration hearings is agreed to:

- a) The nurse on whose behalf the grievance has been filed will be granted release time for the entire hearing. Release time to serve as a witness will be granted on a scheduled basis, i.e., when the nurse is scheduled to appear. In the case of a group grievance, release time will be granted for the designated spokesperson for the entire hearing. Release time also will be granted to the appropriate Unit Representative.
- b) Other requests for leave for the purpose of participation in a grievance arbitration hearing will also be granted and charged to the nurse's own leave time - provided the absence does not unduly interfere with the performance of service.

ARTICLE 16 - CONFLICT OF INTEREST

Nurses are to abide by all applicable Federal, State and Local Statutes or contract requirements regarding conflict of interest in outside employment. Nurses intending to engage in outside employment shall file an advance statement of such intent for the approval of the appointing authority.

ARTICLE 17 - NURSING PRACTICE ISSUES

Section 17.1 - Supervision

All Interim Permittees will be directly supervised and will not assume team leader duties. A Clinical Nurse I will not work in charge position except as provided for in Section 8.10 of this Agreement.

Section 17.2 - Conscientious Objector Clause

The rights of patients to receive the necessary nursing care are to be respected. As individuals, licensed nurses hold certain moral, ethical, and religious beliefs and in good conscience may be compelled to refuse involvement with abortions. The licensed nurse must be free to exercise this right without being subjected to ridicule, harassment, coercion, censure, termination, or other forms of discipline. Emergency situations will arise where the immediate nature of the patient's needs will not allow for personnel substitutions. In such circumstances the patient's right to receive the necessary nursing care would take precedence over exercise of the nurse's individual beliefs and rights until other personnel can be provided.

Section 17.3 - Malpractice Protection

The County's obligation to defend and indemnify its officers and employees is prescribed by California Government Code 825 et seq. and 995 et seq. The County shall indemnify and defend nurses in this Unit in accordance with the applicable law when and if they are sued for errors or omissions (malpractice) within the course and scope of their duties, save and except where the applicable law excuses County's obligation to defend (e.g., fraud, malice, etc.). This paragraph and the terms and conditions thereof shall be enforceable, at law in accordance with the applicable law, but shall not be subject to the grievance provision of this Agreement.

Section 17.4 - Inservice Education Program For Nurses

- a) While all nurses are responsible for their own professional growth, Santa Clara Valley Medical Center will Maintain a Staff Development Program for nurses, including the following:
1. Provide an organized plan of orienting all newly coded nurses to the objectives, policies, goals, and procedures of the hospital and of nursing service at regularly scheduled intervals.
 2. Provide an organized plan of orienting all nurses to the job descriptions, responsibilities, and work assignments for nursing classifications at regularly scheduled intervals.
 3. Keep the nursing staff abreast on a continuing basis of new and expanding nursing care programs and of new techniques, equipment, facilities and concepts of care.
 4. Each nurse must complete both (1) and (2) above before being permanently assigned to a unit and shift. Until completion of the formal orientation, the nurse will be considered as still in a structured learning experience and not part of the unit's regular nursing staff.

- b) In each area, a clinical nurse(s) is responsible for coordinating inservice programs with the Nursing Staff Development. These programs shall be relevant to updating and upgrading skills particular to the unit in order to promote optimal nursing care to each patient.

It is understood that the department has the authority to approve all voluntary attendance at inservice education programs.

Section 17.5 - Staff Meetings

Nurses assigned attendance at meetings, lectures, or inservice courses while off shift will be subject to all overtime provisions. Nurses on shift will be compensated at the regular rate.

Section 17.6 - Professional Performance Committee

- a) The Valley Medical Center Professional Performance Committee shall be composed of nurses currently employed by the hospital. The Committee shall have a representative from each nursing unit, one (1) from each satellite clinic, and one (1) Institution Nurse elected by the nurses from that unit and clinic. All appointed and new positions will be filled by election by October 31 of each year.
- b) Nurses employed by the County recognize their obligation to perform the highest level of nursing care for the patients. The Professional Performance Committee shall act as an advisory body to Nursing Service and Administration. The hospital will make a good faith effort to implement recommendations agreed to by the P.P.C. and the Director of Nursing.
- c) The Committee shall not involve itself in grievances as defined and set forth in this Agreement. The purpose and function shall be as set forth in its bylaws and shall include the following:
1. Recommend nursing policies and procedures to the Nursing Administrator.
 2. Review nursing policies and procedures prior to implementation, when possible, except in emergencies.
- d) The Nursing Administrator or representative will meet with the P.P.C. at their regularly scheduled meeting when requested. The Nursing Administrator will respond in writing to all written recommendations within thirty (30) days unless extended by mutual agreement.
- e) Attendance at P.P.C. will be voluntary by the elected representative or an alternate. Committee members will be granted release time to attend the meetings. Those members who attend during other than duty time will be granted up to three (3) hours of compensatory time.

Meetings will be held monthly for three (3) hours or more as agreed to by the Nursing Administrator.

Section 17.7 - Safety

The County necessarily abides by safety standards established by the State Division of Industrial Safety and pursuant to the Occupational Safety and Health Act.

Section 17.8 - Nursing Practice

If a nurse objects to an assignment on the basis that it exceeds the nurse's professional qualifications and the nurse is unable to resolve the objection with the immediate supervisor, the objection will be noted, in writing, by the nurse and delivered to the Director of Nursing's office or the appropriate administrator prior to the nurse leaving at the end of the shift. A written response from the Director of Nursing or designee will be forwarded to the nurse.

ARTICLE 18 - STRIKES AND LOCKOUTS

During the term of this Agreement, the County agrees that it will not lock out nurses and the Association agrees that it will not engage in any concerted work stoppage. A violation of this Article will result in cessation of Association dues deduction by the County.

ARTICLE 19 - FULL AGREEMENT

It is understood this Agreement represents a complete and final understanding on all negotiable issues between the County and its Departments and the Association. This Agreement supersedes all previous memoranda of understanding or memoranda of agreement between the County and its Departments and the Association except as specifically referred to in this Agreement. All ordinances or rules covering any practice, subject or matter not specifically referred to in this Agreement shall not be superseded, modified or repealed by implication or otherwise by the provisions hereof. The parties, for the term of this Agreement, voluntarily and unqualifiedly agree to waive the obligation to negotiate with respect to any practice, subject or matter not specifically referred to or covered in this Agreement even though such practice, subject or matter may not have been within the knowledge of the parties at the time this Agreement was negotiated and signed. In the event any new practice, subject or matter arises during the term of this Agreement and an action is proposed by the County, the Association shall be afforded all possible notice and shall have the right to meet and confer upon request. In the absence of agreement on such a proposed action, the County reserves the right to take necessary action by management direction.

ARTICLE 21 - IMPLEMENTATION

It is understood by the County and the Association that to fully implement this Agreement it will be necessary for the County to amend several existing County ordinances, some of which require the approval of the County Personnel Board, so that such ordinances will not conflict with the provisions of this Agreement. The County and the Association agree to cooperate to secure the enactment of such ordinances.

ARTICLE 22 - TERM OF AGREEMENT

This Agreement shall become effective only upon approval by the Board of Supervisors and upon the ratification by the Association, and shall remain in full force and effect to and including May 19, 1985 and from year to year thereafter; provided, however, that either party may serve written notice on the other at least sixty (60) days prior to May 19, 1985, or any subsequent May 19, of its desire to terminate this Agreement or amend any provision thereof.
