Section 8.5 – Telework/Remote Work

For the purposes of Appendix G, the terms ‘telework,’ ‘teleworking,’ ‘remote work,’ and ‘telecommuting’ refer to the work flexibility arrangements established between the department/agency management, or their designees, and the employee where the employee performs the duties and responsibilities of their position from a location other than their normal assigned work location. There are a variety of circumstances that relate to department/agency missions and structures, bureau, division, and/or unit priorities, and/or job specifications including specialty needs that make a uniformed approach describing eligibility and participation criteria within their telework policies impractical. For the purposes of this section, ‘telework’ encompasses, although is not limited to, ‘work-from-home’ which the County currently defines similarly to a ‘planned alternative work location’. The parties referred in this appendix include the Social Services Agency (‘the County’) and SEIU 521 (‘the Union’).

This section of Appendix G seeks to reaffirm and recommit to the 2016 teleworking initiatives in the Social Services Agency (SSA). Flexible work arrangements and reduced commutes can benefit the employee, County departments, and County customers/service recipients. Benefits to staff can include remote access to critical program applications and work products whether the worker is in the office, field, or other designated telework space. The County recognizes this can ease the burden of travel for field workers, provide immediate access to case information, and promote the ease of entry of new case information for staff, and support the use of less commute time overall.

Likewise, this section reaffirms both SSA’s and the Union’s commitment to building work processes that enhance flexibility and ease of service to our clients/recipients. This section not only reaffirms the priority of focusing priority on those workers directly serving clients (eg. client facing, field workers, etc.) and also expands to incorporate other staff/workers who have demonstrated value-added productivity observed through the COVID-19 Pandemic. SSA and the Union continue to recognized the importance of field-based workers and others for the need of County owned equipment, which the County will continue to provide as before the COVID-19 Pandemic and as a result of said pandemic. The Union and County recognize the COVID-19 Pandemic provided a real-world forced-implementation of hybrid and remote-centered service provision, which has shown cost-savings, employee benefits, and improved client accessibility to services.

APPENDIX G – SOCIAL SERVICES UNIT

Both the County (SSA) and the Union recognized the broader benefits to the community in maintaining a robust telework option for workers as well as the broader County ecological goals and enhanced living experience through reduction of traffic throughout the community. Telework remains a management option; however, the greater emphasis on expanding telework options is given precedence. Wherever a telework and/or hybrid option can be implemented, management shall offer this as an option to the employee. Requests for telework shall not be unreasonably denied, and denials are subject to an appeal process, and may be subject to the grievance process.

Pending the parties meeting and conferring to develop new mutually agreed upon telework language for the departments within the Social Services Agency, the parties agree to continue with the various departmental telework policies (or equivalently labeled) implemented in July 2021 throughout the Agency after the anticipated expiry date of June 30, 2023.

G.4 G.9– Workload Standards

All workload and caseload standards are for the current working environment. Any future changes in workload/caseload standards proposed by the Department/Agency shall be subject to a meet and confer process on the impact to wages, hours and working conditions.

Section 9.1 – Workload Standards TA'd 06/07/2023

Section 9.2 – Standards Changes TA'd 06/07/2023

Section 9.3 – Workload Compliance TA'd 06/07/2023

Section 9.4 – Differential Workloads TA'd 06/07/2023

Based on the experience level of personnel, characteristics of cases, and/or special program features, the County shall establish lower workloads for the worker.

Union Response: UP5 Counter to CP4 06/22/2023

Section 9.5 – Bilingual, Trilingual, Quadrilingual Workloads/Caseloads

- a) Bilingual, Trilingual, Quadrilingual language caseloads will consist of a minimum of fifteen percent (15%) certified language cases and a maximum of eighty percent (80%) certified language cases. Only caseloads meeting the above criteria (or excepted below) shall qualify the multi-lingual worker for the monetary differential.

When the certified language cases in a caseload fall below fifteen percent (15%), the differential will be continued for two (2) pay periods. If the minimum requirement of fifteen percent (15%) is not met within the two (2) pay periods, the differential may be discontinued beginning with the next pay period.

- b) When the certified multi-language caseload reaches eighty percent (80%), the worker shall be at one hundred percent (100%) of standard overall.

a)b) In Home Support Services

This section supersedes Appendix G Sections 9.6(a), 9.6(c), and 9.6(d) of the current Memorandum of Agreement (MOA) between the County and SEIU Local 521.

These work completion standards shall only apply prospectively, and nothing should be construed to limit the County's ability to assign any number of assessments to Case Management Social Workers, in its sole discretion, with the understanding that Case Management Social Workers are only expected to complete the number of assessments as calculated per month under the provisions of this section. This is to clarify the amount of cases assigned versus the assessments being performed.

Definitions for Purposes of this Section:

1. An "assessment" shall be defined as any of the following types of visits and assessments performed by a Social Worker: intake, reassessment, courtesy, or

APPENDIX G – SOCIAL SERVICES UNIT

expedited visit.

2. Annual and/or year shall be defined as June 1, 2019 - May 31, 2020, and each June 1 - May 31 thereafter.
3. A full-time schedule shall be defined as forty (40) work hours per week.
4. Consecutive days of paid scheduled leave is defined as work days uninterrupted by a return to work. It includes weekends and County holidays, such as, Friday, Monday, and Tuesday; or, Thursday, Friday, and a County holiday on Monday. Weekends are not counted as one of the three days, but County holidays are. With respect to 4/10 schedules, if a Social Worker's day off is Wednesday, three consecutive days of scheduled leave includes Wednesday for determining whether the days off are consecutive, but is not counted as one of the three days (e.g. Mon-Thursday is considered three consecutive days off).
5. One work week of consecutive paid scheduled leave is defined as forty (40) hours, including County holidays. For example, Thanksgiving week, if a Social Worker takes Monday, Tuesday, and Wednesday off and Thursday and Friday are County holidays, this will constitute as one work week of consecutive paid scheduled leave and result in a reduction in the Social Worker's monthly assessment expectation.
6. An individual Social Worker's "monthly assessments expectation" is the number of assessments the Social Worker is expected to complete each month. To calculate a Social Worker's monthly assessments expectation, the standard twenty-seven (27) assessments per month expectation is reduced if the Social Worker is a Social Worker I (paragraph 3 below); Social Worker Lead (paragraph 2 below); and/or Certified Bilingual Social Worker (paragraph 4 below).

Monthly Assessment Expectations and Assessment Reductions:

1. Case Management Social Workers shall complete three hundred twenty-four (324) total assessments per year and shall complete these at a rate of twenty-seven (27) assessments per month.
2. Social Worker Leads shall receive a 10% reduction in his or her annual assessments expectation, such that they shall complete two hundred ninety-two (292) assessments per year, twenty-four assessments (24) per month.
3. Social Worker I's shall receive a 20% reduction in his or her annual assessments expectation, such that they shall complete two hundred fifty-nine (259) assessments per year, twenty-two (22) assessments per month. Social Worker I's shall be assigned the same type of assessments as Social Worker II's.
4. Certified Bilingual Social Workers shall receive a 12% reduction in his or her monthly assessments expectation for any month where 100% of the cases carried are in their certified language. The calculation of 100% will be month-to-month based on cases carried at the beginning of each month. Formula to calculate

APPENDIX G – SOCIAL SERVICES UNIT

reduction: $(27 - (27 \times 12\%)) = 24$.

~~5. If a Social Worker takes between three (3) and four (4) is absent from work (paid time, WOOC, FMLA, etc.) consecutive days of paid scheduled leave in any given month, or if a Social Worker Works Out of Class (WOOC) the same amount of consecutive time, his or her their monthly assessments expectation shall be reduced at a rate of 1.35 assessments per consecutive day off (i.e., each day after the first day of leave or after the first day of WOOC). Unscheduled leave, scheduled leave of less than three days, intermittent leave, or nonconsecutive days of WOOC, shall not result in any reduction of monthly assessments expectation. This 1.35 rate reduction applies regardless of the number of days or weeks in any given month.~~

~~5.6. One (1) case credit shall be given when a Social Worker completes an assessment, but are unable to complete the assessment in KPI due to no fault of their own,~~

Union Response: Agree to TA deletion of this paragraph

~~6. If a Social Worker takes one (1) work week of consecutive paid scheduled leave (or consecutive paid scheduled leave or WOOC totaling 40 to 79 hours) in any given month, he or she shall receive a twenty-five percent (25%) reduction to his or her monthly assessments expectations.~~

Union Response: Agree to TA deletion of this paragraph

~~7. If a Social Worker takes two (2) consecutive work weeks of paid scheduled leave (or consecutive paid scheduled leave or WOOC between 80 and 119 hours) in any given month, he or she shall receive a fifty percent (50%) reduction of his or her monthly assessments expectation.~~

Union Response: Agree to TA deletion of this paragraph

~~8. If a Social Worker takes three (3) consecutive work weeks of paid scheduled leave (or consecutive paid scheduled leave or WOOC between 120 and 159 hours) in any given month, he or she shall receive a seventy-five percent (75%) reduction of his or her monthly assessments expectation will be reduced.~~

Union Response: Agree to TA deletion of this paragraph

~~9. If a Social Worker takes four (4) consecutive weeks of paid scheduled leave (or consecutive paid scheduled leave or WOOC 160 hours or more) in any given month, he or she shall receive a one hundred percent (100%) reduction in his or her monthly assessments expectation.~~

Union Response: Agree to TA deletion of this paragraph

~~10. Workload reductions for scheduled absences, in a work week that is split between two months, workload credit reductions will be given in the month that has the majority of the consecutive days off. For example, when a work week is split like the following, Thursday 29th, Friday 30th, Monday, 31st, Tuesday 1st, and Wednesday 2nd, and a Social Worker takes off Thursday, Friday and Monday, the workload credit reduction will be applied to the first month. If the Social Worker takes off Monday, Tuesday, and Wednesday, the workload credit reduction will be applied to the second month.~~

APPENDIX G – SOCIAL SERVICES UNIT

Union Response: Agree to TA deletion of this paragraph

~~11. Workload reductions for unscheduled absences of three (3) consecutive days or greater will be reviewed by management on a case by case basis. Management's decision to grant or deny a workload reduction cannot be grieved.~~

If the County's fiscal year compliance rate for IHSS assessments drops below the State's compliance expectation of eighty percent (80%), the parties shall hold workload reviews to discuss and strategize temporary modifications to the workload expectations to achieve the State's compliance expectation.
