For hospital workers, overtime is defined as time worked beyond eighty (80) hours in any fourteen (14) consecutive day work period, or beyond eight (8) hours in any workday except as mutually agreed upon between the County and the Union. For workers, who do not meet FLSA criteria for different work periods, overtime is defined as time worked beyond forty (40) hours in any seven consecutive day work period or beyond eight (8) or ten (10) hours in any workday (depending on the number of hours in the duty shift to which the worker is assigned). Workers assigned under FLSA to work periods other than seven (7) or fourteen (14) consecutive day work periods, shall have work periods and daily overtime defined accordingly. Time for which pay is received but not worked such as vacation, sick leave, and authorized compensatory time off, will be counted towards the base period. Workers shall not be assigned irregular work hours to avoid the payment of overtime. The County Executive shall determine by administrative order those classes and positions which shall be eligible for overtime work and for cash payment.

The County and Union agree that in any arbitration involving an FLSA non-exempt employee and Section 8.2 the arbitrator shall be strictly bound by U.S. Department of Labor, Wage and Hour Division, Regulations, Bulletins, Regional Opinion Letters and provisions of the Fair Labor Standards Act in reviewing, deciding and rendering a decision. mutually agreed upon between the County and the Union. For all other workers, overtime is defined as time worked beyond forty (40) hours in any workweek or beyond eight (8) or ten (10) hours in any workday (depending on the number of hours in the duty shift to which the worker is assigned). Time for which pay is received but not worked such as vacation, sick leave, and authorized compensatory time off, will be counted towards the base period. Workers shall not be assigned irregular work hours to avoid the payment of overtime. The County Executive shall determine by administrative order those classes and positions which shall be eligible for overtime work and for cash payment.

c) **Rate of Pay -Workers covered by the Fair Labor Standards Act (FLSA)**

When overtime work is assigned and is authorized by an appointing authority to be worked, compensation for such time worked shall be time off with pay computed at the rate of one and one-half (1-1/2) hours off for every hour of overtime worked, except that such overtime work shall be paid in cash at the rate of one and one-half (1-1/2) times the regular hourly rate or holiday when specifically authorized by administrative order of the County Executive. Compensatory time off accruals/balance shall be limited to a maximum of two hundred and forty (240) hours or four hundred and eighty (480) hours for Communication Dispatcher I, II, III, Call Taker, and Complaint Center Dispatcher and Senior Communications Dispatcher.

All compensatory time off must be taken within twelve (12) months of the date the overtime was worked. Any balance remaining after twelve (12) months shall be paid in cash at the regular rate. Compensatory time balances shall be paid in cash on separation.

d) **Rate of Pay -Workers Exempt from the FLSA**

When overtime work is assigned and is authorized by an appointing authority to be worked, compensation for such time worked shall be time off with pay computed at the rate of one and one-half (1-1/2) hours off for every hour of overtime worked, except that such overtime work shall be paid in cash at the rate of one and one-half (1-1/2) times the hourly rate of pay when specifically authorized by administrative order of the County Executive.

All compensatory time off must be taken within twelve (12) months of the date the overtime was worked, and failure to take the compensatory time off shall be deemed a waiver of the compensatory time by the worker. In the event the appointing authority does not provide compensatory time off during the mandatory time period, the worker may take compensatory time off as a matter of right immediately before the end of the pay period in which the compensatory time would be lost. Compensatory time balances shall be paid in cash on separation. A worker may elect in advance to receive compensatory time off credit in lieu of cash

Workers shall be provided an additional reimbursement as above for every seven (7) hour period of overtime completed thereafter. If a worker is called in after three (3) hours of his/her scheduled quitting time and if less than two (2) hours prior notice is given and the worker then works four (4) or more hours of overtime, then the County will pay a meal reimbursement of fourteen (\$14.00) dollars.

Section 8.18 – Telework - Union TA's to CCL

a) **Telework Program**

The County of Santa Clara recognizes that flexible work arrangements and reduced commutes may benefit the employee, the department and the public by making the most efficient use of staff time.

The County shall maintain a teleworking program for workers in SEIU 521 represented classifications. The County shall provide training for supervisors and workers who meet the criteria for participating in the program.

The Union shall have the right to meet and confer over any proposed changes to the telework program.

b) **Eligibility for telework**

Eligibility is based on many criteria, and many job classifications and associated job responsibilities may not be conducive to teleworking. The following requirements are presented to help the employee and supervisor determine if teleworking is feasible. Additionally, a change in job duties and assignments, such as being assigned to work out of class, being assigned to a new project, or covering for coworkers who are out on vacation or leave, may affect eligibility. For this reason, it is the supervisor's responsibility to periodically assess the teleworking arrangement with the employee to address any change in eligibility.

Meeting any eligibility requirement does not guarantee approval to telework. Approval is given on a case by case basis; however, for approval to be given, an employee must meet all requirements.

Criteria for an employee to telework include:

- Full or part time status
- Permanent status (no original probationary status); others on exception basis only, subject to approval by department head
- Classified or unclassified position

- Employee is in compliance with County merit system rules, regulations or policies, and/or department rules and policies
- Demonstrated job performance to be able to work independently as determined by the immediate supervisor
- Job performance meets or exceeds expectations
- Employee's telework consists of the employee's regular work responsibilities, including call-back and on-call duties
- Employee's job duties allow him/her to be away from the County work site for a period of time during the work week
- Teleworking does not impede other workers from performing their job duties
- No reduction of service to internal and external customers and clients
- Employee and supervisor agree in writing on a teleworking arrangement, which is approved in writing by the department head or designee.
- Employee has access to required supplies and equipment to telework and has an acceptable workspace and environment to effectively work at home.

In addition to meeting these eligibility requirements, the following items are required before allowing an employee to telework:

- Telework Request and Approval Form is completed and approved
- Telework Agreement/Assignment Form is completed and approved
 - c) Teleworking is a management option, not an entitlement. Any telework agreement may be revoked or modified by the Department at any time for any reason. This section is not subject to the grievance procedure.

Appendix J – Union Accepts the County's 7/5/23

This Agreement represents the results of meeting and conferring in good faith between the County of Santa Clara and ~~legacy Locals 715 and 535, SEIU (currently SEIU Local 521), pursuant to Article 12, Section 12.9 and Article 13, Section 4 of the current Memoranda of Agreement between the County and legacy Locals 715 and 535, (currently SEIU Local 521) respectively.~~

~~It is understood that materials/leaflets/news releases, etc., relating to this program will be developed jointly between County and the Unions.~~

~~The elements of this program are: (1) a Policy Statement, (2) a Referral Procedure, and (3) a Program Structure. Such elements are described below.~~

a) **Policy Statement**

1. The County of Santa Clara recognizes alcoholism, alcohol abuse, and other health and behavioral problems as treatable conditions.

2. A County worker having these conditions will be given the same consideration and offer of assistance presently extended to workers having any other illness.

3. The social stigma associated with alcoholism and alcohol abuse has no basis in fact. It is expected that a County-wide enlightened attitude and a realistic acceptance of these conditions will encourage workers and members of their immediate families who suspect that they have a problem, even in the early stages, to take advantage of the diagnostic, counseling and treatment services available through ~~this the County's Employee Assistance Program (EAP or "Program").~~

4. The County is concerned with a worker's use of alcohol and with other health and behavioral problems ~~only when they affect his/her job performance.~~

5. It will be the responsibility of the County to ~~implement this policy, and to follow the procedures assuring assure~~ that no worker's request for assistance will jeopardize his/her job security or promotion opportunities.

6. It is recognized that, ~~for purposes of this Program,~~ supervisors do not have the qualifications or the responsibility to make any diagnosis or judgment as to whether or not a worker is an alcoholic or has any other health or behavioral ~~health~~ problem. Supervisors' responsibilities are limited to assessing job performance and initiating the corrective action appropriate to that level of job performance.

7. Employee Assistance Program records will be kept strictly confidential. Any identifying information about any worker will be given out only with the written approval of the worker.

8. County workers and members of their immediate families who suspect that they have an alcohol or other health or behavioral ~~health~~ problem, even in the early stages, are encouraged to seek confidential assistance by contacting the ~~designated~~

~~program personnel~~County's EAP provider or any appropriate public or private service provider.

9. Implementation of this policy will not require, or result in, any special regulations, privilege, or exemptions from the standard administration practices applicable to job performance requirements.

10. Performance problems will be handled in accordance with established County and Merit System procedures and labor-management agreements. Alcoholism, drug, or other personal problems will not be an acceptable reason for lowering job performance standards.

11. Workers who participate in counseling, diagnosis, or treatment may, at their request, use accumulated sick leave, vacation leave, and compensatory time while away from work for such a purpose. Leave of absence without pay, depending upon departmental policies and labor-management agreements, may also be used for these purposes.

A prime objective of this policy is to retain workers who may have or develop alcoholism, or drug dependency, and/or other health and behavioral health issues by helping them to arrest its further advance before the condition issue(s) render(s) them unemployable.

b) Referral Procedure

~~These procedures should be followed even when alcohol or other personal problems are obviously involved in the poor work performance. The objectives are:~~

- ~~1. To establish uniform handling of troubled workers, and~~
- ~~2. To reduce or eliminate poor work performance associated with alcohol or other personal problems.~~

~~Job performance issues should generally be resolved in the most informal way possible. Where such problems cannot be so resolved, action that you will take is governed by the following procedures. It is suggested that you determine a course of action based on the observed problems by consulting with your supervisor.~~

~~**Step 1.** Conduct at least one informal interview where the problems are discussed with the worker and alternatives for correction are identified. The supervisor must decide what is the next step. This may include nothing if the worker refuses to admit a need for change or it may include some very intricate program involvement. The Employee Assistance Program should be offered as a source of help. Assure the worker of the confidentiality of the program and his/her involvement in it. ~~The Employee Assistance Program of the County of Santa Clara will have a structure which recognizes the joint interests of Management and Labor in the carrying out of the Program and in monitoring the Program to assure success.~~

~~The structure of the Program involves two significant elements: (1) E.A.P. Coordinating Counselor and (2) E.A.P. Coordinating Committee.~~

~~The roles of each element are as follows:~~

~~Subject to general supervision and monitoring by the E.A.P. Coordinating Committee.~~

~~-Acts as a primary developer of treatment resources~~

~~-Acts as a primary liaison with treatment resources~~

~~-Coordinates training of supervisors and Stewards~~

~~The Employee Assistance Program Coordinating Committee would consist of one member designated by each Union desiring to do so, and a number of members designated by the County Executive, not to exceed the number of Union members.~~

~~The functions of the Coordinating Committee would be as follows:~~

- ~~-To monitor the overall Program~~
- ~~-To develop and implement evaluation procedures~~
- ~~-To review complaints (case problems, failures, discuss possibilities)~~

~~-To evaluate staff performance~~

~~-To provide general program direction to the Coordinating Counselor~~

~~-To approve Steward and supervisor training program~~

~~The Coordinating Committee would meet at least monthly and more frequently as necessary. Release time would be provided for such meetings.~~

~~The Coordinating Counselor would be a full-time administrative position in the Bureau of Alcoholism Services reporting directly to the Director of Alcoholism Services, but generally supervised by the E.A.P. Coordinating Committee.~~

~~**Location**—The geographic location of the Program should be a neutral location and definitely not a Union Office, the Personnel Office or the Bureau of Alcoholism Services. In this way, some control over staff activities could be maintained. There would probably have to be a clerk responsible for making appointments for all counselors and maintaining files and records in order.~~

~~d) Term~~

~~It is understood that up to ten thousand dollars (\$10,000) has been committed by County from July 12, 1999 to cover the costs of needed services as deemed necessary by the E.A.P. Coordinator in accordance with guidelines established by the E.A.P. Coordinating Committee. Such monies are to be administered by the E.A.P. Counselor and monitored by the E.A.P. Coordinating Committee. Any change in the Program must be by mutual agreement.~~

~~If the Program is not changed, it will be funded at ten thousand dollars (\$10,000) per fiscal year for the term of this Agreement.~~

The County and the Union, if requested by the Union, the parties will agree to meet within the next fifteen (15) working days after the adoption of a successor Memorandum of Agreement by the Board of Supervisors of the date of this Side Letter, to complete the meet and confer process and to address any impacts, issues and opportunities to improve quality services to staff under the County's external EAP service provider contract. CONCERN contract.
